COMMISSION REGULATION (EEC) No 821/79

of 26 April 1979

fixing minimum levies on the importation of olive oil and levies on the importation of other olive oil sector products

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community,

Having regard to Council Regulation No 136/66/EEC of 22 September 1966 on the establishment of a common organization of the market in oils and fats⁽¹⁾, as last amended by Regulation (EEC) No 590/79⁽²⁾, and in particular Article 16 (2) thereof,

Having regard to Council Regulation (EEC) No 2749/78 of 23 November 1978 on trade in oils and fats between the Community and Greece⁽³⁾, and in particular Article 5 (2) thereof,

Having regard to Council Regulation (EEC) No 1514/76 of 24 June 1976 on imports of olive oil originating in Algeria⁽⁴⁾, as amended by Regulation (EEC) No 2761/78⁽⁵⁾, and in particular Article 5 thereof,

Having regard to Council Regulation (EEC) No 1521/76 of 24 June 1976 on imports of olive oil originating in Morocco⁽⁶⁾, as last amended by Regulation (EEC) No 2761/78, and in particular Article 5 thereof,

Having regard to Council Regulation (EEC) No 1508/76 of 24 June 1976 on imports of olive oil originating in Tunisia⁽⁷⁾, as amended by Regulation (EEC) No 2761/78, and in particular Article 5 thereof,

Having regard to Council Regulation (EEC) No 1180/77 of 17 May 1977 on imports into the Community of certain agricultural products originating in Turkey⁽⁸⁾, as amended by Regulation (EEC) No 2766/78⁽⁹⁾, and in particular Article 10 (2) thereof,

Having regard to Council Regulation (EEC) No 1620/77 of 18 July 1977 laying down detailed rules for the importation of olive oil from Lebanon⁽¹⁰⁾,

Whereas by Regulation (EEC) No 3131/78 of 28 December 1978⁽¹¹⁾ the Commission decided to use the tendering procedure to fix levies on olive oil;

Whereas Article 3 of Regulation (EEC) No 2751/78 of 23 November 1978 laying down general rules for fixing the import levy on olive oil by tender⁽¹²⁾ specifies that the minimum levy rate shall be fixed for each of the products concerned on the basis of the situation on the world or Greek markets and the Community market and of the levy rates indicated by tenderers;

Whereas in the collection of the levy account should be taken of the provisions in the Agreements between the Community and certain third countries; whereas in particular the levy applicable for those countries must be fixed taking as a basis for calculation the levy to be collected on imports from the other third countries;

Whereas application of the rules recalled above to the levy rates indicated by tenderers on 23 and 24 April 1979 leads to the minimum levies being fixed as indicated in Annex I to this Regulation;

Whereas Council Regulation (EEC) No 652/79 of 29 March 1979⁽¹³⁾ laid down the coefficient for expressing amounts, fixed in units of account, in ECU;

Whereas the import levy on olives falling within subheadings 07.01 N II and 07.03 A II of the Common Customs Tariff and on products falling within subheadings 15.17 B I and 23.04 A II of the Common Customs Tariff must be calculated from the minimum levy applicable on the olive oil contained in these products; whereas, however, the levy charged for olive oil may not be less than an amount equal to 8 % of the value of the imported product, such amount to be fixed at a standard rate; whereas application of these provisions leads to the levies being fixed as indicated in Annex II to this Regulation,

COMMISSION REGULATION (EEC) No 822/79
of 26 April 1979
fixing the export refunds on malt

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community,

Having regard to Council Regulation (EEC) No 2727/75 of 29 October 1975 on the common organization of the market in cereals⁽¹⁾, as last amended by Regulation (EEC) No 1254/78⁽²⁾, and in particular the fourth subparagraph of Article 16 (2) thereof,

Having regard to the opinion of the Monetary Committee,

Whereas Article 16 of Regulation (EEC) No 2727/75 provides that the difference between quotations or prices on the world market for the products listed in Article 1 of those Regulations and prices for those products within the Community may be covered by an export refund;

Whereas Article 2 of Council Regulation (EEC) No 2746/75 of 29 October 1975 laying down general rules for granting export refunds on cereals and criteria for fixing the amount of such refunds⁽³⁾, provides that when refunds are being fixed account must be taken of the existing situation and the future trend with regard to prices and availabilities of cereals on the Community market on the one hand and prices for cereals and cereal products on the world market on the other; whereas the same Article provides that it is also important to ensure equilibrium and the natural development of prices and trade on cereal markets and, furthermore, to take into account the economic aspect of the proposed exports, and the need to avoid disturbances on the Community market;

