COMMISSION REGULATION (EEC) No 2833/85
of 10 October 1985

**fixing the minimum levies on the importation of olive oil and levies on the
importation of other olive oil sector products**

THE COMMISSION OF THE EUROPEAN
COMMUNITIES,

Having regard to the Treaty establishing the European
Economic Community,

Having regard to Council Regulation No 136/66/EEC
of 22 September 1966 on the establishment of a
common organization of the market in oils and fats ⁽¹⁾,
as last amended by Regulation (EEC) No 231/85 ⁽²⁾,
and in particular Article 16 (2) thereof,

Having regard to Council Regulation (EEC) No
1514/76 of 24 June 1976 on imports of olive oil origi-
nating in Algeria ⁽³⁾, as last amended by Regulation
(EEC) No 1201/85 ⁽⁴⁾, and in particular Article 5
thereof,

Having regard to Council Regulation (EEC) No
1521/76 of 24 June 1976 on imports of olive oil origi-
nating in Morocco ⁽⁵⁾, as last amended by Regulation
(EEC) No 436/85 ⁽⁶⁾, and in particular Article 5
thereof,

Having regard to Council Regulation (EEC) No
1508/76 of 24 June 1976 on imports of olive oil origi-
nating in Tunisia ⁽⁷⁾, as last amended by Regulation
(EEC) No 436/85, and in particular Article 5 thereof,

Having regard to Council Regulation (EEC) No
1180/77 of 17 May 1977 on imports into the Commu-
nity of certain agricultural products originating in
Turkey ⁽⁸⁾, as last amended by Regulation (EEC) No
435/85 ⁽⁹⁾, and in particular Article 10 (2) thereof,

Having regard to Council Regulation (EEC) No
1620/77 of 18 July 1977 laying down detailed rules for
the importation of olive oil from Lebanon ⁽¹⁰⁾;

Whereas by Regulation (EEC) No 3131/78 of 28
December 1978 ⁽¹¹⁾ the Commission decided to use
the tendering procedure to fix levies on olive oil;

Whereas Article 3 of Council Regulation (EEC) No
2751/78 of 23 November 1978 laying down general
rules for fixing the import levy on olive oil by
tender ⁽¹²⁾ specifies that the minimum levy rate shall
be fixed for each of the products concerned on the
basis of the situation on the world market and the
Community market and of the levy rates indicated by
tenderers;

Whereas in the collection of the levy account should
be taken of the provisions in the Agreements between
the Community and certain third countries; whereas
in particular the levy applicable for those countries
must be fixed taking as a basis for calculation the levy
to be collected on imports from the other third coun-
tries;

Whereas application of the rules recalled above to the
levy rates indicated by tenderers on 7 and 8 October
1985 leads to the minimum levies being fixed as indi-
cated in Annex I to this Regulation;

subheadings 07.01 N II and 07.03 A II of the
Common Customs Tariff and on products falling
within subheadings 15.17 B I and 23.04 A II of the
Common Customs Tariff must be calculated from the
minimum levy applicable on the olive oil contained in
these products; whereas, however, the levy charged for
olive oil may not be less than an amount equal to 8 %
of the value of the imported product, such amount to
be fixed at a standard rate; whereas application of
these provisions leads to the levies being fixed as indi-
cated in Annex II to this Regulation,

HAS ADOPTED THIS REGULATION:

COMMISSION REGULATION (EEC) No 2835/85

of 8 October 1985

on the supply of maize flour to the United Nations High Commissioner for Refugees (UNHCR) as food aid

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community,

Having regard to Council Regulation (EEC) No 2727/75 of 29 October 1975 on the common organization of the market in cereals⁽¹⁾, as last amended by Regulation (EEC) No 1018/84⁽²⁾,

Having regard to Council Regulation (EEC) No 2750/75 of 29 October 1975 fixing criteria for the mobilization of cereals intended as food aid⁽³⁾, as amended by Regulation (EEC) No 3331/82⁽⁴⁾, and in particular Article 6 thereof,

Having regard to Council Regulation (EEC) No 457/85 of 19 February 1985 laying down the implementing rules for 1984 for Regulation (EEC) No 3331/82 concerning food-aid policy and food-aid management⁽⁵⁾,

Having regard to Council Regulation No 129 of 23 October 1962 on the value of the unit of account and the exchange rates to be applied for the purposes of the common agricultural policy⁽⁶⁾, as last amended by Regulation (EEC) No 2543/73⁽⁷⁾, and in particular Article 3 thereof,

Having regard to the opinion of the Monetary Committee,

Whereas on 12 March 1985 the Commission of the European Communities decided to grant, under Community measures, various quantities of cereals to certain non-member countries and beneficiary organizations;

Whereas, pursuant to Article 3 (3) of Council Regulation (EEC) No 2750/75, the goods may be purchased anywhere on the Community market;

