

**PUBLIC WORKS CONTRACTS**

*(Publication of notices of public works contracts and licences in conformity with Council Directive 71/305/EEC of 26 July 1971 supplemented by Council Directive 72/277/EEC of 26 July 1972)*

**MODEL NOTICES OF CONTRACTS****A. Open procedures**

1. Name and address of the authority awarding the contract (Article 16 (e)) <sup>(1)</sup>:
2. The award procedure chosen (Article 16 (b)):
3. (a) The site (Article 16 (c)):  
(b) The nature and extent of the services to be provided and the general nature of the work (Article 16 (c)):  
(c) If the contract is subdivided into several lots, the size of the different lots and the possibility of tendering for one, for several, or for all of the lots (Article 16 (c)):  
(d) Information relating to the purpose of the contract if the contract entails the drawing up of projects (Article 16 (c)):
4. Any time limit for the completion of the works (Article 16 (d)):
5. (a) Name and address of the service from which the contract documents and additional documents may be requested (Article 16 (f)):  
(b) The final date for making such request (Article 16 (f)):  
(c) Where applicable, the amount and terms of payment of any sum payable for such documents (Article 16 (f)):
6. (a) The final date for receipt of tenders (Article 16 (g)):  
(b) The address to which they must be sent (Article 16 (g)):  
(c) The language or languages in which they must be drawn up (Article 16 (g)):
7. (a) The persons authorized to be present at the opening of tenders (Article 16 (h)):  
(b) The date, time and place of this opening (Article 16 (h)):
8. Any deposits and guarantees required (Article 16 (i)):
9. The main procedure for financing and payment and/or references to the instruments regulating these (Article 16 (j)):
10. Where applicable, the specific legal form which must be assumed by the group of contractors to whom the contract is awarded (Article 16 (k)):
11. The minimum economic and technical standards required of the contractors (Article 16 (l)):
12. Period during which the tenderer is bound to keep open his tender (Article 16 (m)):
13. Criteria for the award of the contract. Criteria other than that of the lowest price shall be mentioned if they do not appear in the contract documents (Article 29):
14. Other information:
15. The date of dispatch of the notice (Article 16 (a)):

---

<sup>(1)</sup> The Articles in brackets refer to Council Directive 71/305/EEC of 26 July 1971 (OJ No L 185, 16. 8. 1971, p. 5).

**B. Restricted procedures**

1. Name and address of the authority awarding the contract (Article 17 (a)) <sup>(1)</sup>:
2. The award procedure chosen (Article 17 (a)):
3. (a) The site (Article 17 (a)):  
(b) The nature and extent of the services to be provided and the general nature of the work (Article 17 (a)):  
(c) If the contract is subdivided into several lots, the size of the different lots and the possibility of tendering for one, for several, or for all of the lots (Article 17 (a)):  
(d) Information relating to the purpose of the contract if the contract entails the drawing up of projects (Article 17 (a)):
4. Any time limit for the completion of the works (Article 17 (a)):
5. Where applicable, the specific legal form which must be assumed by the group of contractors to whom the contract is awarded (Article 17 (a)):
6. (a) The final date for the receipt of requests to participate (Article 17 (b)):  
(b) The address to which they must be sent (Article 17 (b)):  
(c) The language or languages in which they must be drawn up (Article 17 (b)):
7. The final date for the dispatch of invitations to tender (Article 17 (c)):
8. Information concerning the contractor's personal position, and the minimum economic and technical standards required of him (Article 17 (d)):
9. The criteria for the award of the contract if these are not stated in the invitation to tender (Article 18 (d)):