Whereas Council Regulation (EEC) No 2744/75 of 29 October 1975 on the import and export system for products processed from cereals and from rice⁽⁴⁾, as last amended by Regulation (EEC) No 2245/78⁽⁵⁾, defines the specific criteria to be taken into account when the refund on these products is being calculated;

Whereas it follows from applying these detailed rules to the present situation on the market in products

processed from cereals and rice that the export refund should be fixed at an amount which will cover the difference between Community prices and world market prices;

Whereas the world market situation or the specific requirements of certain markets may make it necessary to vary the refund for certain products according to destination;

Whereas, if the refund system is to operate normally, refunds should be calculated on the following basis:

- in the case of currencies which are maintained in relation to each other at any given moment within a band of 2.25 %, a rate of exchange based on their effective parity;
- for other currencies, an exchange rate based on the arithmetic mean of the spot market rates of each of these currencies recorded for a given period in relation to the Community currencies referred to in the previous indent;

Whereas Council Regulation (EEC) No 652/79 of 29 March 1979⁽⁶⁾ laid down the coefficient for expressing amounts, fixed in units of account, in ECU;

Whereas the refund must be fixed once a month; whereas it may be altered in the intervening period;

Whereas the measures provided for in this Regulation are in accordance with the opinion of the Management Committee for Cereals,

HAS ADOPTED THIS REGULATION:

Article 1

The export refunds on malt listed in Article 1 (d) of Regulation (EEC) No 2727/75 subject to Regulation (EEC) No 2744/75 shall be as set out in the Annex hereto.

Article 2

This Regulation shall enter into force on 27 April 1979.

COMMISSION REGULATION (EEC) No 823/79

of 26 April 1979

fixing the import levies on products processed from cereals and rice

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community,

Having regard to Council Regulation (EEC) No 2727/75 of 29 October 1975 on the common organization of the market in cereals⁽¹⁾, as last amended by Regulation (EEC) No 1254/78⁽²⁾, and in particular Article 14 (4) thereof,

Having regard to Council Regulation (EEC) No 1418/76 of 21 June 1976 on the common organization of the market in rice⁽³⁾, as last amended by Regulation (EEC) No 1260/78⁽⁴⁾, and in particular Article 12 (4) thereof,

Having regard to the opinion of the Monetary Committee,

Whereas the rules to be applied in calculating the variable component of the import levy on products processed from cereals and rice are laid down in Article 14 (1) (A) of Regulation (EEC) No 2727/75 and Article 12 (1) (a) of Regulation (EEC) No 1418/76; whereas Article 2 of Council Regulation (EEC) No 2744/75 of 29 October 1975 on the import and export system for products processed from cereals and rice⁽⁵⁾, as last amended by Regulation (EEC) No 2245/78⁽⁶⁾, provides that the incidence on the prime costs of these products of the levies applicable to their basic products should be calculated on the basis of the average of the levies applicable to these basic products for the first 25 days of the month preceding that of importation; whereas this average, adjusted on the basis of the threshold price valid for the basic products in question during the month of importation, is calculated on the basis of the quantities of basic products considered to have been used in the manufacture of the processed product or the competing product which serves as a reference for processed products not containing cereals;

Whereas Commission Regulation (EEC) No 1579/74 of 24 June 1974 on the procedure for calculating the import levy on products processed from cereals and from rice and for the advance fixing of this levy for these products and for compound feedingstuffs manu-

factured from cereals⁽⁷⁾, as last amended by Regulation (EEC) No 1740/78⁽⁸⁾, provides that the levy thus determined, increased by the fixed component, is valid in general for one month but is altered where the levy applicable to the basic product concerned differs by not less than 2.5 units of account per tonne from the average of the levies calculated as described above;

Whereas in accordance with Article 5 of Regulation (EEC) No 2744/75 and Article 2 of Regulation (EEC) No 1579/74, the levy on certain processed products must be reduced by an amount equal to the production refund granted in respect of basic products for processing; whereas Regulation (EEC) No 1921/75⁽⁹⁾, as amended by Regulation (EEC) No 2415/75⁽¹⁰⁾, laid down certain transitional measures in respect of starches;

