**COUNCIL REGULATION (ECSC, EEC, EURATOM) No 1793/79
of 9 August 1979**

**adjusting the weightings applied to the remuneration and pensions of officials
and other servants of the European Communities**

THE COUNCIL OF THE EUROPEAN
COMMUNITIES,

Having regard to the Treaty establishing a single
Council and a single Commission of the European
Communities,

Having regard to the Staff Regulations of officials and
the conditions of employment of other servants of the
European Communities laid down by Regulation
(EEC, Euratom, ECSC) No 259/68⁽¹⁾, and last
amended by Regulation (Euratom, ECSC, EEC) No
3085/78⁽²⁾, and in particular Articles 64, 65 (2) and 82
of the Staff Regulations and the first paragraph of
Article 20 together with Article 64 of the conditions
of employment,

Having regard to the proposal from the Commission,

Whereas, by reason of the appreciable rise in the cost
of living which has taken place since Regulations
(Euratom, ECSC, EEC) No 3084/78⁽³⁾ and (Euratom,
ECSC, EEC) No 3086/78⁽⁴⁾ came into force during
the second half of 1978 in a number of countries
where officials and other servants of the European
Communities are employed, the weightings applied to
the remuneration and pensions of officials and other
servants should be adjusted with effect respectively
from 1 January and 1 April 1979;

Whereas, owing to existing circumstances and technical
difficulties connected with the new rules for the
transfer of part of remuneration to a country other
than the country of employment and with main-
taining a balance between purchasing powers in the
various countries of employment, weightings should
be laid down provisionally by deducting a rate which
corresponds to the lowest rate of development of the
cost of living in the Member States, it being under-
stood that a final decision, with retroactive effect if

necessary, will be taken in the light of a more
thorough examination of these problems before the
end of 1979,

HAS ADOPTED THIS REGULATION :

COUNCIL REGULATION (EEC) No 1794/79

of 9 August 1979

amending Regulation (EEC) No 154/75 as regards the financing of the register of olive cultivation

THE COUNCIL OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community, and in particular Article 43 thereof,

Having regard to the proposal from the Commission,

Having regard to the opinion of the European Parliament ⁽¹⁾,

Whereas it was specified in Article 3 of Council Regulation (EEC) No 154/75 of 21 January 1975 on the establishment of a register of olive cultivation in the Member States producing olive oil ⁽²⁾ that part of the aid for the 1973/74 and 1974/75 marketing years granted to producers was to be allocated to finance the work needed to establish a register of olive cultivation ;

Whereas, in view in particular of the large amount of work required, the sum yielded by the aid withheld falls well short of actual needs ;

Whereas therefore the method of financing the extra expenditure required to establish the register should be specified ;

Whereas to this end provision should be made for a part of the production aid referred to in Article 5 of Council Regulation No 136/66/EEC of 22 September 1966 on the establishment of a common organization of the market in oils and fats ⁽³⁾, as last amended by Regulation (EEC) No 590/79 ⁽⁴⁾, to go towards the financing of this supplementary expenditure ;

Whereas it is possible that the amount resulting from these deductions will be insufficient to cover the above supplementary expenditure ; whereas, therefore, the possibility of resorting to other deductions to cover any remaining expenditure should be provided for,

HAS ADOPTED THIS REGULATION :

Sole Article

Article 3 of Regulation (EEC) No 154/75 is hereby replaced by the following :

Article 3

1. The competent authorities of the producer Member States which are responsible for paying

the aid provided for in Article 10 of Regulation No 136/66/EEC shall, when making payment, reduce the amount by :

- (a) 1 % for the aid for the 1973/74 marketing year ;
- (b) 5 % for the aid for the 1974/75 marketing year.

2. The competent authorities of the producer Member States which are responsible for paying the production aid referred to in Article 5 of Regulation No 136/66/EEC shall, when making payment, reduce the amount of such production aid by 1.47 % for the aid for the 1979/80 marketing year.

3. The amounts resulting from the deductions made pursuant to paragraphs 1 and 2 by each producer Member State shall be intended for the financing of the establishment of the register of olive cultivation in each of the Member States concerned.

The same financing procedure shall be used as is specified for the expenditure referred to in Articles 2 and 3 of Regulation (EEC) No 729/70.

