

- the present road surface, the base course and the asphalt surfacing,
- improving the existing drainage,
 - widening a 38 m bridge and a 42 m bridge from one lane to two lanes.

The works will be the subject of a restricted invitation to tender following the preselection procedure announced by notice of invitation to tender No 1276, published in the *Official Journal of the European Communities* No C 149 of 24 June 1977.

Corrigendum to invitation to tender No 1285

Invitation to tender No 1285 issued by the Department of French Guiana, published in *Official Journal of the European Communities* No C 215 of 8 September 1977, for the supply of metal posts,

is corrected as follows:

The amendments only concern the part A of the invitation to tender dossier which is in French only.

Clauses IX.1 and XIV.2:

Port of Degrade des Cannes is to be read instead of Port of Larivot.

.....

The rest of the text remains unchanged.