Whereas an invitation to tender should be issued for supply of the products delivered unloaded at destination in view of the final use to be made of the goods delivered;

Whereas the provisions of Commission Regulation (EEC) No 1974/80 of 22 July 1980 laying down general implementing rules in respect of certain food-

aid operations involving cereals and rice⁽⁸⁾, as last amended by Regulation (EEC) No 3323/81⁽⁹⁾, should be applied as far as possible, particularly in respect of the procedure for submission of tenders, since the manner in which the security is lodged must guarantee that the successful tenderer complies with his obligations;

Whereas, however, the specific provisions concerning delivery to destination must be set out; whereas the successful tenderer must thus bear all risk in the goods up to unloading at the stipulated destination; whereas payment can be made only when proof of delivery to the destination is provided;

Whereas it must be made clear who is to bear any costs which arise in the event that for reasons of *force majeure* the operation in question is not completed within the period stipulated;

Whereas the measures provided for in this Regulation are in accordance with the opinion of the Management Committee for Cereals,

HAS ADOPTED THIS REGULATION:

The tender shall state separately the amount of cost in respect of sea and land transport to the stipulated final destination.

The tender shall indicate the Member State in which the tenderer, in the event of his being declared successful, undertakes to complete the customs export formalities.

3. The tenderer shall carry out his obligations pursuant to this Regulation and the undertakings referred to in Article 4 (4) of Regulation (EEC) No 1974/80, with the exception of points (d) and (e) thereof.

4. The tenderer shall undertake to ship in vessels, listed in the larger classes in recognized classification registers, not more than 15 years old and attested by a competent body as meeting hygiene requirements.

Article 3

1. Without prejudice to paragraphs 2 and 3, the contract shall be awarded within 48 hours to the tenderer who has submitted the most favourable tender.

2. Where the most favourable tender is submitted by more than one tenderer, the intervention agency shall award the contract to one of those tenderers by drawing lots.

3. If the tenders do not appear to be in line with the prices normally prevailing on the market, the intervention agency may, with the agreement of the Commission, decide not to award the contract.

4. The intervention agency shall communicate the results of the tendering procedure to all the tenderers by letter or telex sent not later than the first working day following the award decision.

Article 4

1. The successful tenderer shall contract as necessary, at his own expense, for carriage of the goods to the final destination and shall bear all the costs involved, including those of unloading and warehousing at the destination. He shall take out suitable insurance.

2. The successful tenderer shall bear all the risks relating to the goods, in particular of loss or deterioration to which the goods are subject, until they have

effectively been unloaded and delivered to the final destination.

3. The successful tenderer shall communicate as soon as possible to the recipient's representative the date of loading, the means of transport used to consign the goods to the final destination, and the probable date of arrival. He shall immediately send this information to the intervention agency responsible for payment, which shall forward it without delay to the Commission.

The tenderer shall advise the recipient's representative, at least three days in advance, of the probable date of arrival of the goods at the final destination.

Article 5

1. The intervention agency of the country of shipment shall arrange for a check at the port, before loading, on the quantity, quality and packaging of the goods. Following inspection an attestation shall be issued by the intervention agency. The costs relating thereto shall be borne by the successful tenderer.

The successful tenderer shall provide that intervention agency with the certificate showing that the fumigation has been carried out.

2. Samples intended for analysis shall be taken and the inspection shall be carried out in accordance with the trade practices in force in the country of shipment. The successful tenderer and the recipient's representative shall be invited to take part in the operation.

Two sealed samples shall be kept by the intervention agency until issue by the recipient of the taking-over certificate or until issue of the certificate referred to in Article 6 (2).

3. If the inspection referred to in paragraph 1 gives rise to a dispute, the intervention agency shall arrange for a second inspection by a service different from that mentioned in paragraph 1, the findings of which shall be final. The costs relating thereto shall be borne by the losing party.

4. Where the inspection provided for in the preceding paragraphs reveals that the goods do not satisfy the requirements stipulated, they must be refused and replaced. Where some quantities are missing the successful tenderer must make up the cargo.

Article 6

1. A taking-over certificate shall be issued by the recipient immediately following unloading at the final destination. It shall state the place and date of taking

over and give a description of the goods taken over in the form given in Annex II and any comments by the recipient.

2. Where the taking-over certificate is not issued for reasons other than a dispute about the goods, proof of delivery may be provided by means of a certificate of the form given in Annex II endorsed by the Community representative in the country of destination.

Article 7

1. Payment to the successful tenderer shall be made by the intervention agency of the Member State in which the customs export formalities are completed.

