COMMISSION DECISION**of 14 February 2012****setting up the Commission expert group on policy needs for data on crime and repealing Decision 2006/581/EC**

(2012/C 42/02)

THE EUROPEAN COMMISSION,

Having regard to the Treaty on the Functioning of the European Union,

Whereas:

- (1) According to Article 67(3) of the Treaty on the Functioning of the European Union, the Union shall endeavour to ensure a high level of security through measures to prevent and combat crime, racism and xenophobia, and through measures for coordination and cooperation between police and judicial authorities and other competent authorities.
- (2) In August 2006, the Commission adopted a Communication to the European Parliament, the Council and the European Economic and Social Committee entitled 'Developing a comprehensive and coherent EU strategy to measure crime and criminal justice: An EU Action Plan 2006-2010' ⁽¹⁾.
- (3) At the same time a group of experts on the policy needs for data on crime and criminal justice was established by Commission Decision 2006/581/EC of 7 August 2006 ⁽²⁾, to assist the Commission in the implementation of that Action Plan. The mandate of this group has not been renewed.
- (4) The Stockholm Programme 'An open and secure Europe serving and protecting citizens' adopted by the European Council ⁽³⁾ invites the Commission to continue developing statistical tools to measure crime and criminal activities and to further develop the actions outlined and partly implemented in the EU Action Plan 2006-2010.
- (5) The exchange of information and the collection of statistics in particular areas like trafficking in human beings, money laundering, cybercrime and corruption are in line

with the proposed actions included in the Communication from the Commission to the European Parliament and the Council 'The EU Internal Security Strategy in Action: Five steps towards a more secure Europe' ⁽⁴⁾.

- (6) In order to pursue the valuable work which has been carried out by the group of experts on policy needs for data on crime and criminal justice since 2006 and taking into account the increased interest for reliable crime statistics at Union level, that group needs to be replaced.
- (7) The production of Community statistics is governed by the rules set out in Regulation (EC) No 223/2009 of the European Parliament and of the Council of 11 March 2009 on European statistics and repealing Regulation (EC, Euratom) No 1101/2008 of the European Parliament and of the Council on the transmission of data subject to statistical confidentiality to the Statistical Office of the European Communities, Council Regulation (EC) No 322/97 on Community statistics, and Council Decision 89/382/EEC, Euratom establishing a Committee on the Statistical Programmes of the European Communities ⁽⁵⁾. The actions on the establishment of Community statistics are carried out according to the Decision No 1578/2007/EC of the European Parliament and of the Council of 11 December 2007 on the Community Statistical Programme 2008 to 2012 ⁽⁶⁾ and its annual programmes and respecting the principles set out in the European Code of Practice adopted by the Statistical Programme Committee on 24 February 2005.
- (8) It is therefore necessary to set up a Commission expert group in the field of crime statistics and to define its tasks and its structure.
- (9) The group should help to define the policy needs and advise on the definition and the effective use of indicators and data in general, in the area of crime.
- (10) The group should be composed of members competent to identify the policy needs and advise on the effective use of indicators and data in the area of crime.

- (11) Rules on disclosure of information by members of the group should be laid down/provided for, without prejudice to the Commission's rules on security as set out in the Annex to Commission Decision 2001/844/EC, ECSC, Euratom of 29 November 2001 amending its internal Rules of Procedure (⁷).
- (12) Personal data relating to members of the group should be processed in accordance with Regulation (EC) No 45/2001 of the European Parliament and of the Council of 18 December 2000 on the protection of individuals with regard to the processing of personal data by the Community institutions and bodies and on the free movement of such data (⁸).
- (13) The term of office of the members of the group should be five years covering the implementation period of the Action Plan 2011-2015 on measuring crime and criminal justice in the European Union (⁹).
- (14) Decision 2006/581/EC should be repealed.
- (15) It is appropriate to fix a period for the application of this Decision. The Commission will in due time consider the advisability of an extension,
