(2014/C 77/05)

**1. Objectives and description**

With the objective of establishing a European network for VET — ReferNet, this call aims at selecting one applicant from Greece and Romania, respectively (see point 3 below, 'Eligibility criteria'), with which Cedefop will conclude a 18-month framework partnership agreement; and at concluding with each successful applicant a specific grant agreement for a 6-month work plan to be carried out in 2014 (starting 1 July 2014).

Founded in 1975 and based in Greece since 1995, the European Centre for the Development of Vocational Training (Cedefop) is an agency of the European Union (EU). Acknowledged as an authoritative source of information and expertise on VET, skills and competences, its mission is to support European vocational education and training (VET) policy development and contribute to its implementation.

ReferNet is Cedefop's European network for VET. The mission devoted to ReferNet is to support Cedefop by reporting on national VET systems and policy developments and by raising the visibility of VET and Cedefop's products. It comprises 28 members known as ReferNet national partners from an EU Member State, Iceland and Norway. ReferNet national partners are key institutions involved in VET in the country they represent.

Framework partnership agreements are implemented through specific grant agreements. Therefore, applicants shall not only submit a proposal for the 18-month framework partnership (which, if successful, will lead to the signature of a framework partnership agreement for the years 2014 to 2015) but also the grant application for the 2014 action (which may lead to the signature of a specific grant agreement for 6 months in the year 2014). The applicant must demonstrate its capacity to carry out all the activities foreseen over the 18-month period and ensure adequate co-financing of the implementation of the work plan.

Cedefop reserves the right not to award the total budget available.
