COMMISSION REGULATION (EEC) No 1516/77

of 6 July 1977

amending Regulation (EEC) No 776/73 on registration of contracts and communication of data with respect to hops

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community,

Having regard to Council Regulation (EEC) No 1696/71 of 26 July 1971 on the common organization of the market in hops⁽¹⁾, as last amended by Regulation (EEC) No 1170/77⁽²⁾, and in particular Articles 12 (8) and 18 thereof,

Whereas Article 12 (3) thereof provides that, in regions of the Community where recognized producer groups ensure to their members a fair income and administer supply in a rational manner, aid will be granted only to these groups;

Whereas the said Regulation provides that the Council, acting on a proposal from the Commission based on communications from the Member States, is to adopt a list of such regions; whereas provision must therefore be made for the Member States to communicate to the Commission the regions which fulfil the conditions mentioned above;

Whereas, in order to enable the Council to adopt the list of these regions for each harvest before cultivation begins, it is necessary for the communications from Member States to reach the Commission in time;

Whereas the Commission must be in a position to bring up to date before each harvest the breakdown of the hop varieties cultivated in the Community into the groups of varieties referred to in Article 12 (5) of Regulation (EEC) No 1696/71;

Whereas the said Article 12 (5) provides that account is to be taken, when calculating aid, of income at the level of the recognized producer groups; whereas Member States must therefore communicate their data distinguishing between groups and individual producers;

Whereas an addition to this effect should be made to Commission Regulation (EEC) No 776/73 of 20 March 1973 on registration of contracts and communication of data with respect to hops⁽³⁾, as last amended by Regulation (EEC) No 209/77⁽⁴⁾;

Whereas the measures provided for in this Regulation are in accordance with the opinion of the Management Committee for Hops,

HAS ADOPTED THIS REGULATION:

Article 1

The following Article 3a is hereby added to Regulation (EEC) No 776/73:

Article 3a

Each Member State shall communicate each year:

- (a) before 1 February of the harvest year for which the production aid may be granted, the list of regions referred to in the first subparagraph of Article 12 (3) of Regulation (EEC) No 1696/71;
- (b) before 31 March of the harvest year for which the production aid may be granted, the varieties of hops cultivated on the registered area referred to in Article 13 of Regulation (EEC) No 1696/71 for the preceding harvest, and their alpha-acid content.

Article 2

There is hereby added to the first subparagraph of Article 4 (1) and to the first paragraph of Article 6 of Regulation (EEC) No 776/73 the following words:

'and distinguishing between recognized producer groups and individual producers.'

This Regulation shall be binding in its entirety and directly applicable in all Member States.

COMMISSION REGULATION (EEC) No 1517/77**of 6 July 1977****fixing the list of the various groups of hop varieties cultivated in the Community**

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community,

Having regard to Council Regulation (EEC) No 1696/71 of 26 July 1971 on the common organization of the market in hops⁽¹⁾, as last amended by Regulation (EEC) No 1170/77⁽²⁾, and in particular Article 12(8) thereof,

Whereas, with effect from the 1977 harvest, pursuant to Article 12(5) of Regulation (EEC) No 1696/71, production aid for hops will differ according to group of varieties;

Whereas these groups, three in number, are defined according to commercial practice on the Community and world hop market on the basis of the final use of

the hops in brewing by reference to common characteristics, with the emphasis placed on the content of bitter and aromatic substances; whereas for this reason the varieties of hop cultivated in the Community must be classified into the groups 'aromatic hops', 'bitter hops' and 'others';

Whereas the measures provided for in this Regulation are in accordance with the opinion of the Management Committee for Hops,

HAS ADOPTED THIS REGULATION:

Sole Article

The list of varieties of hops in the groups 'aromatic hops', 'bitter hops' and 'other' varieties, within the meaning of Article 12(5) of Regulation (EEC) No 1696/71, is set out in the Annex hereto.

This Regulation shall be binding in its entirety and directly applicable in all Member States.