2. The amount to be paid shall be that of the tender plus, where appropriate, the costs referred to in Article 9. It shall be paid in the currency of the Member State which is responsible for payment. For this purpose this amount shall be converted by using:

- where the currencies in question are maintained within a maximum spread at any one time of 2,25 %, the conversion rate resulting from their central rate,
- in other cases, the relationship between the two currencies concerned established by using the latest statement of their spot exchange rates made immediately prior to the closing date for the submission of tenders as published in the 'C' series of the *Official Journal of the European Communities*.

3. The amount referred to in paragraph 2 shall be paid to the successful tenderer on presentation of the original of the taking-over certificate or a certified copy thereof, or, if this is not available, of the certificate referred to in Article 6 (2).

4. The intervention agency is hereby authorized to make without delay an initial payment of 80 % of the value of the quantity given in the bill of lading, on presentation of a copy of that document, of the attestation referred to in Article 5 (1) and of the fumigation certificate, and subject to the provision of a security for an amount equal to the initial payment.

The said security shall be provided as laid down in Article 5 (2) of Regulation (EEC) No 1974/80.

Article 8

1. The security referred to in Article 2 shall be immediately released to:

- every tenderer whose tender was not successful or was not accepted,
- the successful tenderer in respect of quantities not delivered on account of *force majeure*,
- the successful tenderer in respect of the quantities delivered in accordance with this Regulation and on presentation of the original of the taking-over certificate or a certified true copy thereof or, where appropriate, the certificate referred to in Article 6 (2).

2. The security referred to in Article 7 (4) shall be released immediately when the successful tenderer furnishes the proof in accordance with Article 6 that at least 80 % of the quantity provided for has been delivered in conformity with the conditions laid down in this Regulation.

Article 9

If the successful tenderer, for reasons of *force majeure*, has to bear exceptional costs in respect of the delivery made under this Regulation which cannot be covered by insurance, he may receive compensation therefor on production of supporting documents and with the prior agreement of the Commission.

Article 10

Except in case of *force majeure* the successful tenderer shall bear all the financial consequences of the non-delivery of the goods under the conditions laid down in this Regulation if the recipient had made delivery possible under such conditions.

The costs resulting from the non-delivery of the goods following a case of *force majeure* shall be borne by the intervention agency responsible for payment.

Article 11

Articles 21 and 22 (1) and (2) of Regulation (EEC) No 1974/80 shall apply in the context of this Regulation.

The intervention agency responsible for payment shall, on receipt, send the information referred to in Article 4 (3) to the Commission.

The intervention agency in the country of shipment shall send the Commission, without delay, the results of the inspection referred to in Article 5.

Article 12

This Regulation shall enter into force on the day following its publication in the *Official Journal of the European Communities*.

This Regulation shall be binding in its entirety and directly applicable in all Member States.

COMMISSION REGULATION (EEC) No 2838/85

of 10 October 1985

fixing the export refunds on milk and milk products

THE COMMISSION OF THE EUROPEAN
COMMUNITIES,

Having regard to the Treaty establishing the European
Economic Community,

Having regard to Council Regulation (EEC) No 804/68
of 27 June 1968 on the common organization of the
market in milk and milk products ⁽¹⁾, as last amended
by Regulation (EEC) No 1298/85 ⁽²⁾, and in particular
Article 17 (4) thereof,

Having regard to the opinion of the Monetary
Committee,

Whereas Article 17 of Regulation (EEC) No 804/68
provides that the difference between prices in inter-
national trade for the products listed in Article 1 of
that Regulation and prices for those products within
the Community may be covered by an export refund ;

Whereas Council Regulation (EEC) No 876/68 of 28
June 1968 laying down general rules for granting
export refunds on milk and milk products and criteria
for fixing the amount of such refunds ⁽³⁾, as amended
by Regulation (EEC) No 2429/72 ⁽⁴⁾, provides that
when the refunds on the products listed in Article 1 of
Regulation (EEC) No 804/68, exported in the natural
state, are being fixed account must be taken of :

- the existing situation and the future trend with
regard to prices and availabilities of milk and milk
products on the Community market and prices for
milk and milk products in international trade,
- marketing costs and the most favourable transport
charges from Community markets to ports or other
points of export in the Community, as well as costs
incurred in placing the goods on the market of the
country of destination,
- the aims of the common organization of the
market in milk and milk products which are to
ensure equilibrium and the natural development of
prices and trade on this market,

— the need to avoid disturbances on the Community
market, and

— the economic aspect of the proposed exports ;

Whereas Article 3 (1) of Regulation (EEC) No 876/68
provides that when prices within the Community are
being determined account should be taken of the
ruling prices which are most favourable for expor-
tation, and that when prices in international trade are
being determined particular account should be taken
of :

- (a) prices ruling on third country markets ;
- (b) the most favourable prices in third countries of
destination for third country imports ;
- (c) producer prices recorded in exporting third coun-
tries, account being taken, where appropriate, of
subsidies granted by those countries ; and
- (d) free-at-Community-frontier offer prices ;