4. Should the amounts resulting from the deductions provided for in paragraphs 1 and 2 not cover the whole of the expenditure for the establishment of the register of olive cultivation in the Member States concerned or in one of them, the Council, acting by a qualified majority on a proposal from the Commission, shall determine the percentage or percentages of the production aid to be allocated for the financing of the remaining expenditure.

5. Eligible expenditure shall be that incurred under contracts between the competent authority of the producer Member State and natural or legal persons entrusted with the relevant work, or, in cases where the Member State has the work done by its own official departments, the costs incurred other than administrative and supervision costs.

The Member State shall notify the Commission beforehand of the content of the contracts or the estimated cost of the work.

6. Detailed rules for the application of paragraphs 3, 4 and 5 shall be adopted, if necessary, under the procedure laid down in Article 13 of Regulation (EEC) No 729/70.

Having regard to the Treaty establishing the European Economic Community,

Having regard to Council Regulation (EEC) No 1610/79 of 24 July 1979 introducing additional aid for castor seeds for the 1979/80, 1980/81 and 1981/82 marketing years⁽¹⁾, and in particular Article 3 (1) thereof,

Having regard to the proposal from the Commission,

Whereas, in accordance with Article 3 (1) of Regulation (EEC) No 1610/79, general rules should be adopted for the granting of the additional aid, together with detailed rules for checking entitlement to the said aid ;

Whereas, in order that the aid system may function properly, it should be specified that the aid is to be paid by the Member State on whose territory the seeds are processed and for seeds qualifying for the aid provided for in Article 2 of Regulation (EEC) No 2874/77⁽²⁾, on condition that the sale price given in the contracts made with producers is at least equal to the minimum price given in the said Article 2, plus the additional aid ; whereas checks can be restricted to verifying that this condition has been complied with,

The competent authorities of the Federal Republic of Germany may authorize imports, not exceeding the supplementary quotas to which Article 1 refers, in respect only of those contracts concluded in Berlin during the Berlin Interchic Fair as are recognized by those authorities as being eligible for such authorization and provided that products originating in and exported from Poland covered by such contracts are imported into the Federal Republic of Germany not later than 31 December 1979.

2. The period of validity of import authorizations or equivalent documents issued in accordance with paragraph 1 shall not go beyond the date indicated in that paragraph.

Having regard to the Treaty establishing the European Economic Community,

Article 1

Having regard to Council Regulation (EEC) No 1078/77 of 17 May 1977 introducing a system of premiums for the non-marketing of milk and milk products and for the conversion of dairy herds⁽¹⁾, as last amended by Regulation (EEC) No 1270/79⁽²⁾, and in particular Article 7 thereof,

Regulation (EEC) No 1391/78 is hereby amended as follows :

1. Article 12 shall be replaced by the following :

Whereas the application of the system of premiums for the non-marketing of milk and milk products and for the conversion of dairy herds was extended until the end of the 1979/80 milk year; whereas, in the light of experience, certain provisions of Commission Regulation (EEC) No 1391/78 of 23 June 1978 laying down amended rules for the application of the system of premiums for the non-marketing of milk and milk products and for the conversion of dairy herds⁽³⁾, as amended by Regulation (EEC) No 2962/78⁽⁴⁾ should be adjusted;

'Article 12

1. Where, by reason of a case of *force majeure* occurring after the day on which the application for a premium has been approved, the beneficiary or his successor referred to in Article 9 (2) is unable, or would be able only at the cost of excessive sacrifices, to fulfil an obligation arising from the system of premiums, the Member State concerned shall determine the measures which it shall deem necessary with regard to the circumstances invoked.

Whereas it has proved necessary to specify in particular the provisions relating to cases of *force majeure* and to provide for only partial recovery of the conversion premium where the beneficiary no longer keeps the required stock numbers at the end of the conversion period; whereas, on the other hand, the beneficiary, having entered into the undertakings governing receipt of that premium, should be allowed subsequently to choose the system of non-marketing premiums, although, in such event, the amounts of the premium and the non-marketing period must be adjusted accordingly;

Such measures may, according to the case, entail postponing the beginning of the non-marketing or conversion period referred to in Article 5 (3) or the suspension of the obligations for a specific length of time during that period and the non-recovery of the premiums already paid, which would have to be refunded in accordance with Article 9 (1).

