

Commission communication on the granting of financial support to 183 projects for the promotion of energy technology — Thermie programme

(94/C 199/05)

(Text with EEA relevance)

The Commission has recently decided as follows:

- an amount of ECU 147 096 389 has been awarded under the Thermie programme as financial support to 183 projects for the promotion of energy technology (Annex I),
- a reserve list of 57 replacement projects is established (Annex II).

Copies of Annexes I and II may be obtained on request (in writing) to:

Commission of the European Communities,
Directorate-General for Energy,
Thermie 94,
200, rue de la Loi, Terv 1/1,
B-1049 Brussels,