Whereas the fixed component of the levy is specified in Regulation (EEC) No 2744/75; whereas, in accordance with Regulation (EEC) No 2742/75⁽¹¹⁾, as last amended by Regulation (EEC) No 1127/78⁽¹²⁾, the variable component of the levy on certain processed products must be reduced by the incidence of the production refund granted in respect of basic products intended for processing;

Whereas, in order that account may be taken of the interests of the African, Caribbean and Pacific States and of the overseas countries and territories, the levy relating to them in respect of certain products processed from cereals must be reduced by the amount of the fixed component and, in respect of some of these products, by part of the variable component; whereas this reduction must be made in accordance with Article 12 of Council Regulation (EEC) No 706/76 of 30 March 1976 on the arrangements applicable to agricultural products and certain goods resulting from the processing of agricultural products originating in the African, Caribbean and Pacific States or in the overseas countries and territories⁽¹³⁾, as last amended by Regulation (EEC) No 1198/78⁽¹⁴⁾;

Whereas Article 4 (2) of Regulation (EEC) No 2744/75 provides that the levy to be charged on the products listed in the Annex to that Regulation under subheading 07.06 A is limited, with effect from the date of entry into force of the Geneva Protocol (1967)

COMMISSION REGULATION (EEC) No 824/79
of 26 April 1979
fixing the import levies on compound feedingstuffs

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community,

Having regard to Council Regulation (EEC) No 2727/75 of 29 October 1975 on the common organization of the market in cereals⁽¹⁾, as last amended by Regulation (EEC) No 1254/78⁽²⁾, and in particular Article 14 (4) thereof,

Having regard to the opinion of the Monetary Committee,

Whereas the rules to be applied in calculating the variable component of the import levy on compound feedingstuffs are laid down in Article 14 (1) (A) of Regulation (EEC) No 2727/75; whereas Article 4 of Council Regulation (EEC) No 2743/75 of 29 October 1975 on the system to be applied to cereal-based compound feedingstuffs⁽³⁾, as amended by Regulation (EEC) No 2560/77⁽⁴⁾, provides that the incidence on the prime costs of these feedingstuffs of the levies applicable to their basic products should be calculated on the basis of the average of the levies applicable during the first 25 days of the month preceding that month of importation to the quantities of basic products considered to have been used in the manufacture of such compound feedingstuffs, this average being adjusted on the basis of the threshold price for the basic products in question ruling during the month of importation;

Whereas the levy thus determined, increased by the fixed component, is valid for one month; whereas the amount of the fixed component of the levy is laid down in Article 6 of Regulation (EEC) No 2743/75;

Whereas, in order that account may be taken of the interests of the African, Caribbean and Pacific States and of the overseas countries and territories, the levy relating to them in respect of certain products processed from cereals must be reduced by the amount of the fixed component and, in respect of some of these products, by part of the variable compo-

nent; whereas this reduction must be made in accordance with Article 12 of Council Regulation (EEC) No 706/76 of 30 March 1976 on the arrangements applicable to agricultural products and certain goods resulting from the processing of agricultural products originating in the African, Caribbean and Pacific States or in the 'overseas countries and territories'⁽⁵⁾; as last amended by Regulation (EEC) No 1198/78⁽⁶⁾;

Whereas, if the levy system is to operate normally, levies should be calculated on the following basis:

- in the case of currencies which are maintained in relation to each other at any given moment within a band of 2.25 %, a rate of exchange based on their effective parity;
- for other currencies, an exchange rate based on the arithmetic mean of the spot market rates of each of these currencies recorded for a given period in relation to the Community currencies referred to in the previous indent;

Whereas Council Regulation (EEC) No 652/79 of 29 March 1979⁽⁷⁾ laid down the coefficient for expressing amounts, fixed in units of account, in ECU;

Whereas, in accordance with Article 18 (1) of Regulation (EEC) No 2727/75, the nomenclature provided for in this Regulation is incorporated in the Common Customs Tariff,

HAS ADOPTED THIS REGULATION:

Article 1

The import levies to be charged on the compound feedingstuffs covered by Regulation (EEC) No 2727/75 and subject to Regulation (EEC) No 2743/75 shall be as set out in the Annex hereto.