Whereas Article 4 of Regulation (EEC) No 876/68
provides that the world market situation or the specific
requirements of certain markets may make it necessary
to vary the refund on the products listed in Article 1
of Regulation (EEC) No 804/68 according to desti-
nation ;

Whereas Article 5 (1) of Regulation (EEC) No 876/68
provides that the list of products on which export
refunds are granted and the amount of such refunds
should be fixed at least once every four weeks ;
whereas the amount of the refund may, however,
remain at the same level for more than four weeks ;

Whereas Article 2 of Commission Regulation (EEC)
No 1098/68 of 27 July 1968 on detailed rules for the
application of export refunds on milk and milk
products ⁽⁵⁾, as last amended by Regulation (EEC) No
2283/81 ⁽⁶⁾, provides that the refund on products
falling within subheading 04.02 B is equal to the sum
of two components, the first representing the quantity
of milk products and the second representing the
quantity of added sucrose ; whereas, however, the latter
component applies only if the added sucrose was
produced from beet or cane harvested within the
Community ;

⁽¹⁾ OJ No L 148, 28. 6. 1968, p. 13.

⁽²⁾ OJ No L 137, 27. 5. 1985, p. 5.

⁽³⁾ OJ No L 155, 3. 7. 1968, p. 1.

⁽⁴⁾ OJ No L 264, 23. 11. 1972, p. 1.

⁽⁵⁾ OJ No L 184, 29. 7. 1968, p. 10.

⁽⁶⁾ OJ No L 223, 8. 8. 1981, p. 10.

Whereas for the products falling within subheading 04.02 B II a) or 04.02 B II b) 1 with a fat content not exceeding 9,5 % by weight, the first component referred to above is fixed for 100 kilograms of the whole product; whereas, for the other products falling within subheading 04.02 B, this component is calculated by multiplying the basic amount by the milk product content of the product in question; whereas this basic amount is the refund on one kilogram of milk products contained in the product;

Whereas the second component is calculated by multiplying the sucrose content of the product by the basic amount of the refund valid on the day of exportation for the products listed in Article 1 (1) (d) of Council Regulation (EEC) No 1785/81 of 30 June 1981 on the common organization of the markets in the sugar sector⁽¹⁾;

Whereas, if the refund system is to operate normally, refunds should be calculated on the following basis:

- in the case of currencies which are maintained in relation to each other at any given moment within a band of 2,25 %, a rate of exchange based on their central rate, multiplied by the coefficient provided for in Article 2b (2) of Regulation (EEC) No 974/71⁽²⁾, as last amended by Regulation (EEC) No 855/84⁽³⁾,
- for other currencies, an exchange rate based on the arithmetic mean of the spot market rates of each of these currencies recorded over a given period in relation to the Community currencies referred to in the previous indent, and the aforesaid coefficient;

Whereas the level of refund for cheeses is calculated for products intended for direct consumption; whereas the cheese rinds and cheese wastes are not products intended for this purpose; whereas, to avoid any confusion in interpretation, it should be specified that

there will be no refund for these products which fall within heading No 04.04;

Whereas Commission Regulation (EEC) No 896/84⁽⁴⁾, as amended by Regulation (EEC) No 2881/84⁽⁵⁾, laid down additional provisions concerning the granting of refunds on the change from one milk year to another; whereas those provisions provide for different refunds according to the date of manufacture of the products;

Whereas it follows from applying these detailed rules to the present situation on the market in milk and milk products, and in particular to prices for these products within the Community and on the world market, that the refund should be as set out in the Annex hereto;

Whereas the Management Committee for Milk and Milk Products has not delivered an opinion within the time limit set by its chairman,

HAS ADOPTED THIS REGULATION:

Article 1

- (²) The weight of the added non-lactic matter and/or added whey and/or added lactose and/or added casein and/or added caseinates, shall not be taken into account for the purpose of calculation of the fat content by weight. When the product falling within this subheading is a mixture containing added whey and/or added lactose and/or added casein and/or added caseinates, the added whey and/or added lactose and/or added casein and/or added caseinates shall not be taken into account in the calculation of the amount of refund.

When completing customs formalities, the applicant shall state on the declaration provided for this purpose :

- the actual content by weight of whey and/or lactose and/or casein and/or caseinate added per 100 kg of finished product, and, in particular,
- the lactose content of the added whey.

- (⁴) The weight of added non-lactic matter and/or added whey and/or added lactose and/or added casein and/or added caseinates shall not be taken into account for the purpose of calculating the fat content, by weight.

The refund per 100 kg of product falling within this subheading shall be equal to the sum of the following components :

- (a) the amount per kilogram shown, multiplied by the weight of the lactic part contained in 100 kg of product ; however, where whey and/or lactose and/or casein and/or caseinates have been added to the product, the amount per kilogram shown shall be multiplied by the weight of lactic part excluding the weight of added whey and/or added lactose and/or added casein and/or added caseinates, contained in 100 kg of product ;
- (b) a component calculated in accordance with the provisions of Article 2 (3) of Regulation (EEC) No 1098/68.