Ohmstedt district, Stadtkreis Oldenburg;  
Rastede district, Landkreis Ammerland.  
(b) Surfacing construction, contract section F OL 15.  
Approximate quantities:  
410 000 m<sup>2</sup> frost blanket;  
340 000 m<sup>2</sup> soil stabilization by means of cement to a depth of 20 cm;  
250 000 m<sup>2</sup> concrete carriageway surfacing, 20 cm and 22 cm thick;  
105 000 m joints of various types;  
11 000 m<sup>2</sup> bituminous base course, Type C I, 8 cm thick;  
126 000 m<sup>2</sup> bituminous base course, type C II, 6 cm thick;  
81 000 m<sup>2</sup> bituminous base course, type C II, 10 cm thick;  
58 000 m<sup>2</sup> bituminous base course, type A, 8 cm thick;  
2 200 m<sup>2</sup> asphalt binder course 0/22, 8 cm thick;  
160 000 m<sup>2</sup> asphalt binder course 0/16, 4 cm thick;  
160 000 m<sup>2</sup> bitumen concrete 0/11, 4 cm thick;  
6 500 m<sup>2</sup> concrete sett paving of various types;  
27 000 m<sup>3</sup> topsoil placement;  
53 000 m<sup>2</sup> grass seeding.  
(c) *Unum quid* contract.  
(d)
4. To be completed by 30 July 1978.
5. (a) Address as in 1.  
(b) 30 March 1977.  
(c) DM 160, to be paid into account No 140 700 held by the Regierungshauptkasse Oldenburg with the Bremer Landesbank, Oldenburg (Oldb.), quoting 'Ausschreibung BAB Oldenburg — W'haven (A29) — Deckenlos F OL 15 — zugunsten Kap. 0821, Titel 11931'.
- The application for the tender documents must be accompanied by the bank receipt. The fee will in no event be refunded.
6. (a) 11 a.m. on 27 April 1977.  
(b) Address as in 1.  
(c) German.
7. (a) Tenderers and their authorized representatives.  
(b) 11 a.m. on 27 April 1977, address as in 1.
8. A guarantee amounting to 5 % of the contract price. Only guarantees from a credit insurer or credit institution approved in the Federal Republic of Germany will be accepted.
9. Interim and final payments in accordance with the regulations governing construction work contracts, Part B (VOB/B).
- 10.
11. Tenderers must provide evidence of the following within one week of receiving a request to do so:  
turnover relating to construction and other work comparable with the work being put out to tender, including work done in a consortium or with other group bidders;  
list of similar projects completed in the past three full financial years;  
average manpower per year in the past three full financial years, divided into categories of skills and trades;  
technical equipment available to the tenderer for completion of the work put out to tender;  
inscription in the trade register at the locality of the tenderer's registered office or residence.
12. From the date on which tenders are opened until 30 June 1977 inclusive.
13. In accordance with § 25 of VOB/A, the contract will be awarded to the tender which appears the most acceptable when all technical and economic aspects are taken into account.
14. The tender documents may be inspected at the address given in 1 until such time as the tenders are opened.
15. 10 March 1977.

