**Prior notification of a concentration**  
**(Case COMP/M.3212 — GDF/Italcogim/JV)**

**Candidate case for simplified procedure**

(2003/C 156/10)

(Text with EEA relevance)

1. On 23 June 2003 the Commission received notification of a proposed concentration pursuant to Article 4 of Council Regulation (EEC) No 4064/89 <sup>(1)</sup>, as last amended by Regulation (EC) No 1310/97 <sup>(2)</sup>, by which the undertaking GDF International SAS (GDFI), France, a wholly-owned subsidiary of the Gaz de France Group (GDF), France, acquires, within the meaning of Article 3(1)(b) of the Regulation, joint control of the undertaking Italcogim SpA (Italcogim), Italy, currently controlled solely by the Fabiani family, by way of purchase of shares.

2. The business activities of the undertakings concerned are:

— GDF: exploration, production, storage, transportation, distribution and supply of gas, mainly in France,

— Italcogim: the distribution and supply of gas to residential and industrial customers.

3. On preliminary examination, the Commission finds that the notified concentration could fall within the scope of Regulation (EEC) No 4064/89. However, the final decision on this point is reserved. Pursuant to the Commission Notice on a simplified procedure for treatment of certain concentrations under Regulation (EEC) No 4064/89 <sup>(3)</sup>, it should be noted that this case is a candidate for treatment under the procedure set out in the notice.

4. The Commission invites interested third parties to submit their possible observations on the proposed operation.

Observations must reach the Commission not later than 10 days following the date of this publication. Observations can be sent by fax (No (32-2) 296 43 01 or 296 72 44) or by post, under reference COMP/M.3212 — GDF/Italcogim/JV, to:
