

C/2024/670

17.1.2024

Call for proposals and related activities under the 2024 work plan of the Clean Hydrogen Joint Undertaking

(C/2024/670)

Notice is hereby given of the launch of the call for proposals and related activities under the 2024 work plan of the Clean Hydrogen Joint Undertaking (CleanH2 JU).

This work plan, including deadlines and budgets for the activities, is available through the Participant Portal website (<https://ec.europa.eu/info/funding-tenders/opportunities/portal/screen/home>) along with information on the modalities of the call and related activities, and guidance for applicants on how to submit proposals. All this information will be updated as necessary on the same Participant Portal.