### Open procedure

1. Autobahnamt Schleswig-Holstein, Gotenstraße 8, Postfach 1109, D - 2350 Neumünster. Telephone: 04321/7851.
2. Public invitation to tender pursuant to the regulations governing construction work contracts, Part A (VOB/A).
3. (a) Federal motorway Hamburg-Lübeck (A 1) Lot 15, construction of the 3rd lane and hard shoulder on the Lübeck-bound carriageway between Reinfeld and Hamberge.  
 (b) 18 000 m<sup>3</sup> topsoil to be placed;  
 225 000 m<sup>3</sup> earth to be moved, including removal of topsoil;  
 22 000 m<sup>3</sup> frost blanket;  
 8 000 m<sup>2</sup> gravel base course;  
 6 000 t bituminous mix;  
 48 000 m<sup>2</sup> cement stabilization of soil;  
 36 000 m<sup>2</sup> concrete surfacing of carriageway;  
 7 500 m drainage trenches and ditches;  
 6 000 m drainage lines;  
 3 000 m drain pipes;  
 2 storm water retention basins.  
 (c)  
 (d)
4. The end of June 1977 until December 1978.
5. (a) Address as in 1.  
 (b) Requests in writing by 29 March 1977.  
 (c) DM 80, excluding postage, COD only.  
 The awarding authority will send the tender documents to all tenderers simultaneously within three working days of the expiry date of the request period. Dispatch will be by post only. Once the tender documents have been handed in at the Neumünster post office, dispatch will be at the tenderers' own risk.
6. (a) 10 a.m. on 10 May 1977.  
 (b) Address as in 1.  
 (c) German.
7. (a) Tenderers and their authorized representatives.  
 (b) 10 a.m. on 10 May 1977 at the address in 1.
8. A guarantee from a credit insurer or credit institution approved in the Federal Republic of Germany is to be provided after award of contract.
9. Interim and final payment in accordance with the regulations governing construction work contract, Part B (VOB/B).
- 10.
11. Minimum financial and technical conditions to be fulfilled by the contractor.  
 Documents to be enclosed with the tender:  
 declaration by the tenderer that any payment obligations under the tax laws of the Federal Republic of Germany have been discharged;  
 declaration by the tenderer that his obligations to pay social security contributions under the laws of the land in which he is domiciled or under Federal laws have been discharged;  
 evidence that the tenderer is entered in the official list of contractors, with details of their resources, who are eligible to undertake public works contracts, if such lists are maintained in the land in which the tenderer is domiciled;  
 declaration that the tenderer belongs to a professional organization in the Federal Republic of Germany or that he will, if awarded the contract, apply for membership of such an organization.  
 Documents which the principal may demand before awarding the contract:  
 evidence from the appropriate tax office that the tenderer has discharged his obligations under the tax laws of the Federal Republic of Germany and that there are no objections from the tax point of view to his being awarded public contracts;  
 evidence from the responsible authorities or a declaration that no bankruptcy or insolvency proceedings have been opened or filed in respect of the tenderer's assets and that the business is not in the process of liquidation;  
 details of the tenderer's turnover on construction projects in the past three financial years;  
 proof of the tenderer's financial standing in the form of a banker's statement;  
 details of construction projects comparable to the work being put out to tender which have been completed in the past three full financial years;  
 details of average manpower in the past three years;  
 details of the technical equipment available to the tenderer for completion of the work being put out to tender;  
 details of the tenderer's inscription in the trade register;  
 details of the tenderer's professional expertise or that of his management personnel;  
 details of the technical personnel the tenderer would employ in carrying out the construction project.
12. 7 June 1977.
13. In accordance with § 25 of VOB/A, the contract will be awarded to the tender which appears the most acceptable when all technical and economic aspects are taken into account. Further award criteria are set out in the tender documents.
- 14.
15. 10 March 1977.

---

**Restricted procedure**

- |   |  |
|---|--|
| 1. Gentofte Kommune, Bernstorffsvej 161, DK - 2920 Charlottenlund.  | 4. 27 months.  |
| 2. Restricted invitation to tender.   | 5.   |
| 3. (a) Niels Andersenvej 12, DK - 2900 Hellerup.  | 6. (a) 31 March 1977.  |
| (b) Rygård Centre — Old People's Welfare Centre, Gentofte Kommune, Denmark.   | (b) CBC Byggeadministration A/S, Kokkedal Industripark 28, DK-2980 Kokkedal.   |
| The contract comprises the following:<br>carcass work — enclosed structure (except for light façade elements) for a two-storey nursing home, a single storey day centre, two-storey sheltered dwellings, gross floor area approximately 10 000 m <sup>2</sup> .<br>The works involved are as follows:<br>earthworks, sewage works, construction of roads and open spaces, foundations and basement structures of concrete cast <i>in situ</i> , wall and floor elements, etc., in prefabricated concrete, roof structures of wood and roofing of tiles, etc., exterior and interior masonry, wall and floor tiling, etc., and external metalwork. | (c) Danish/English.  |
| (c)   | 7. End of April 1977.  |
| (d)   | 8. Documentary evidence of adequate economic and technical resources and of experience of similar work must be supplied. |
|   | 9. Lowest acceptable tender.   |
|   | 10.  |
|   | 11. 11 March 1977.   |