COMMISSION REGULATION (EEC) No 827/79**of 26 April 1979****fixing the reference prices for tomatoes until the end of the 1979 marketing year**

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community,

Having regard to Council Regulation (EEC) No 1035/72 of 18 May 1972 on the common organization of the market in fruit and vegetables⁽¹⁾, as last amended by Regulation (EEC) No 325/79⁽²⁾, and in particular Article 27 (1) thereof,

Whereas, under Article 23 (1) of Regulation (EEC) No 1035/72 reference prices valid for the whole Community are to be fixed at the beginning of the marketing year;

Whereas tomatoes are produced in such quantities in the Community that reference prices should be fixed for them;

Whereas tomatoes harvested during a given crop year are marketed from January to December; whereas for the present marketing year the reference prices have been fixed up to 30 April by Regulation (EEC) No 564/79⁽³⁾; whereas the information now available allows these prices to be fixed up to the end of the marketing year; whereas the low quantities which are harvested during the last 10 days of December represent only a small percentage of the tonnage which is marketed throughout the marketing year; whereas that period should not therefore be taken into account;

Whereas, pursuant to Article 23 (2) of Regulation (EEC) No 1035/72, the reference prices are fixed on the bases of the arithmetic mean of producer prices in each Member State plus an amount representing the costs of transporting Community products from production areas to Community marketing centres; whereas the trend of production costs in the fruit and vegetable sector must also be taken into account;

Whereas, to take seasonal variations into account, the year should be divided into several periods and a reference price fixed for each of these periods;

Whereas producer prices are to correspond to the average of the prices recorded on the representative market or markets situated in the production areas where prices are lowest, during the three years prior to the date on which the reference price is fixed, for a home-grown product with defined commercial characteristics, being a product or variety representing a substantial proportion of the production marketed over the year or over part thereof and satisfying specified requirements as regards market preparation; whereas, when the average of prices recorded on each representative market is being calculated, prices which could be considered excessively high or excessively low in relation to normal price fluctuations on that market are to be disregarded;

Whereas, up to 10 July, Community-produced tomatoes are grown mainly under glass; whereas the reference prices for this period of the marketing year must therefore be fixed for a product of that type; whereas tomatoes imported from certain third countries during the same period will have been grown in the open; whereas, although such tomatoes may be classed in Class I, their quality and price are not comparable with those of products grown under glass; whereas the prices for tomatoes not grown under glass should therefore be adjusted by a conversion factor;

Whereas, from October to December inclusive, tomatoes imported from certain third countries are cultivated under glass; whereas a conversion factor should also be applied to the prices of these tomatoes to make them comparable with the reference prices which are during this period calculated on the basis of prices of Community products cultivated in the open;

Whereas Council Regulation (EEC) No 652/79⁽⁴⁾ laid down the coefficient for expressing amounts, fixed in units of account, in ECU;

Whereas the measures provided for in this Regulation are in accordance with the opinion of the Management Committee for Fruit and Vegetables,

COMMISSION REGULATION (EEC) No 829/79
of 25 April 1979
fixing the levies and sluice-gate prices for pigmeat

THE COMMISSION OF THE EUROPEAN
COMMUNITIES,

Having regard to the Treaty establishing the European
Economic Community,

Having regard to Council Regulation (EEC) No
2759/75 of 29 October 1975 on the common organiza-
tion of the market in pigmeat⁽¹⁾, as last amended by
Regulation (EEC) No 1423/78⁽²⁾, and in particular
Articles 8 and 12 (1) thereof,

Whereas sluice-gate prices for pig carcasses and for the
other products specified in Article 1 of Council Regu-
lation (EEC) No 2766/75 of 29 October 1975 esta-
blishing the list of products for which sluice-gate
prices are to be fixed and laying down the rules for
fixing the sluice-gate prices for pig carcasses⁽³⁾, as last
amended by Regulation (EEC) No 772/79⁽⁴⁾, and
levies for the products specified in Article 1 (1) of
Regulation (EEC) No 2759/75, must be fixed in
advance for each quarter in accordance with the
method of calculation laid down in Commission Regu-
lation (EEC) No 1614/78 of 11 July 1978 fixing the
levies and sluice-gate prices on pigmeat⁽⁵⁾;