COMMISSION REGULATION (EEC) No 1518/77

of 6 July 1977

enabling short-term private storage contracts to be concluded for table wines
closely related economically to the RI type of table wine

THE COMMISSION OF THE EUROPEAN
COMMUNITIES,

Having regard to the Treaty establishing the European
Economic Community,

Having regard to Council Regulation (EEC) No
816/70 of 28 April 1970 laying down additional provi-
sions for the common organization of the market in
wine⁽¹⁾, as last amended by Regulation (EEC) No
528/77⁽²⁾, and in particular the first subparagraph of
Article 5(7) thereof,

Whereas the second subparagraph of Article 5(2)
thereof provides that, if the state of the market so
requires, a decision may be taken to allow short-term
storage contracts to be concluded in respect of table
wines other than those of the type for which this possi-
bility exists they may be concluded, where such table
wines are closely related economically to that type of
table wine;

Whereas Commission Regulation (EEC) No 1328/77
of 21 June 1977⁽³⁾ enabled short-term private storage
contracts to be concluded for the RI type of table
wine;

Whereas table wine prices on the Community market
are at present falling; whereas this trend has been
marked by the fact that intervention measures have
had to be brought into effect for the RI type of table
wine; whereas, however, large quantities of red table
wines that are closely related economically to the RI
type of table wine are on the market and are subject
to the general decline in prices;

Whereas these red table wines that are closely related
economically to the RI type of table wine are not

covered by the said intervention measures, and
consequently may prevent the measures taken from
having the effect desired; whereas, therefore, storage
contracts should be allowed to be concluded for such
red table wines;

Whereas the measures provided for in this Regulation
are in accordance with the opinion of the Manage-
ment Committee for Wine,

HAS ADOPTED THIS REGULATION:

Article 1

1. The power to conclude short-term private
storage contracts for the the RI type of table wine
granted by Regulation (EEC) No 1328/77 is hereby
extended to red table wines that are closely related
economically to the RI type of table wine.
2. Red table wines with an actual alcoholic strength
of not less than 12° and not more than 12.5°, and
which do not fall within type R III, shall be consid-
ered to be closely related economically to the RI type
of table wine.
3. The power referred to in paragraph 1 shall
continue for as long as the same power exists under
Regulation (EEC) No 1328/77 for the RI type of table
wine.

Article 2

This Regulation shall enter into force on the day
following its publication in the *Official Journal of
the European Communities*.

This Regulation shall be binding in its entirety and directly applicable in all Member
States.

Having regard to Council Regulation (EEC) No 1569/72 of 20 July 1972 laying down special measures for colza and rape seed⁽³⁾, as last amended by Regulation (EEC) No 3477/73⁽⁴⁾,

Having regard to the opinion of the Monetary Committee,

Whereas, pursuant to Article 9 (4) of Regulation (EEC) No 2300/73, the Commission must determine the world market price for colza and rape seed;

COMMISSION

COMMISSION DECISION

of 13 June 1977

extending the period of validity of the Commission Decision of 13 March 1975 laying down detailed rules for retrospective control of imports of shoes into the Community

(77/424/EEC)

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community,

Having regard to Council Regulation (EEC) No 1439/74 of 4 June 1974 establishing common rules for imports⁽¹⁾, and in particular Article 7 thereof,

Having regard to Council Regulation (EEC) No 109/70 of 19 December 1969 establishing common rules for imports from State-trading countries⁽²⁾, and in particular Article 6 (1) (a) thereof,

Consultations having been held within the Committees set up under Article 5 of each of the said Regulations;

Whereas by the Commission Decision of 13 March 1975⁽³⁾, the Commission established detailed rules for retrospective control of imports of shoes into the Community; whereas such retrospective control is due to expire on 30 June 1977;

Whereas the reason which originally led the Commission to take such action, that is to say the considerable increase of imports of shoes into the Community which is affecting a particularly sensitive sector of Community industry, continues to apply; whereas it is therefore necessary to prolong retrospective control of imports of shoes into the Community,

HAS ADOPTED THIS DECISION :

Article 1

The period of validity of the Commission Decision of 13 March 1975 establishing a retrospective control of imports of shoes is hereby extended to 31 December 1978.

Article 2

This Decision shall apply from 1 July 1977 to 31 December 1978.

Article 3

This Decision is addressed to the Member States.

Done at Brussels, 13 June 1977.