### Restricted procedure

1. Department of the Environment, Contracts Directorate 19, Room N3/06, 2 Marsham Street, UK - London SW1P 3EB.
2. Lowest acceptable offer in competition among selected tenderers.
3. (a) The National Gallery (East Wing), Trafalgar Square, London WC2, England.  
(b) The contract involves the modification and extension of the existing building to provide a new 200-seat lecture theatre in an existing open well, a new public restaurant and kitchens in the existing building, new air-conditioning installation and lighting in existing picture galleries, and general structural modifications, including reroofing to improve existing accommodation. The total area involved is approximately 2 500 m<sup>2</sup>.  
(c) Nominated subcontractors will be recommended by the authority for air conditioning, electrical installations, and lifts.  
The estimated cost of the work is between £1 million and £1.5 million.  
(d)
4. Within 24 months of the date of possession of the site. Completion will be phased, in order to allow public access to 50 % of the picture gallery area at all times, and completion of the restaurant area within the first 12 months.
5. In the event of a group of contractors submitting an acceptable offer, it will be necessary for each member of the group to sign an undertaking that each company or firm in the group will be jointly and severally responsible for the contract.
6. (a) 11 April 1977.  
(b) As in 1.  
(c) English.
7. Approximately mid-June 1977.
8. Proof of inscription of the company on a professional register or the companies register in the United Kingdom or Ireland.  
Balance sheets for the past three years including a statement of turnover on constructional works.  
A statement of the technical qualifications of the managerial and supervisory staff who would be responsible for executing the work, and any previous experience of UK construction practice.  
A list of jobs over one million units of account carried out during the past five years, the value and site of each job and the authority for whom executed.  
Details of plant and machinery available for executing the work.  
Does the contractor propose to use his own labour force or rely on locally recruited work people.  
Companies from Belgium and Italy may submit a 'Certificate of Inscription' in lieu of evidence in support of the first, second and fourth items above.
9. Details of the award criteria will be shown in the tender invitation.
10. Tenders and all supporting documents must be priced in sterling. The contract will be based on the general conditions of government contracts for building and civil engineering works, technical specifications, drawings and bills of quantity. Price fluctuations on labour rates and materials will be permitted in accordance with the variation of price conditions in force within the Department of the Environment at the time of invitation to tender. Progress payments will be made monthly or fortnightly on the basis of a valuation of certified work done and materials delivered to the site. Payments under the contract will be made in sterling.
11. 10 March 1977.

**Restricted procedure**

1. Département du Val de Marne, Direction Départementale de l'Équipement du Val de Marne, Préfecture du Val de Marne, Avenue du Général de Gaulle, F - Creteil Cedex 94011.  
quoting the reference '1977 — C.D. — V.D.M. 9 "Modification et extension de la station de relèvement des Planètes" '.
2. Restricted invitation to tender on price quotations.
3. (a) The site is at Maisons Alfort, avenue de Verdun.  
(b) The works comprise alterations and extensions to the pumping station 'des Planètes'.  
(c) The contract will be divided into two lots, viz. the main lot (civil engineering) and the subsidiary lot (equipment). Firms may tender for one lot or for both.  
(d)
4. Firm phase: 18 months.  
Conditional phase: 6 months.  
The contractual period of 24 months for the completion of all the works will not be reduced, even if the time schedules for the two phases overlap.
5. Consortia must have joint and several liability.
6. (a) 4 p.m. on 7 April 1977.  
(b) Monsieur le Directeur Départemental de l'Équipement, Direction de l'Équipement, Bureau des Marchés et Entreprises, 38 rue de Stalingrad, F - 94110, Arcueil,
- 7.
8. A declaration on plain paper stating the surname, forenames, capacity, domicile and date and place of birth of the tenderer and stating his intention to tender;  
a note giving details of the place, date, nature and value of works carried out by the contractor during the past three years together with the names and capacities of the experts who supervised these works; details must also be given of the resources and organizational procedures to be used by the contractor in order to meet the completion date set; the declaration required by the Arrêté ministériel de l'Économie et des Finances of 17 October 1973 implementing Article 251 of the French Code des Marchés Publics relating to the formalities to be observed by firms tendering for state contracts.
9. Safety of the personnel during execution of the earthworks; safety of the personnel during execution of the demolition works; safety of the personnel during the electrical and mechanical installation of the equipment.
10. Further information may be obtained from Monsieur Dang Vu Quy, E.A. 02, 24 rue Camélinat, F - 94 Vitry sur Seine.
11. 10 March 1977.