Whereas, as regards the identity cards issued as from 24 June 1978, Article 8 (5) of Regulation (EEC) No 1391/78 (inserted by Regulation (EEC) No 2962/78) allows a duplicate to be issued in the event of loss of the original; whereas it has proved advisable to apply that provision, at the request of any interested parties, to the identity cards issued prior to the above date;

2. Without prejudice to specific circumstances to be taken into consideration in individual cases, the following situations in particular may be deemed to justify one of the measures referred to in paragraph 1 :

Whereas the measures provided for in this Regulation are in accordance with the the opinion of the Management Committee for Milk and Milk Products,

- (a) decease of the beneficiary if he ran the holding himself;
- (b) prolonged occupational incapacity of the beneficiary if he ran the holding himself;
- (c) compulsory purchase of a substantial part of the utilized agricultural area of the holding farmed by the beneficiary, provided that such compulsory purchase was not foreseeable on the day on which the application was approved;

⁽²⁾ OJ No L 161, 29. 6. 1979, p. 10.

⁽⁴⁾ OJ No L 352, 16. 12. 1978, p. 23.

- (d) a natural disaster substantially affecting the agricultural area farmed by the beneficiary ;
- (e) the accidental destruction of the beneficiary's buildings which were used for the rearing of cattle or sheep ;
- (f) an outbreak of epizootic disease affecting some or all of the beneficiary's stock of cattle or sheep.

3. The Member States shall inform the Commission of all cases of *force majeure* accepted as such by them.

4. By way of derogation from Article 9 (1), in a case which cannot be deemed a case of *force majeure* and in which the beneficiary of the conversion premium no longer fulfils, during the fourth year of the conversion period, the undertaking referred to in Article 3 (2) (c) of Regulation (EEC) No 1078/77, the amount of the premium to be recovered or, if the balance has still not been paid to him, the amount to be withheld shall be equal to 25 % of the total amount of the premium to which he would have been entitled, this percentage being reduced in proportion to the difference between the number of livestock units kept and the required number of livestock units.

2. The following Article 12a shall be inserted :

'Article 12a

1. Before the end of the third year of the conversion period, each recipient of the conversion

premium may declare in writing to the competent authority that he wishes to be considered as a recipient of the non-marketing premium, by accepting the conditions referred to in Article 2 and Article 4 (1) of Regulation (EEC) No 1078/77.

2. In such cases, the competent authority shall make the necessary adjustments to the approval initially issued and in particular shall adjust the non-marketing period and the amounts of the premium still not paid, on the basis of the situation which would have existed if the interested party had applied for the non-marketing premium from the beginning.'

3. The following paragraph shall be added to Article 15 :

'The provision contained in Article 8 (5) shall apply, at the request of interested parties, to the identity cards issued pursuant to Regulation (EEC) No 1307/77.'

Article 2

The second paragraph of Article 2 of Regulation (EEC) No 2962/78 shall be deleted.

Article 3

Having regard to the opinion of the Monetary Committee,

Whereas, pursuant to Article 3 of Regulation (EEC) No 1111/77, a levy is to be charged on imports of the products specified in Article 1 of that Regulation; whereas this levy is to consist of a fixed component and a variable component;

Whereas these components are defined in Article 3 (1) of Regulation (EEC) No 1111/77; whereas, pursuant to Commission Regulation (EEC) No 1469/77 of 30 June 1977 laying down rules for applying the levy and the refund in respect of isoglucose and amending Regulation (EEC) No 192/75⁽³⁾, the fixed component referred to in Article 3 of Regulation (EEC) No 1111/77 must be equal to that used for fixing the import levy on products falling within subheading 17.02 B II a) of the Common Customs Tariff;

Whereas the levy must be fixed each month;

Whereas, if the levy system is to operate normally, levies should be calculated on the following basis:

- in the case of currencies which are maintained in relation to each other at any given moment within a band of 2.25 %, a rate of exchange based on their effective parity;
- for other currencies, an exchange rate based on the arithmetic mean of the spot market rates of each of these currencies recorded for a given period in relation to the Community currencies referred to in the previous indent;

Whereas it follows from applying these provisions that the levies on isoglucose should be as set out in the Annex hereto,

HAS ADOPTED THIS REGULATION:

Article 1

The import levies referred to in Article 3 (4) of Regulation (EEC) No 1111/77 shall be as set out in the Annex hereto.

Article 2

This Regulation shall enter into force on 14 August 1979.

This Regulation shall be binding in its entirety and directly applicable in all Member States.
