of 27 July 1976

extending for the fifth time the system of temporary partial suspension of the Common Customs Tariff duties on wine originating in and coming from Turkey provided for in Regulation (EEC) No 2823/71

THE COUNCIL OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community, and in particular Article 43 thereof,

Having regard to the proposal from the Commission,

Having regard to the opinion of the European Parliament ⁽¹⁾,

Whereas Regulation (EEC) No 2823/71 ⁽²⁾, as last amended by Regulation (EEC) No 2916/75 ⁽³⁾, established, pending the adoption of a definitive system, a provisional system for the importation of wines originating in and coming from, in particular, Turkey into the Community; whereas since the definitive system has not yet been adopted for Turkey, the provisional system must be extended under the same conditions as those under which it was set up, so as to avoid any interruption which might harm wine exports from that country to the Community; whereas the period of validity of this provisional system must end on the date when the definitive system is implemented,

HAS ADOPTED THIS REGULATION :

Article 1

1. The customs duties on imports into the Community of wine of fresh grapes falling within heading No

ex 22.05 of the Common Customs Tariff, originating in and coming from Turkey, shall amount to 60 % of the Common Customs Tariff duties applicable on the date of importation.

2. Paragraph 1 shall apply only if the conditions set out in the second subparagraph of Article 9 (3) of Council Regulation (EEC) No 816/70 of 28 April 1970 laying down additional provisions for the common organization of the market in wine ⁽⁴⁾, as last amended by Regulation (EEC) No 1167/76 ⁽⁵⁾, are satisfied.

COUNCIL REGULATION (EEC) No 1848/76
of 27 July 1976

laying down general rules for the import of wines, grape juice and grape must

THE COUNCIL OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community,

Having regard to Council Regulation (EEC) No 816/70 of 28 April 1970 laying down additional provisions for the common organization of the market in wine⁽¹⁾, as last amended by Regulation (EEC) No 1167/76⁽²⁾, and in particular Article 28 (1a) thereof,

Having regard to the proposal from the Commission,

Whereas Regulation (EEC) No 1599/71⁽³⁾, as last amended by Regulation (EEC) No 679/75⁽⁴⁾, lays down additional conditions to be met by imported wines for direct human consumption; whereas Regulation (EEC) No 1160/76⁽⁵⁾ amended Article 28 of Regulation (EEC) No 816/70 by including in this Article certain provisions of Regulation (EEC) No 1599/71 and by extending its scope to all wines and grape must; whereas Regulation (EEC) No 1599/71 should therefore be replaced;

Whereas, for the sake of clarity, it should be stated that references to Regulation (EEC) No 1599/71, repealed by this Regulation, are to be taken as references to this Regulation, and in particular those contained in Council Regulation (EEC) No 2133/74 of 8 August 1974 laying down general rules for the description and presentation of wines and grape must⁽⁶⁾, as last amended by Regulation (EEC) No 1168/76⁽⁷⁾;

Whereas Article 28 of Regulation (EEC) No 816/70 provides that the imported products covered by this Article must be accompanied by a certificate and an analysis report issued by a body or service designated by the third country in which the products originate; whereas the conditions which the analysis report must meet have to be laid down;

Whereas provision should be made pursuant to subparagraph (b) of Article 28 (1a) of Regulation (EEC) No 816/70 for dispensing with the certificate and analysis report in the case of certain products which are imported from third countries in limited quantities and packed in small containers; whereas, to simplify

controls, the condition as to quantity may be considered as fulfilled in the case of imports from third countries whose total annual exports to the Community are already very small; whereas, in this case, to avoid deflection of trade, the wines must not only originate in these countries but must be imported from them,

HAS ADOPTED THIS REGULATION:

Article 1

The analysis report mentioned in the second indent of subparagraph (a) of Article 28 (1) of Regulation (EEC) No 816/70 shall:

1. be drawn up by an official laboratory recognized by the third country in which the products originate and included in a list to be decided on;
2. give the following information:
 - (a) in the case of wines and grape must in fermentation:
 - the total alcoholic strength,
 - the actual alcoholic strength;
 - (b) in the case of grape must and grape juice:
 - the density;
 - (c) in the case of wines, grape must and grape juice:
 - the total dry extract,
 - the total acidity,
 - the volatile acid content,
 - the citric acid content,
 - the total sulphur dioxide content,
 - the presence of varieties obtained from inter-specific crossings (direct producer hybrids) or other varieties not belonging to the *Vitis vinifera* species.