**Restricted procedure**

1. Land Berlin, represented by the Senator für Bau- und Wohnungswesen, Württembergische Straße 6-10, D - 1000 Berlin 31.
  - (b) Senator für Bau- und Wohnungswesen — VII bCl — address as in 1.
  - (c) German.
2. Restricted invitation to tender with public preselection in accordance with the regulations governing construction works contracts, Part A (VOB/A).
3. (a) Berlin, 'Bezirk' Tempelhof.
  - (b) 13th stage of building for the Neukölln section of the motorway 'Brücke über die Gottlieb-Dunkel-Straße, Bw. S 90'.

Construction of a double span prestressed concrete skew bridge as a hollow box girder structure on solid abutments plus supporting walls under extremely difficult traffic conditions in the city centre. The contract includes the following approximate quantities:

5 800 m<sup>3</sup> earth moving;  
7 000 m<sup>3</sup> reinforced concrete Bn 250/450;  
650 t reinforced concrete;  
165 t prestressed concrete.

Scaffolding for two superstructures with plan areas of approximately 2 670 m<sup>2</sup>.
  - (c)
  - (d)
4. Work to commence on 1 September 1977 and to be completed by 31 December 1978.
- 5.
6. (a) 12 April 1977.
  - (b) Senator für Bau- und Wohnungswesen — VII bCl — address as in 1.
  - (c) German.
7. 22 April 1977.
8. Only firms which can provide evidence that they have successfully carried out the building procedures mentioned in 3 (b) and who have the necessary specialist knowledge and ability plus adequate technical and financial resources to fulfil the terms of the contract will be invited to tender.

Offers should be accompanied by the following information:

turnover of the firm and manpower in the past three financial years;

detailed information on comparable works previously carried out under extremely difficult traffic conditions in city centres in the past five financial years and proof of successful completion.

Applications from sound consortia with competent central leadership will be accepted.
9. In accordance with § 25 of VOB Part A, the contract will be awarded to the tender which appears the most acceptable when all technical and economic aspects are taken into account.
10. Information may be obtained from the awarding authority at the address given in 6 (b) — Monday to Friday from 9.00 a.m. to 3.00 p.m. (Room 456) or obtained by telephone — number 030/867-1 or 030/8675069 by direct dialling.
11. 10 March 1977.

### Restricted procedure

1. City of Sheffield, Town Hall, UK - Sheffield S1 2HH.  
Names of professional advisers to authority awarding contract: Architect: J. Winter, Town Hall, UK - Sheffield S1 2HH.  
Quantity surveyor: R. S. Caulton & Co., 798 Chesterfield Road, UK - Sheffield S8 OSF.
2. The award procedure will be the lowest acceptable offer in competition among selected contractors.
3. (a) Approximately seven and a half miles south east of Sheffield city centre. To the north of Mosborough north grid road (Owlthorpe Greenway) Sheffield 19.  
(b) The work consists of the erection of two bungalows, one disabled persons bungalow, 53 houses and 28 flats. The construction is of brick cavity walls, concrete and timber ground floors, pitched roofs with tiles, block and paramount internal partitions. The works are complete with all services including external works and site development.  
(c) The contract will not be divided into lots.  
(d) The contract does not involve the drawing up of a project.
4. The contract period is 76 weeks from the date for possession which is expected to be 4 July 1977.
5. Standard form of building contract (local authorities edition) 1963 edition with quantities, with the following amendments:  
Clause 17 — labour only contracting will not be permitted.  
Clause 23 (j) (i) will not apply.  
Clause 23 (j) (ii) will apply.  
Clause 30A will apply — The contractor will be required to declare that to the best of his knowledge and belief he has complied with the pay limits since they came into operation.  
Clause 31B — will apply.
6. (a) 31 March 1977.  
(b) The Chief Quantity Surveyor, Department of Planning and Design, Town Hall, UK - Sheffield S1 2HH.  
(c) English.
7. 14 April 1977.
8. The contractor will be required to produce the following information:  
proof that none of the circumstances set out in Article 23 apply to the contractor (Directive 71/305/EEC);  
proof of the contractors' financial and economic standing as set out in Article 25 (a), (b) and (c);  
proof of the contractors' technical knowledge and ability as set out in Article 26 (a), (b), (c), (d) and (e).
9. The award procedure will be the lowest acceptable offer in competition among selected contractors.
10. The contract title is 84 dwellings, Waterthorpe 2B (Phase 1).  
The contract reference is H25094A.  
The contract will incorporate a labour and materials fluctuations provision.  
The approximate date for submission of tenders is 16 May 1977.  
The approximate contract value is £850 000.  
The rate of liquidated and ascertained damages will be £20 per week/per uncompleted dwelling.  
It should be noted that it is the authority's intention to offer further new works of a similar nature to the successful contractor, subject to satisfactory performance and standards of workmanship in relation to this contract. These additional works value approximately £2 million and commence on sites at various times up to and including December 1978.
11. 9 March 1977.