Whereas, since sluice-gate prices and levies for
pigmeat were last fixed by Regulation (EEC) No
128/79⁽⁶⁾ for the period 1 February to 30 April 1979,
they must be fixed anew for the period 1 May to 31
July 1979; whereas such prices and levies should in
principle be fixed by reference to feed grain prices for
the period 1 November 1978 to 31 March 1979;

Whereas the standard amount referred to in Article 12
(2) (c) of Regulation (EEC) No 2759/75 has been
amended by Regulation (EEC) No 772/79 with effect
from 1 May 1979; whereas, accordingly, the sluice-
gate prices should be fixed anew as from that date;

Whereas the coefficients referred to in Article 10 (4)
of Regulation (EEC) No 2759/75 have been amended

by Commission Regulation (EEC) No 747/79 of 11
April 1979 fixing coefficients for calculating levies on
pigmeat products other than pig carcasses⁽⁷⁾, with
effect from 1 May 1979; whereas, accordingly, the
levies should be fixed anew with effect from that date;

Whereas, when the sluice-gate price applicable from 1
November, 1 February and 1 May is being fixed,
trends in world market prices for feed grain are to be
taken into account only if the value of the quantity of
feed grain required varies by at least a specified
minimum in relation to that used in calculating the
sluice-gate price for the preceding quarter; whereas
this minimum was fixed by Regulation (EEC) No
2766/75 at 3 %;

Whereas the value of the quantity of feed grain does
not vary by 3 % from that used for the preceding
quarter; whereas it is accordingly not necessary to
take into account the trends in world market prices
for feed grain during the period 1 November 1978 to
31 March 1979;

Whereas an error has been found in the quantity of
feed grain which is an element for calculating the
levy; whereas this calculation should therefore be
adjusted as from 1 May 1979;

Whereas Council Regulation (EEC) No 652/79⁽⁸⁾ laid
down the coefficient for converting amounts fixed in
units of account (u.a.) into ECU;

Whereas, in the case of products falling within any of
the subheadings 02.01 B II c) 1 to 7, 15.01 A I, 16.01
A or 16.02 A II of the Common Customs Tariff, in
respect of which the rate of duty has been bound
within GATT, the levies should be limited to the
amounts resulting from that binding;

Whereas the measures provided for in this Regulation
are in accordance with the opinion of the Manage-
ment Committee for Pigmeat,

(2) OJ No L 171, 28. 6. 1978, p. 19.

(7) OJ No L 95, 16. 4. 1979, p. 5.

HAS ADOPTED THIS REGULATION :

Article 1

1. For the period 1 May to 31 July 1979, the sluice-gate prices provided for in Article 12 of Regulation (EEC) No 2759/75 for the products specified in Article 1 of Regulation (EEC) No 2766/75 and the levies provided for in Article 8 of Regulation (EEC) No 2759/75 for the products specified in Article 1 (1) of that Regulation shall be as shown in the Annex hereto.

2. In the case of products falling within any of the subheadings 02.01 B II c) 1 to 7, 15.01 A I, 16.01 A or 16.02 A II of the Common Customs Tariff, in respect of which the rate of duty has been bound within GATT, the levy shall not exceed the amount resulting from that binding.

Article 2

This Regulation shall enter into force on 1 May 1979.

This Regulation shall be binding in its entirety and directly applicable in all Member States.

Whereas Commission Regulation (EEC) No 142/79⁽³⁾, as amended by Regulation (EEC) No 630/79⁽⁴⁾, introduced the granting of private storage aid for pigmeat; whereas, in view of the development of the market in pigmeat, provisions should be made to reduce the range of products which may benefit from the aid for private storage;

COMMISSION REGULATION (EEC) No 831/79

of 26 April 1979

fixing the corrective amount applicable to the refund on malt

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community,

Having regard to Council Regulation (EEC) No 2727/75 of 29 October 1975 on the common organization of the market in cereals⁽¹⁾, as last amended by Regulation (EEC) No 1254/78⁽²⁾, and in particular the third sentence of the second subparagraph of Article 16 (4) thereof,

Having regard to Council Regulation (EEC) No 2746/75 of 29 October 1975 laying down general rules for granting export refunds on cereals and criteria for fixing the amount of such refunds⁽³⁾,

