

Notice of initiation of anti-dumping/anti-subsidy procedure concerning kraft liner originating in the United States of America

The Commission has received information indicating that dumping is being practised or that bounties or subsidies are being granted in respect of imports of kraft liner ⁽¹⁾, originating in the United States of America, and that this is causing injury to a Community industry.

In conjunction with the Member States, the Commission has accordingly commenced examination of the matter at Community level in accordance with Council Regulation (EEC) No 459/68 of 5 April 1968 on protection against dumping or the granting of bounties or subsidies by countries which are not members of the European Economic Community ⁽²⁾, as modified by Regulations (EEC) No 2011/73 ⁽³⁾ and (EEC) No 1411/77 ⁽⁴⁾.

Any information relating to the matter may be sent in writing to the Commission of the European Communities, Directorate-General for External Relations, 200 rue de la Loi, B-1049 Brussels ⁽⁵⁾.

Interested parties may, within 30 days following publication of this notice, make known their views in writing, in particular by replying to the questionnaire addressed to the parties known to be concerned and by providing supporting evidence.

Furthermore, the Commission will hear parties directly concerned who so request when making known their views to the Commission, provided they can show that they have an interest sufficient to entitle them to express their views more fully.

This notice is published in pursuance of Articles 10 (2) and 25 of the aforementioned Regulation.