When completing customs formalities, the applicant shall state on the declaration provided for this purpose :

- the actual content by weight of whey and/or lactose and/or casein and/or caseinates added per 100 kg of finished product, and, in particular,
- the lactose content of the added whey.

- (⁵) The refund on 100 kg of product falling within this subheading is equal to the sum of the following elements :

- (a) the amount per 100 kg shown ; however, where whey and/or lactose and/or casein and/or caseinates been added to the product, the amount per 100 kg shown shall be :
 - multiplied by the weight of the lactic part other than the added whey and/or added lactose and/or added casein and/or added caseinates contained in 100 kg of product, and then
 - divided by the weight of the lactic part contained in 100 kg of product ;
- (b) a component calculated in accordance with the provisions of Article 2 (3) of Regulation (EEC) No 1098/68.

When completing customs formalities, the applicant shall state on the declaration provided for this purpose :

- the actual content by weight of whey and/or lactose and/or casein and/or caseinate added per 100 kg of finished product, and, in particular,

- the skimmed-milk powder content, by weight,
 - the content by weight of the added whey and/or added lactose and/or added casein and/or added caseinates, and
 - the lactose content of the added whey
- per 100 kg of finished product.

- (⁹) 'Special compound feedingstuffs' are compound feedingstuffs containing skimmed-milk powder and fish meal and/or more than 9 g of iron and/or more than 1,2 g of copper in 100 kg of product.

- (¹⁰) Amount applicable only in the cases indicated in Article 10 (3) to (5) of Regulation (EEC) No 2729/81.

However :

- in the case of exports under either Regulation (EEC) No 2268/84 or Regulation (EEC) No 2278/84 the rate of refund is reduced by 25 ECU per 100 kilograms net,
- in the case of exports under Regulation (EEC) No 2956/84 the rate of refund shall be that applying on 18 June 1985.

- (¹¹) The rate of refund referred to in footnote (¹⁰) shall also apply to ghee exported under Regulation (EEC) No 2278/84.

N.B. : Zones A, B, C, D and E are those defined in Regulation (EEC) No 1098/68, as last amended by Regulation (EEC) No 2283/81.

COMMISSION REGULATION (EEC) No 2839/85
of 10 October 1985
fixing the export refunds on pigmeat

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community,

Having regard to Council Regulation (EEC) No 2759/75 of 29 October 1975 on the common organization of the market in pigmeat ⁽¹⁾, as last amended by Regulation (EEC) No 2966/80 ⁽²⁾, and in particular the first sentence of Article 15 (5) thereof,

Having regard to Council Regulation (EEC) No 2768/75 of 29 October 1975 laying down general rules for granting export refunds on pigmeat and criteria for fixing the amount of such refunds ⁽³⁾, and in particular Article 5 (1) thereof,

Whereas Article 15 of Regulation (EEC) No 2759/75 provides that the difference between prices on the world market for the products listed in Article 1 (1) of that Regulation and prices for these products within the Community may be covered by an export refund ;

Whereas it follows from applying these rules and criteria to the present situation on the market in pigmeat that the refund should be fixed as set out below ;

Whereas facilities exist at present for the export of live pigs falling within subheading 01.03 A II b), and for certain products falling within subheading 02.01 A III ; whereas a refund should be fixed for these products taking particular account of the conditions of competition for Community exporters on world markets ;

Whereas, in the case of products falling within subheading 02.06 B I, the refund should be limited to an amount which takes account of the qualitative characteristics of each of the products falling within this subheading and of the foreseeable trend of production costs on the world market ; whereas it is important

that the Community should continue to take part in international trade in the case of certain typical Italian products falling within subheadings 02.06 B I b) 1 and B I b) 5 aa) ;

Whereas, because of the conditions of competition in certain third countries, which are traditionally importers of products falling within subheadings ex 16.01 A and B, ex 16.02 A II and B III a) 2, the refund for these products should be fixed so as to take this situation into account ; whereas steps should be taken to ensure that the refund is granted only for the net weight of the edible substances, to the exclusion of the net weight of the bones possibly contained in the said preparations ;

Whereas, since economically significant quantities of other pigmeat products are not being exported at present, there is no need to fix a refund for these products ;

Whereas Article 4 of Regulation (EEC) No 2768/75 provides that the world market situation or the specific requirements of certain markets may make it necessary to vary the refund on the products listed in Article 1 (1) of Regulation (EEC) No 2759/75 according to destination ;

Whereas the measures provided for in this Regulation are in accordance with the opinion of the Management Committee for Pigmeat,

HAS ADOPTED THIS REGULATION :

Article 1

The list of products on which the export refund referred to in Article 15 of Regulation (EEC) No 2759/75 is granted, and the amount of that refund, shall be as set out in the Annex hereto.