Having regard to the opinion of the Monetary Committee,

Whereas Article 16 (4) of Regulation (EEC) No 2727/75 provides that the export refund applicable to cereals on the day on which application for an export licence is made, adjusted for the threshold price in force during the month of exportation, must be applied on request to exports to be effected during the period of validity of the export licence; whereas, in this case, a corrective amount must be applied to the refund;

Whereas Council Regulation (EEC) No 2744/75 of 29 October 1975 on the import and export system for products processed from cereals and from rice⁽⁴⁾, as last amended by Regulation (EEC) No 2245/78⁽⁵⁾, made possible the fixing of a corrective amount for certain products listed in Article 1 (d) of Regulation (EEC) No 2727/75;

Whereas Regulation (EEC) No 1281/75⁽⁶⁾ laid down detailed rules for the advance fixing of export refunds for cereals and certain products processed from cereals;

Whereas, pursuant to that Regulation, when the corrective amount is being fixed in respect of malt, account must be taken of the existing situation and the future trend with regard to the possibilities and conditions for the sale of the cereals concerned and of malt on the world market; whereas the same Regulation also provides that account must be taken of the quantity of cereals needed for making malt, the economic aspect

of exports and the need to avoid disturbances on the Community market;

Whereas the world market situation or the specific requirements of certain markets may make it necessary to vary the corrective amount according to destination;

Whereas the corrective amount must be fixed at the same time as the refund and according to the same procedure; whereas it may be altered in the period between fixings;

Whereas, if the system of corrective amounts is to operate normally, corrective amounts should be calculated on the following basis:

- in the case of currencies which are maintained in relation to each other at any given moment within a band of 2.25 %, a rate of exchange based on their effective parity,
- for other currencies, an exchange rate based on the arithmetic mean of the spot market rates of each of these currencies recorded for a given period in relation to the Community currencies referred to in the preceding indent;

Whereas Council Regulation (EEC) No 652/79 of 29 March 1979⁽⁷⁾ laid down the coefficient for expressing amounts, fixed in units of account, in ECU;

Whereas it follows from applying the provisions set out above that the corrective amount must be as set out in the Annex hereto;

Whereas the measures provided for in this Regulation are in accordance with the opinion of the Management Committee for Cereals,

HAS ADOPTED THIS REGULATION:

Article 1

The corrective amount referred to in Article 16 (4) of Regulation (EEC) No 2727/75 which is applicable to export refunds fixed in advance in respect of malt shall be as set out in the Annex hereto.

Article 2

This Regulation shall enter into force on 1 May 1979.

Having regard to the Treaty establishing the European Economic Community,

Having regard to Council Regulation (EEC) No 2727/75 of 29 October 1975 on the common organization of the market in cereals⁽¹⁾, as last amended by Regulation (EEC) No 1254/78⁽²⁾, and in particular the third sentence of the second subparagraph of Article 16 (4) thereof,

Having regard to Council Regulation (EEC) No 2746/75 of 29 October 1975 laying down general rules for granting export refunds on cereals and criteria for fixing the amount of such refunds⁽³⁾,

Having regard to the opinion of the Monetary Committee,

Whereas Article 16 (4) of Regulation (EEC) No 2727/75 provides that the export refund applicable to cereals on the day on which application for an export licence is made, adjusted for the threshold price in force during the month of exportation, must be applied on request to exports to be effected during the period of validity of the export licence; whereas, in this case, a corrective amount must be applied to the refund;

Whereas Council Regulation (EEC) No 2744/75 of 29 October 1975 on the import and export system for products processed from cereals and from rice⁽⁴⁾, as last amended by Regulation (EEC) No 2245/78⁽⁵⁾, made possible the fixing of a corrective amount for certain products listed in Article 1 (c) of Regulation (EEC) No 2727/75;

Whereas Regulation (EEC) No 1281/75⁽⁶⁾ laid down detailed rules for the advance fixing of export refunds for cereals and certain products processed from cereals;

Whereas, pursuant to that Regulation, when the corrective amount is being fixed account must be taken of the existing situation and the future trend with regard to prices and availabilities of cereals on the Community market on the one hand and possibilities and conditions for the sale of cereals and cereal products on the world market on the other; whereas the same

Regulation provides that it is also important to ensure equilibrium and the natural development of prices and trade on cereal markets and, furthermore, to take into account the economic aspect of exports and the need to avoid disturbances on the Community market;

