LEGEND

1. This eighth supplement to the 22nd complete edition of the common catalogue of varieties of agricultural plant species ⁽¹⁾ takes up the modifications which it has been necessary to add to take into account information that the Commission has received from the Member States.
 2. The present supplement follows the subdivision adopted in the 22nd complete edition. Reference can be made to the legend of this edition.
 3. This supplement covers the period up to 31 January 2004.
 4. The modifications in comparison with the 22nd complete edition are indicated in column 4 in the following way:
 - (add.): means a new position introduced into the common catalogue,
 - (mod.): means a modification to an existing position. The indications relating to this position in the present supplement replace those in the 22nd complete edition,
 - (del.): means that the indicated position and all indications which relate to it are deleted from the common catalogue.
 5. The additions concern the varieties notified for which the provisions laid down in Article 16(1) of Council Directive 2002/53/EC ⁽²⁾ apply.
 6. When the code of the maintainer does not appear in the 22nd complete edition, the name of the maintainer and his address may be obtained from the authority indicated in the list for the Member State or EFTA country concerned.