### Restricted procedure

1. The County Council of Hertfordshire, County Hall, UK - Hertford, Hertfordshire.
2. Lowest acceptable offer in competition among selected tenderers.
3. (a) St Albans is situated 32 km north-west of the centre of London. The site is on the A405 trunk road to the south-west of St Albans, between the Humming Bird roundabout and Park Street roundabout.  
(b) Scheme I.  
Improvement of approximately 1.8 km of trunk road to dual carriageway standard by reconstruction of the existing carriageway and provision of a new carriageway in flexible pavement. No bridgeworks are involved. Estimated cost of the whole works is between £415 000 and £1 million (excluding statutory undertakers works).  
(c)  
(d)
4. 15 months from the date of commencement of the works as notified by the engineer to the contractor.
5. In the event of a group of contractors submitting an acceptable offer it will be necessary for each member of the group to sign an undertaking that each company or firm in the group will be jointly and severally responsible for the due performance of the contract.
6. (a) 7 April 1977.  
(b) The Department of Transport, Con (H) 4, Room S3/02, 2 Marsham Street, UK - London SW1P 3EB.  
(c) English.
7. Approximately early June 1977 subject to completion of statutory processes.
8. Proof of inscription of the company on a professional register or the companies register in the United Kingdom or Ireland.  
Balance sheets/accounts for the past three years including a statement of turnover on construction work and proportion of turnover on civil engineering work and a banker's reference.  
A statement of technical qualifications of the managerial and supervisory staff who would be responsible for executing the work and any previous experience of UK construction practice.  
A list of works over one million units of account carried out during the past five years, the value, type of work, site and authority (with address of authority) for whom work was executed.  
Details of plant and machinery available for executing the work.  
Whether the contractor proposes to use his own labour force or to rely on locally recruited labour.
9. Details of the award criteria will be shown in the tender invitation.
10. The contract will be based on the Institution of Civil Engineers conditions of contract for use in connection with works of civil engineering construction fifth edition as modified by the Department of the Environment for use in highway works contracts, the specification for road and bridge works, drawings and bills of quantities. Price fluctuations on labour and materials will be permitted.  
Interim payments will be made monthly on the basis of the valuation of work executed and materials delivered to the site.
11. 9 March 1977.

---

**Restricted procedure**

1. Direction Départementale de l'Équipement de la Haute-Garonne, Cité Administrative — Bâtiment A, Boulevard Armand Duportal, F - 31074, Toulouse, Cédex.
2. Restricted invitation to tender with public preselection.
3. (a) Département of Haute-Garonne. Commune of Toulouse.  
(b) Reference number and title of operation:  
Fonds spécial d'investissement routier (F.S.I.R.), Operation No 56 A 31 J2. Toulouse south ring road, carriageways.
