COUNCIL REGULATION (EEC) No 2549/82
of 20 September 1982
amending Regulation (EEC) No 1724/80 adopting general rules concerning
special measures for soya beans harvested in 1980

THE COUNCIL OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community,

Having regard to Council Regulation (EEC) No 1614/79 of 24 July 1979 laying down special measures in respect of soya beans ⁽¹⁾, as amended by Regulation (EEC) No 1984/82 ⁽²⁾, and in particular Article 2 (4) thereof,

Having regard to the proposal from the Commission,

Whereas Regulation (EEC) No 1724/80 ⁽³⁾, as last amended by Regulation (EEC) No 3003/81 ⁽⁴⁾, adopted general rules for the aid system for soya beans for the 1980/81 and 1981/82 marketing years; whereas the experience gained during these marketing years proved insufficient to assess the effectiveness of these measures; whereas the application of the said Regulation should therefore be extended by one year and certain amendments should be made thereto;

Whereas to enable the aid scheme provided for in Article 2 (1) of Regulation (EEC) No 1614/79 to operate more efficiently it should be made possible for an advance payment to be made of part or all of the aid, provided that a security is lodged;

Whereas Article 2a of Regulation (EEC) No 1614/79 provides that, by way of exception to the rule introduced for the rest of the Community, aid is to be granted to producers of soya beans in the French overseas departments on the basis of a representative yield applied to the areas sown and harvested;

Whereas the representative yield should be determined for each harvest on the basis of the location of the areas of soya sown in the French overseas departments and of the method of cultivation used;

Whereas, if this arrangement is to operate properly, a system of control is required that will guarantee that the aid is granted only for the products meeting the required conditions; whereas this control should be achieved by the use of a system of declarations of surfaces sown and harvested,

HAS ADOPTED THIS REGULATION:

Article 1

Regulation (EEC) No 1724/80 is hereby amended as follows:

1. In the title, the words 'harvested in 1980' shall be deleted.
2. In Article 2 (b), the words 'by 15 September 1981' shall be replaced by 'before a date to be determined'.
3. The following paragraph shall be added to Article 2:

'However, at the first purchaser's request he shall, on submission of the declaration of delivery, be granted an advance payment of part or all of the aid, provided that an amount of security equivalent to the amount of aid is lodged.'

4. The following Article shall be inserted:

'Article 5a

1. By way of derogation from Articles 2 to 5, the aid shall be granted on its request to any producer of soya beans harvested in the French overseas departments on the basis of a production figure established by applying a representative yield to the areas sown and harvested.

2. The representative yield shall be established for each harvest for soya beans of standard quality. It may be differentiated according to the method of cultivation used and to the yields recorded in the different French overseas departments.

For the purpose of the said control France shall introduce a system for the declaration of areas sown and harvested.

5. The second paragraph of Article 8 shall be replaced by the following :

'It shall apply only to beans harvested in 1980, 1981 and 1982. However, Article 5a shall apply only to beans harvested in the 1982/83 marketing year.