Article 2

This Regulation shall enter into force on 14 October 1985.

This Regulation shall be binding in its entirety and directly applicable in all Member States.

Done at Brussels, 10 October 1985.

COMMISSION REGULATION (EEC) No 2840/85
of 10 October 1985
fixing additional amounts for certain pigmeat products

THE COMMISSION OF THE EUROPEAN
COMMUNITIES,

Having regard to the Treaty establishing the European
Economic Community,

Having regard to Council Regulation (EEC) No
2759/75 of 29 October 1975 on the common organi-
zation of the market in pigmeat ⁽¹⁾, as last amended by
Regulation (EEC) No 2966/80 ⁽²⁾, and in particular the
second subparagraph of Article 13 (5) thereof,

Whereas if, for a given product, the free-at-frontier
offer price (hereinafter called the 'offer price') falls
below the sluice-gate price, the levy applicable to that
product must be increased by an additional amount
equal to the difference between the sluice-gate price
and the offer price determined in accordance with
Article 1 of Commission Regulation No 202/67/EEC
of 28 June 1967 on fixing the additional amount for
imports of pigmeat products from third countries ⁽³⁾, as
amended by Regulation No 614/67/EEC ⁽⁴⁾;

Whereas the offer price must be determined for all
imports from all third countries; whereas, however, if
exports from one or more third countries are effected
at abnormally low prices, lower than prices ruling for
other third countries, a second offer price must be
determined for exports from these other countries;

Whereas the regular review of the information serving
as a basis for the determination of average offer prices
for the products listed in Article 1 (1) of Regulation
(EEC) No 2759/75 indicates that additional amounts
corresponding to the figures shown in the Annex
hereto should be fixed for the imports listed according
to product and country of origin in that Annex;

Whereas Council Regulation (EEC) No 2767/75 of 29
October 1975 ⁽⁵⁾, as last amended by Regulation (EEC)
No 1906/83 ⁽⁶⁾, laid down general rules for the fixing
of additional amounts for those products for which no
sluice-gate price is fixed;

Whereas Regulation No 202/67/EEC lays down
certain detailed rules, to that end, and in particular for

determining the free-at-frontier offers for those
products; whereas, according to the information
received by the Commission, offers from third coun-
tries in the determination of which not only the prices
shown in customs documents but also all other indica-
tions concerning the prices ruling in third countries,
are taken into account, are developing in such a way
that additional amounts should be fixed for those
products at the level shown in the Annex;

Whereas, in accordance with Article 1 of Regulation
No 121/65/EEC ⁽⁷⁾ and with Regulations (EEC) No
564/68 ⁽⁸⁾, (EEC) No 998/68 ⁽⁹⁾, as amended by Regula-
tion (EEC) No 328/83 ⁽¹⁰⁾, (EEC) No 2260/69 ⁽¹¹⁾, as
amended by Regulation (EEC) No 328/83, and (EEC)
No 1570/71 ⁽¹²⁾, as amended by Regulation (EEC) No
328/83, the levy on certain products listed in those
Regulations which originate in and come from the
Federal Republic of Austria, the People's Republic of
Poland, the Hungarian People's Republic, the Socialist
Republic of Romania and the People's Republic of
Bulgaria should not be increased by an additional
amount;

Whereas the measures provided for in this Regulation
are in accordance with the opinion of the Management
Committee for Pigmeat,

HAS ADOPTED THIS REGULATION:

Article 1

The additional amounts provided for in Article 13 of
Regulation (EEC) No 2759/75 shall be as set out in
the Annex hereto for the products listed in Article 1
(1) of that Regulation which appear in the said Annex.

Article 2

This Regulation shall enter into force on 14 October
1985.

COMMISSION REGULATION (EEC) No 2845/85

of 10 October 1985

fixing the export refunds on cereals and on wheat or rye flour, groats and meal

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community,

Having regard to Council Regulation (EEC) No 2727/75 of 29 October 1975 on the common organization of the market in cereals⁽¹⁾, as last amended by Regulation (EEC) No 1018/84⁽²⁾, and in particular the fourth subparagraph of Article 16 (2),

Having regard to the opinion of the Monetary Committee,

Whereas Article 16 of Regulation (EEC) No 2727/75 provides that the difference between quotations or prices on the world market for the products listed in Article 1 of that Regulation and prices for those products in the Community may be covered by an export refund;

