Communication made in accordance with Article 93 (2) of the EEC Treaty to parties concerned, other than the Member States, concerning Article 2 of draft Law No 502/ARS providing for subsidies for flour mills

(84/C 238/03)

The Commission has initiated the procedure laid down in Article 93 (2) of the EEC Treaty in respect of the said provisions, which provide for subsidies equal to 70 % of the ordinary interest which flour mills have paid for four years to credit institutions in respect of operations closely connected with their production activities.

The Commission would point out that the procedure laid down in Article 93 (3) of the EEC Treaty has a suspensory effect and that any aid granted before the Commission has reached its final decision under the said procedure is likely to be the subject of a request for repayment.

Under this procedure and in accordance with the first sentence of Article 93 (2) of the EEC Treaty, the Commission hereby gives notice to all parties concerned, other than the Member States, to submit their comments on the measures in question within one month from the date of this publication, to the following address:

Commission of the European Communities,
