LEGEND

1. This first supplement to the 31st complete edition of the common catalogue of varieties of vegetable species ⁽¹⁾ includes the amendments which had to be added to take into account information that the Commission has received from the Member States.
 2. The present supplement follows the subdivision adopted in the 31st complete edition. Reference can be made to the legend of this edition.
 3. This supplement covers the period up to 31 October 2012.
 4. The modifications in comparison with the 31st complete edition are indicated in column 4 in the following way:
 - ‘(add.)’ means a new position introduced into the common catalogue,
 - ‘(mod.)’ means a modification to an existing position. The indications relating to this position in the present supplement replace those in the 31st complete edition,
 - ‘(del.)’ means that the indicated position and all indications which relate to it are deleted from the common catalogue.
 5. The additions concern the varieties notified for which the provisions laid down in Article 16(1) of Council Directive 2002/55/EC ⁽²⁾ apply.
 6. When the code of a maintainer does not appear in the 31st complete edition, the name of the maintainer and his address may be obtained from the authority indicated in the list for the Member State or EFTA country concerned.

EU Official Journal, C series — recruitment competitions	Language(s) according to competition(s)	EUR 50 per year

Subscriptions to the *Official Journal of the European Union*, which is published in the official languages of the European Union, are available for 22 language versions. The Official Journal comprises two series, L (Legislation) and C (Information and Notices).

A separate subscription must be taken out for each language version.

In accordance with Council Regulation (EC) No 920/2005, published in Official Journal L 156 of 18 June 2005, the institutions of the European Union are temporarily not bound by the obligation to draft all acts in Irish and publish them in that language. Irish editions of the Official Journal are therefore sold separately.

Subscriptions to the Supplement to the Official Journal (S Series — tendering procedures for public contracts) cover all 23 official language versions on a single multilingual DVD.

On request, subscribers to the *Official Journal of the European Union* can receive the various Annexes to the Official Journal. Subscribers are informed of the publication of Annexes by notices inserted in the *Official Journal of the European Union*.

Sales and subscriptions

Subscriptions to various priced periodicals, such as the subscription to the *Official Journal of the European Union*, are available from our sales agents. The list of sales agents is available at:

http://publications.europa.eu/others/agents/index_en.htm

EUR-Lex (<http://eur-lex.europa.eu>) offers direct access to European Union legislation free of charge. The *Official Journal of the European Union* can be consulted on this website, as can the Treaties, legislation, case-law and preparatory acts.