Article 2

1. No certificate or analysis report shall be required for products imported from third countries in containers of two litres or less and forming part of consignments of less than 60 litres.

⁽⁷⁾ OJ No L 135, 24. 5. 1976, p. 46.

2. The certificate and analysis report shall also be dispensed with for wines in containers of two litres or less originating in and imported from third countries whose annual exports to the Community are less than 1 000 hectolitres.

3. The third countries mentioned in paragraph 2 shall be listed in the implementing rules.

Article 3

1. Regulation (EEC) No 1599/71 is hereby repealed.

2. References to the Regulation repealed by paragraph 1, and in particular those contained in Articles 27 (1) (a), 28 (1) (d) and 35 (1) (c) of Regulation (EEC) No 2133/74, shall be taken as references to this Regulation.

Article 4

Should transitional measures be necessary to facilitate the transition to the system established by this Regula-

tion, in particular if the introduction of that system on the date provided for would give rise to substantial difficulties, such measures shall be laid down in the implementing rules.

Article 5

This Regulation shall enter into force on the third day following its publication in the *Official Journal of the European Communities*.

This Regulation shall apply from 1 September 1976. However, as regards grape juice (including grape must) not containing spirit and with an added sugar content exceeding 30 % by weight falling within heading No 20.07 of the Common Customs Tariff, it shall apply from the second date referred to in the second paragraph of Article 41 of Regulation (EEC) No 1160/76.

This Regulation shall be binding in its entirety and directly applicable in all Member States.

COMMISSION REGULATION (EEC) No 1856/76
of 29 July 1976

fixing the refunds applicable to cereals and wheat or rye flour groats and meal

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community,

Having regard to Council Regulation (EEC) No 2727/75 of 29 October 1975 on the common organization of the market in cereals⁽¹⁾, as last amended by Regulation (EEC) No 1143/76⁽²⁾, and in particular the first sentence of the fourth subparagraph of Article 16 (2) thereof,

Having regard to the opinion of the Monetary Committee,

Whereas Article 16 of Regulation (EEC) No 2727/75 provides that the difference between quotations or prices on the world market for the products listed in Article 1 of that Regulation and prices for those products in the Community may be covered by an export refund;

Whereas Article 2 of Council Regulation No (EEC) No 2746/75 of 29 October 1975 laying down general rules for granting export refunds on cereals and criteria for fixing the amount of such refunds⁽³⁾, provides that when refunds are being fixed account must be taken of the existing situation and the future trend with regard to prices and availabilities of cereals on the Community market on the one hand and prices for cereals and cereal products on the world market on the other; whereas the same article provides that it is also important to ensure equilibrium and the natural development of prices and trade on cereal markets and, furthermore, to take into account the economic aspect of the proposed exports and the need to avoid disturbances on the Community market;

Whereas Article 3 of Regulation (EEC) No 2746/75 defines the specific criteria to be taken into account when the refund on cereals is being calculated;

Whereas these specific criteria are defined, as far as wheat and rye flour, groats and meal are concerned, in Article 4 of Regulation (EEC) No 2746/75; whereas, furthermore, when the refund on these products is being calculated, account must be taken of the quantities of cereals required for their manufacture; whereas

these quantities were fixed in Regulation No 162/67/EEC⁽⁴⁾, as amended by Regulation (EEC) No 1607/71⁽⁵⁾;

Whereas the world market situation or the specific requirements of certain markets may make it necessary to vary the refund for certain products according to destination;

Whereas the refund must be fixed at least once a month; whereas it may be altered in the intervening period;

Whereas, if the refund system is to operate normally, refunds should be calculated on the following basis:

- in the case of currencies which are maintained in relation to each other, at any given moment, within a band of 2.25 %, a rate of exchange based on their effective parity;
- for other currencies an exchange rate based on the arithmetic mean of the spot market rates of each of these currencies recorded for a given period, in relation to the Community currencies referred to in the previous subparagraph;

Whereas it follows from applying the rules outlined above to the present situation on the market in cereals, and in particular to quotations or prices for these products within the Community and on the world market, that the refunds, should be fixed as shown in the Annex to this Regulation;

Whereas the measures provided for in this Regulation are in accordance with the opinion of the Management Committee for Cereals,

HAS ADOPTED THIS REGULATION:

Article 1

The refunds on the products listed in Article 1 (a), (b) and (c) of Regulation (EEC) No 2727/75, exported in the natural state, are hereby fixed as shown in the Annex to this Regulation.

fixing the corrective amount applicable to the refund on cereals

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the opinion of the Monetary Committee,