Whereas Article 2 of Council Regulation (EEC) No 2746/75 of 29 October 1975 laying down general rules for granting export refunds on cereals and criteria for fixing the amount of such refunds⁽³⁾, provides that when refunds are being fixed, account must be taken of the existing situation and the future trend with regard to prices and availabilities of cereals on the Community market on the one hand, and prices for cereals and cereal products on the world market on the other; whereas the same Article provides that it is also important to ensure equilibrium and the natural development of prices and trade on cereal markets and, furthermore, to take into account the economic aspect of the proposed exports and the need to avoid disturbances on the Community market;

Whereas Article 3 of Regulation (EEC) No 2746/75 defines the specific criteria to be taken into account when the refund on cereals is being calculated;

Whereas these specific criteria are defined, as far as wheat and rye flour, groats and meal are concerned, in Article 4 of Regulation (EEC) No 2746/75; whereas furthermore, when the refund on these products is being calculated, account must be taken of the quantities of cereals required for their manufacture; whereas these quantities were fixed in Regulation No 162/67/EEC⁽⁴⁾, as amended by Regulation (EEC) No 1607/71⁽⁵⁾;

Whereas the world market situation or the specific requirements of certain markets may make it necessary to vary the refund for certain products according to destination;

Whereas the refund must be fixed once a month; whereas it may be altered in the intervening period;

Whereas, if the refund system is to operate normally, refunds should be calculated on the following basis:

- in the case of currencies which are maintained in relation to each other at any given moment within a band of 2,25 %, a rate of exchange based on their central rate, multiplied by the coefficient provided for in Article 2b (2) of Regulation (EEC) No 974/71⁽⁶⁾, as last amended by Regulation (EEC) No 855/84⁽⁷⁾,
- for other currencies, an exchange rate based on the arithmetic mean of the spot market rates of each of these currencies recorded over a given period in relation to the Community currencies referred to in the previous indent and the aforesaid coefficient;

Whereas it follows from applying the detailed rules set out above to the present situation on the market in cereals, and in particular to quotations or prices for these products within the Community and on the world market, that the refunds should be as set out in the Annex hereto;

Whereas the measures provided for in this Regulation are in accordance with the opinion of the Management Committee for Cereals,

HAS ADOPTED THIS REGULATION:

Article 1

The export refunds on the products listed in Article 1 (a), (b) and (c) of Regulation (EEC) No 2727/75, exported in the natural state, shall be as set out in the Annex hereto.

COUNCIL

COUNCIL DIRECTIVE

of 1 October 1985

amending for the sixth time (PCBs/PCTs) Directive 76/769/EEC on the approximation of the laws, regulations and administrative provisions of the Member States relating to restrictions on the marketing and use of certain dangerous substances and preparations

(85/467/EEC)

THE COUNCIL OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community, and in particular Article 100 thereof,

Having regard to the proposal from the Commission,

Having regard to the opinion of the European Parliament ⁽¹⁾,

Having regard to the opinion of the Economic and Social Committee ⁽²⁾,

Whereas polychlorinated biphenyls (PCBs) and polychlorinated terphenyls (PCTs) may constitute serious risks to health and to the environment;

Whereas it has been ascertained that, despite the restriction on the use of PCBs and PCTs introduced by Directive 76/769/EEC ⁽³⁾, as last amended by Directive 83/478/EEC ⁽⁴⁾, there is generally no indication that pollution of the environment by PCBs and PCTs has lessened significantly; whereas highly toxic substances may be given off in the event of fires; whereas therefore the threshold laid down in Directive 76/769/EEC of 0,1 % by weight of PCBs and PCTs in preparations must be substantially lowered;

Whereas, since Directive 76/769/EEC was adopted, substitutes have been developed which are considered

less dangerous to human beings and the environment; whereas the continued marketing of PCBs and PCTs is therefore no longer justified under present circumstances, except in certain exceptional cases of limited duration;

Whereas the use of PCBs and PCTs in certain plant and equipment in service at present should continue to be authorized until they have been disposed of or until the end of the service life of the plant and equipment; whereas Member States may nevertheless ban the use of PCBs and PCTs within their territory before the end of the service life of the plant and equipment;

Whereas the Member States should be permitted to authorize exceptions to the ban on the use of PCBs and PCTs as primary and intermediate products where certain conditions are fulfilled, in particular where they consider that there is no danger to public health and the environment;

Whereas a more general ban on the use of PCBs and PCTs is not feasible at this stage; whereas, however, this Directive constitutes an important step towards such a ban,

HAS ADOPTED THIS DIRECTIVE:

Article 1

1. Point 1 of Annex I to Directive 76/769/EEC is hereby replaced by the text in the Annex to this Directive.

⁽¹⁾ OJ No C 141, 10. 6. 1985, p. 76.

⁽²⁾ OJ No C 104, 25. 4. 1985, p. 1.

⁽³⁾ OJ No L 262, 27. 9. 1976, p. 201.

⁽⁴⁾ OJ No L 263, 24. 9. 1983, p. 33.

