COMMISSION REGULATION (EEC) No 2134/80**of 8 August 1980****amending Regulations (EEC) No 2226/78 and (EEC) No 1379/80 as regards the beef products which may be taken into intervention in certain Member States, and their coefficients**

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community,

Having regard to Council Regulation (EEC) No 805/68 of 27 June 1968 on the common organization of the market in beef and veal⁽¹⁾, as last amended by Regulation (EEC) No 2916/79⁽²⁾, and in particular Article 6 (5) (c) thereof,

Whereas the coefficients referred to in Article 6 (1) of Regulation (EEC) No 805/68 were fixed by Commission Regulation (EEC) No 2226/78⁽³⁾, as last amended by Regulation (EEC) No 1378/80⁽⁴⁾; whereas it appears advisable to amend certain of those coefficients; whereas this entails altering certain of the intervention purchase prices for beef valid with effect from 2 June 1980 and fixed by Commission Regulation (EEC) No 1379/80⁽⁵⁾;

Whereas, in accordance with Council Regulation (EEC) No 1302/73⁽⁶⁾, as last amended by Regulation (EEC) No 427/77⁽⁷⁾, the qualities and cuts of the products to be bought in by the intervention agencies must be determined taking into account, on the one hand, the need to give effective support to the market and to maintain the balance between the market concerned and that in competing animal products and, on the other hand, the financial burden on the

Community; whereas application of these criteria in the present situation on the beef market at the start of the period for the marketing of grass feed cattle indicates that 'Ochsen A' should be included temporarily in the list of products which may be taken into intervention in the Federal Republic of Germany in order to cope with the substantial seasonal supplies of this category of animal;

Whereas the measures provided for in this Regulation are in accordance with the opinion of the Management Committee for Beef and Veal,

HAS ADOPTED THIS REGULATION:

Article 1

Annex I to Regulation (EEC) No 2226/78 is replaced by Annex I to this Regulation.

Article 2

The Annex to Regulation (EEC) No 1379/80 is replaced by Annex II to this Regulation.

Article 3

This Regulation shall enter into force on 18 August 1980.

This Regulation shall be binding in its entirety and directly applicable in all Member States.

COMMISSION REGULATION (EEC) No 2140/80
of 8 August 1980
introducing a countervailing charge on peaches originating in Greece

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community,

Having regard to Council Regulation (EEC) No 1035/72 of 18 May 1972 on the common organization of the market in fruit and vegetables⁽¹⁾, as last amended by Regulation (EEC) No 1367/80⁽²⁾, and in particular the second subparagraph of Article 27 (2) thereof,

Whereas Article 25 (1) of Regulation (EEC) No 1035/72 provides that, if the entry price of a product imported from a third country remains at least 0.6 ECU below the reference price for two consecutive market days, a countervailing charge must be introduced in respect of the exporting country concerned, save in exceptional circumstances; whereas this charge is equal to the difference between the reference price and the arithmetic mean of the last two entry prices available for that exporting country;

Whereas Commission Regulation (EEC) No 1086/80 of 2 May 1980 fixing the reference prices for peaches for the 1980 marketing year⁽³⁾, fixed the reference price for products of Class I, for the months of August and September 1980, at 47.23 ECU per 100 kilograms net;

Whereas the entry price for a given exporting country is equal to the lowest representative prices recorded for at least 30 % of the quantities from the exporting country concerned which are marketed on all representative markets for which prices are available, less the duties and the charges indicated in Article 24 (3) of Regulation (EEC) No 1035/72; whereas the meaning of representative price is defined in Article 24 (2) of Regulation (EEC) No 1035/72;

⁽¹⁾ OJ No L 118, 20. 5. 1972, p. 1.

⁽²⁾ OJ No L 140, 5. 6. 1980, p. 24.

⁽³⁾ OJ No L 114, 3. 5. 1980, p. 7.

Whereas, in accordance with Article 3 (1) of Regulation (EEC) No 2118/74⁽⁴⁾, as last amended by Regulation (EEC) No 668/78⁽⁵⁾, the prices to be taken into consideration must be recorded on the representative markets or, in certain circumstances, on other markets;

Whereas, for Greek peaches, the entry price calculated in this way has remained at least 0.6 ECU below the reference price for two consecutive market days; whereas a countervailing charge should therefore be introduced for these peaches;

Whereas if the system is to operate normally the entry price should be calculated on the following basis:

- in the case of currencies which are maintained in relation to each other at any given moment within a band of 2.25 %, a rate of exchange based on their effective parity,
- for other currencies, an exchange rate based on the arithmetic mean of the spot market rates of each of these currencies recorded for a given period in relation to the Community currencies referred to in the previous indent,

HAS ADOPTED THIS REGULATION:

Article 1

A countervailing charge of 3.03 ECU per 100 kilograms net is applied to peaches (subheading 08.07 B of the Common Customs Tariff) originating in Greece.

Article 2

This Regulation shall enter into force on 12 August 1980.

COMMISSION**COMMISSION DECISION**

of 14 July 1980

authorizing the French Republic not to apply Community treatment to gloves, mittens and mitts, knitted or crocheted, not elastic or rubberized, falling within heading No 60.02 of the Common Customs Tariff (categories 10 and 11), originating in Hong Kong and in free circulation in the other Member States

(80/749/EEC)

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community, and in particular the first paragraph of Article 115 thereof,

Having regard to the application under the first paragraph of Article 115 of the Treaty, made on 8 July 1980 by the French Government to the Commission of the European Communities, for authorization not to apply Community treatment to gloves, mittens and mitts, knitted or crocheted, not elastic or rubberized, falling within heading No 60.02 of the Common Customs Tariff (categories 10 and 11), originating in Hong Kong and in free circulation in the other Member States,

Whereas the importation into the Community of the products in question originating in Hong Kong is covered by an Agreement negotiated between the Community and that country;

Whereas, under that Agreement, Hong Kong has undertaken to take all necessary steps to limit its exports of the products in question to the Community up to the amount of certain ceilings allocated among the Member States;

Whereas it was not possible on that occasion to allocate those ceilings on the basis of the needs of the

individual markets; whereas there are therefore disparities existing between the import conditions in the various Member States; whereas uniformity can only be achieved progressively;

Whereas it appears from the application submitted that there are serious difficulties in the industrial sector concerned, involving a considerable drop in production and employment;

Whereas the realization of all the imports which gave rise to the application submitted would, in view of the substantial volume involved, aggravate these difficulties and call into question the objectives sought by the commercial measures concerned;

Whereas it is not possible to set in motion rapidly the machinery for bringing about the necessary cooperation from the other Member States;

Whereas authorization should accordingly be given for the application of protective measures under the first paragraph of Article 115, subject to the conditions laid down in Commission Decision 80/47/EEC of 20 December 1979⁽¹⁾, and in particular Article 3 thereof;

Whereas, however, the application for all licences which gave rise to the application in question does not need to be covered by such an authorization,

HAS ADOPTED THIS DECISION :

Article 2

This Decision shall apply until 31 October 1980.