Whereas for the products listed in Article 1 (c) of Regulation (EEC) No 2727/75 account should be taken of the specific criteria laid down in Article 2 (2) of Regulation (EEC) No 1281/75;

Whereas the world market situation or the specific requirements of certain markets may make it necessary to vary the corrective amount according to destination;

Whereas the corrective amount must be fixed at the same time as the refund and according to the same procedure; whereas it may be altered in the period between fixings;

Whereas it may be altered in the period between fixings;

Whereas, if the system of corrective amounts is to operate normally, corrective amounts should be calculated on the following basis:

- in the case of currencies which are maintained in relation to each other at any given moment within a band of 2.25 %, a rate of exchange based on their effective parity;
- for other currencies, an exchange rate based on the arithmetic mean of the spot market rates of each of these currencies recorded for a given period in relation to the Community currencies referred to in the preceding indent;

Whereas Council Regulation (EEC) No 652/79 of 29 March 1979⁽⁷⁾ laid down the coefficient for expressing amounts, fixed in units of account, in ECU;

Whereas it follows from applying the provisions set out above that the corrective amount must be as set out in the Annex hereto;

Whereas the measures provided for in this Regulation are in accordance with the opinion of the Management Committee for Cereals,

COMMISSION REGULATION (EEC) No 833/79

of 26 April 1979

fixing the export refunds on cereals and on wheat or rye flour, groats and meal

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community,

Having regard to Council Regulation (EEC) No 2727/75 of 29 October 1975 on the common organization of the market in cereals⁽¹⁾, as last amended by Regulation (EEC) No 1254/78⁽²⁾, and in particular the first sentence of the fourth subparagraph of Article 16 (2) thereof,

Having regard to the opinion of the Monetary Committee,

Whereas Article 16 of Regulation (EEC) No 2727/75 provides that the difference between quotations or prices on the world market for the products listed in Article 1 of that Regulation and prices for those products in the Community may be covered by an export refund;

Whereas Article 2 of Council Regulation No (EEC) No 2746/75 of 29 October 1975 laying down general rules for granting export refunds on cereals and criteria for fixing the amount of such refunds⁽³⁾, provides that when refunds are being fixed account must be taken of the existing situation and the future trend with regard to prices and availabilities of cereals on the Community market on the one hand and prices for cereals and cereal products on the world market on the other; whereas the same article provides that it is also important to ensure equilibrium and the natural development of prices and trade on cereal markets and, furthermore, to take into account the economic aspect of the proposed exports and the need to avoid disturbances on the Community market;

Whereas Article 3 of Regulation (EEC) No 2746/75 defines the specific criteria to be taken into account when the refund on cereals is being calculated;

Whereas these specific criteria are defined, as far as wheat and rye flour, groats and meal are concerned, in Article 4 of Regulation (EEC) No 2746/75; whereas, furthermore, when the refund on these products is being calculated, account must be taken of the quantities of cereals required for their manufacture; whereas these quantities were fixed in Regulation No 162/67/EEC⁽⁴⁾, as amended by Regulation (EEC) No 1607/71⁽⁵⁾;

Whereas the world market situation or the specific requirements of certain markets may make it necessary to vary the refund for certain products according to destination;

Whereas the refund must be fixed once a month; whereas it may be altered in the intervening period;

Whereas, if the refund system is to operate normally, refunds should be calculated on the following basis:

- in the case of currencies which are maintained in relation to each other at any given moment within a band of 2.25 %, a rate of exchange based on their effective parity;
- for other currencies, an exchange rate based on the arithmetic mean of the spot market rates of each of these currencies recorded for a given period in relation to the Community currencies referred to in the previous indent;

Whereas Council Regulation (EEC) No 652/79 of 29 March 1979⁽⁶⁾ laid down the coefficient for expressing amounts, fixed in units of account, in ECU;

Whereas it follows from applying the detailed rules set out above to the present situation on the market in cereals, and in particular to quotations or prices for these products within the Community and on the world market, that the refunds should be as set out in the Annex hereto;

Whereas the measures provided for in this Regulation are in accordance with the opinion of the Management Committee for Cereals,

HAS ADOPTED THIS REGULATION:

Article 1

The export refunds on the products listed in Article 1 (a), (b) and (c) of Regulation (EEC) No 2727/75, exported in the natural state, shall be as set out in the Annex hereto.

Article 2