2. Annex II to Directive 76/769/EEC is hereby amended as follows:

- the existing Annex II shall become Annex II, part A;
- part B below shall be added:

'B. Specific provisions relating to the labelling of products containing PCBs and PCTs

Without prejudice to the provisions of other Directives relating to the labelling of dangerous substances and preparations, Member States may require equipment and plant containing PCBs or PCTs also to display instructions concerning the disposal of PCBs and PCTs and the maintenance and use of equipment and plant containing them. These instructions must be capable of being read horizontally when the object containing the PCBs or PCTs is installed in the normal way. The inscription must stand out clearly from its background.

Member States may require the inscription to be in a language which is understood in their territory.'

Article 2

1. Member States shall take the measures necessary to comply with this Directive by 30 June 1986 at the latest. They shall forthwith inform the Commission thereof.

2. Member States shall communicate to the Commission the texts of the provisions of national law which they adopt in the field covered by this Directive.

Article 3

This Directive is addressed to the Member States.

COMMISSION

COMMISSION DECISION

of 26 September 1985

amending Council Decision 82/734/EEC as regards the list of establishments in Switzerland approved for the purposes of importing fresh meat into the Community

(85/468/EEC)

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community,

Having regard to Council Directive 72/462/EEC of 12 December 1972 on health and veterinary inspection problems upon importation of bovine animals, swine and fresh meat from third countries⁽¹⁾, as last amended by Directive 83/91/EEC⁽²⁾, and in particular Articles 4 (1) and 18 (1) thereof,

Having regard to Council Directive 77/96/EEC of 21 December 1976 on the examination for trichinae (*trichinella spiralis*) upon importation from third countries of fresh meat derived from domestic swine⁽³⁾, as last amended by Directive 84/319/EEC⁽⁴⁾, and in particular Article 4 thereof,

Whereas a list of establishments in Switzerland, approved for the purposes of the importation of fresh meat into the Community, was drawn up initially by Council Decision 82/734/EEC⁽⁵⁾, as last amended by Commission Decision 84/490/EEC⁽⁶⁾;

Whereas a routine inspection under Article 5 of Directive 72/462/EEC and Article 3 (1) of Commission Decision 83/196/EEC of 8 April 1983 concerning on-the-spot inspections to be carried out in respect of the importation of bovine animals, swine and fresh meat from non-member countries⁽⁷⁾ has revealed that

the level of hygiene of one establishment has altered since the last inspection;

Whereas the list of establishments should, therefore, be amended;

Whereas the measures provided for in this Decision are in accordance with the opinion of the Standing Veterinary Committee,

HAS ADOPTED THIS DECISION:

Article 1

The Annex to Decision 82/734/EEC is replaced by the Annex to this Decision.

Article 2

This Decision is addressed to the Member States.

COMMISSION OF THE EUROPEAN COMMUNITIES

EUROPEAN PERSPECTIVES

THE EUROPEAN MONETARY SYSTEM

Origins, operation and outlook

by J. van Ypersele

with the collaboration of J.-C. Koeune

Preface by Robert Triffin

Since 13 March 1979, the exchange rates of the European Community currencies (with the exception of sterling and the drachma) have been regulated by the European Monetary System. The creation of the EMS arose from two complementary concerns: to stabilize exchange relationships between European currencies and to base this external stability on a better convergence of the Community's economies toward internal stability.

This book tries to answer the questions likely to be raised by the educated person over the mechanisms and the economic significance of the EMS, as well as its first results and its prospects.

Chapter I explains the motives behind this European initiative in a world where, following the demise of the Bretton Woods system, the 'floating' of the major currencies was accompanied in practice by enormous international monetary instability that hindered investment and economic recovery.

The creation, through the EMS, of a 'zone of monetary stability in Europe' was only the latest in the succession of efforts, in the monetary area, to pursue European economic integration. Chapter II recalls those previous attempts, from the statement of a number of objectives in the Rome Treaty to the concerted floating of European currencies in the 'snake'.

Chapter III examines the substance of the EMS and its machinery (exchange rate and intervention mechanism, role of the ECU, credit mechanisms), explaining the new elements in these mechanisms compared with the snake, and analysing the conditions required in theory for their proper functioning.

Chapter IV illustrates, with the help of statistical analyses, how the EMS actually operated during its first five years. Despite an international environment more volatile than ever, the performance has been good as far as exchange rates are concerned, and on the convergence front, though much still remains to be done, definite progress has been made towards internal stability since the last two parity realignments. In conclusion, the chapter looks at the recent rapid development in the private use of the ECU.

Finally, Chapter V deals with the future of the EMS. It describes the transition to the institutional phase (which has been put off) and underlines the urgent need for a better convergence of the participating economies. A number of possible reforms that would be likely to reinforce the system and to improve its capacity to withstand outside shocks are also set out.
