(2001/C 240 E/06)

COM(2000) 623 final — 2000/0252(CNS)

(Submitted by the Commission on 5 October 2000)

THE COUNCIL OF THE EUROPEAN UNION,

Having regard to the Treaty establishing the European Community, and in particular Article 37 thereof,

Having regard to the proposal from the Commission,

Having regard to the opinion of the European Parliament,

Having regard to the opinion of the Economic and Social Committee,

Whereas:

(1) Title IIa of Council Regulation (EEC) No 1035/72 of 18 May 1972, on the common organisation of the market in fruit and vegetables ⁽¹⁾, provides for various specific measures to make good the inadequacy of production and marketing facilities for certain nuts and locust beans. Aid is provided to producer organisations which have received specific recognition and which have submitted a plan approved by the competent authority for improving the quality and the marketing of their produce.

(2) Regulation (EEC) No 1035/72 was repealed by Council Regulation (EC) No 2200/96 ⁽²⁾. However, as specified by Article 53 of Regulation (EC) No 2200/96, any rights acquired by producer organisations in application of Title IIa of Regulation (EEC) No 1035/72 are maintained until exhausted.

(3) The specific aid granted towards the drawing up and implementation of the quality and marketing improvement plan as specified in Article 14(d)(2) of Regulation (EEC) No 1035/72 is restricted to a period of 10 years and the maximum level of aid degressive to allow a progressive shift of financial responsibility on to the producers.

(4) A number of plans expired in 2000, having completed the 10th year.

(5) Regulation (EC) No 2200/96 provides that the Commission shall send the Council a report on the operation of this Regulation. This report shall include an assessment of the results of the specific measures for nuts and locust beans carried out under Title IIa of Regulation (EEC) No 1035/72 and may provide for further support measures. Until such time, those producer organisations whose improvement plans expire in 2000, and who continue to fulfil the recognition criteria, may request continued financing of their plans within the 2001 budget.

(6) Only aid applications in respect of work carried out until 15 June 2001 qualify for financing within the 2001 budget.

(7) In order to simplify administrative procedures, aid is limited to a maximum of those areas for which an aid application was made in the 10th year of the plan.

(8) The above-mentioned period of up to one year is not sufficient to complete work of grubbing operations followed by replanting and/or varietal reconversion. The maximum aid per hectare therefore should be paid in respect of other operations as specified in Article 2(1) third subparagraph and paragraph 2 of Council Regulation (EEC) No 790/89 ⁽³⁾,

HAS ADOPTED THIS REGULATION:
