LEGEND

1. This sixth supplement to the 26th complete edition of the common catalogue of varieties of vegetable species ⁽¹⁾ includes the amendments which had to be added to take into account information that the Commission has received from the Member States.
2. The present supplement follows the subdivision adopted in the 26th complete edition. Reference can be made to the legend of this edition.
3. This supplement covers the period up to 30 June 2008.
4. The modifications in comparison with the 26th complete edition are indicated in column 4 in the following way:
 - ‘(add.)’ means a new position introduced into the common catalogue,

 - ‘(del.)’ means that the indicated position and all indications which relate to it are deleted from the common catalogue.
5. The additions concern the varieties notified for which the provisions laid down in Article 16(1) of Council Directive 2002/55/EC ⁽²⁾ apply.
6. When the code of a maintainer does not appear in the 26th complete edition, the name of the maintainer and his address may be obtained from the authority indicated in the list for the Member State or EFTA country concerned.