Whereas Article 16 (4) of Regulation (EEC) No 2727/75 provides that the export refund applicable to cereals on the day on which application for an export licence is made, adjusted for the threshold price in force during the month of exportation, must be applied on request to exports to be effected during the period of validity of the export licence; whereas, in this case, the corrective amount must be applied to the refund;

Whereas Council Regulation (EEC) No 2744/75 of 29 October 1975 on the import and export system for products processed from cereals and from rice⁽⁴⁾, made possible the fixing of a corrective amount for certain products listed in Article 1 (c) of Regulation (EEC) No 2727/75;

Whereas Regulation (EEC) No 1281/75⁽⁵⁾ laid down detailed rules for the advance fixing of export refunds for cereals and certain products processed from cereals;

Whereas, pursuant to that Regulation, when the corrective amount is being fixed account must be taken of the existing situation and the future trend with regard to prices and availabilities of cereals on the Commu-

nity market on the one hand and prices for cereals and cereal products on the world market on the other; whereas the same Article provides that it is also important to ensure equilibrium and the natural development of prices and trade on cereal markets and, furthermore, to take into account the economic aspect of the proposed exports and the need to avoid disturbances on the Community market;

Whereas for the products listed in Article 1 (c) of Regulation (EEC) No 2727/75 account should be taken of the specific criteria laid down in Article 2 (2) of Regulation (EEC) No 1281/75;

Whereas the world market situation or the specific requirements of certain markets may make it necessary to vary the corrective amount according to destination;

Whereas the corrective amount must be fixed at the same time as the refund and according to the same procedure;

Whereas it may be altered in the period between fixings;

Whereas, if the system of corrective amounts is to operate normally, corrective amounts should be calculated on the following basis:

- in the case of currencies, which are maintained in relation to each other, at any given moment, within a band of 2.25 %, a rate of exchange based on their effective parity;
- for other currencies an exchange rate based on the arithmetic mean of the spot market rates of each of these currencies recorded for a given period, in relation to the Community currencies referred to in the preceding subparagraph;

COMMISSION REGULATION (EEC) No 1858/76

of 29 July 1976

fixing the corrective amount applicable to the refund on malt

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community,

Having regard to Council Regulation (EEC) No 2727/75 of 29 October 1975 on the common organization of the market in cereals⁽¹⁾, as last amended by Regulation (EEC) No 1143/76⁽²⁾, and in particular the third sentence of the second subparagraph of Article 16 (4) thereof,

Having regard to Council Regulation (EEC) No 2746/75 of 29 October 1975 laying down general rules for granting export refunds on cereals and criteria for fixing the amount of such refunds⁽³⁾,

Having regard to the opinion of the Monetary Committee,

Whereas Article 16 (4) of Regulation (EEC) No 2727/75 provides that the export refund applicable to cereals on the day on which application for an export licence is made, adjusted for the threshold price in force during the month of exportation, must be applied on request to exports to be effected during the period of validity of the export licence; whereas, in this case, the corrective amount must be applied to the refund;

Whereas Council Regulation (EEC) No 2744/75 of 29 October 1975 on the import and export system for products processed from cereals and from rice⁽⁴⁾, made possible the fixing of a corrective amount for certain products listed in Article 1 (d) of Regulation (EEC) No 2727/75;

Whereas Regulation (EEC) No 1281/75⁽⁵⁾ laid down detailed rules for the advance fixing of export refunds for cereals and certain products processed from cereals;

Whereas, pursuant to that Regulation, when the corrective amount is being fixed in respect of malt, account must be taken of the existing situation and the future trend with regard to the possibilities and conditions for the sale of the cereals concerned and of malt on the world market; whereas the same Regulation also provides that account must be taken of the quantity of cereals needed for making malt, the economic aspect

of exports and the need to prevent disturbances on the Community market;

Whereas the world market situation or the specific requirements of certain markets may make it necessary to vary the corrective amount according to destination;

Whereas the corrective amount must be fixed at the same time as the refund and according to the same procedure; whereas it may be altered in the period between fixings;

Whereas, if the system of corrective amounts is to operate normally, corrective amounts should be calculated on the following basis:

- in the case of currencies, which are maintained in relation to each other, at any given moment, within a band of 2.25 %, a rate of exchange based on their effective parity,
- for other currencies an exchange rate based on the arithmetic mean of the spot market rates of each of these currencies recorded for a given period, in relation to the Community currencies referred to in the preceding subparagraph;
