THE COMMISSION OF THE EUROPEAN COMMUNITIES,
Having regard to the Treaty establishing the European Economic Community,

Having regard to Council Regulation (EEC) No 1696/71 of 26 July 1971 on the common organization of the market in hops ⁽¹⁾, as last amended by Council Regulation (EEC) No 3800/85 ⁽²⁾,

Having regard to Council Regulation (EEC) No 1784/77 of 1 July 1977 on the certification of hops ⁽³⁾, as last amended by Regulation (EEC) No 2039/85 ⁽⁴⁾, and in particular Article 1 (3),

Whereas the said Regulation (EEC) No 1784/77 set an annual deadline for the certification of hop cones; whereas it also provides that this date may be deferred for four months when disposal problems arise for a given harvest; whereas this situation has arisen in respect of the 1985 harvest in certain regions of the Community; whereas, therefore, the deadline for the certification of hop cones from the 1985 harvest should be deferred to 31 July 1986;

Whereas the measures provided for in this Regulation are in accordance with the opinion of the Management Committee for Hops,

COMMISSION REGULATION (EEC) No 1325/86

of 5 May 1986

amending Regulation (EEC) No 3143/85 on the sale at reduced prices of intervention butter intended for direct consumption in the form of concentrated butter

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community,

Having regard to Council Regulation (EEC) No 804/68 of 27 June 1968 on the common organization of the market in milk and milk products ⁽¹⁾, as last amended by Regulation (EEC) No 3768/85 ⁽²⁾, and in particular Article 6 (7) thereof,

Whereas Commission Regulation No 3143/85 ⁽³⁾, as last amended by Regulation (EEC) No 715/86 ⁽⁴⁾, made provision for the sale at reduced prices of intervention butter intended for direct consumption in the form of concentrated butter ;

Whereas Article 2 (4) of Regulation (EEC) No 3143/85 lays down, in particular, that the contract of sale of the reduced-price butter should name the establishment where the concentrated butter will be packaged for marketing ; whereas experience has shown that operators are having difficulties in fulfilling this contractual obligation ; whereas this provision introduces a degree of inflexibility that is not essential for the purposes of the controls provided for ; whereas it should therefore be relaxed ;

Whereas Article 4 (4) of Regulation (EEC) No 3143/85 sets the time limit for the processing of the butter into concentrated butter and for the packaging of the concentrated butter ; whereas the recent unfavourable trend in sales of concentrated butter means that operators are no longer able to meet the time limit laid down without running a considerable commercial risk related to the latest permitted date of use indicated on the packaging of the concentrated butter under national rules ; whereas this economic situation is likely to compromise the future of the system ; whereas the time limit as fixed should be waived temporarily ;

Whereas Article 5 (5) of Regulation (EEC) No 3143/85 lays down that the packs should have a maximum net content of three kilograms ; whereas, in the light of the experience gained and, in particular, of demand by restaurants and community establishments, the maximum net content should be increased to 10 kilograms ;

Whereas Article 5 (3) of Regulation (EEC) No 3143/85 lays down that nitrogen gas may be added to concentrated butter within certain limits ; whereas experience has

shown that the permitted increase in volume that results from the treatment referred to in the said Article should be increased for concentrated butter with a minimum butterfat content of 99,8 % whereas, moreover, it seems desirable to relax the provision referred to in the second subparagraph of Article 5 (4) concerning the sealing of the packs ;

Whereas the provisions of this Regulation are to the benefit of operators and should, therefore, be applicable to current contracts ;

Whereas the measures provided for in this Regulation are in accordance with the opinion of the Management Committee for Milk and Milk Products,

HAS ADOPTED THIS REGULATION :

Article 1

Regulation (EEC) No 3143/85 is hereby amended as follows :

1. The following is added to the second subparagraph of Article 2 (4) :
'However following agreement by the responsible agency, all of the concentrated butter may be packaged for marketing in an establishment other than stated in the contract of sale.'
2. The following is added to Article 4 (4) :
'However, for contracts signed before 1 May 1986, the abovementioned period shall expire on 1 September 1986.'
3. Article 5 is amended as follows :
 - (a) The following subparagraph is added to paragraph 3 :
'However, in the case of concentrated butter with a maximum butterfat content of 99,8 %, the increase in volume from this treatment may not exceed 20 % of the concentrated butter before treatment.'
 - (b) The words 'hermetically sealed packs' in the second subparagraph of paragraph 4 are replaced by the words 'sealed packs'.
 - (c) The words 'three kilograms' in paragraph 5 are replaced by the words '10 kilograms'.

COMMISSION REGULATION (EEC) No 1326/86

of 5 May 1986

amending Regulation (EEC) No 765/86 laying down detailed rules for the sale of butter from intervention stock for export to certain destinations

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community,

Having regard to Council Regulation (EEC) No 804/68 of 27 June 1968 on the common organization of the market in milk and milk products ⁽¹⁾, as last amended by Regulation (EEC) No 3768/85 ⁽²⁾, and in particular Article 6 (7) thereof,Whereas Commission Regulation (EEC) No 765/86 ⁽³⁾ introduced arrangements for the sale of butter from intervention stock for export to certain destinations; whereas Article 9 (2) of that Regulation lays down that successful tenderers must submit an application for the advance fixing of the refund and, where appropriate, of the monetary compensatory amount;

Whereas the advance fixing of the monetary compensatory amount should be provided for even where it is equal to zero; whereas Articles 6 (1) and 9 (2) of Regulation (EEC) No 765/86 should be amended accordingly;

Whereas the successful tenderer has three months from the date of removal of the butter in which to pay its price; whereas provision should be made for cases where the butter is removed but the successful tenderer does not ultimately pay the price and to make this payment one of the principal requirements set out in the said Regulation;

Whereas the Dutch version of Article 12 (5) of Regulation (EEC) No 765/86 contains an error; whereas that provision should, therefore, be corrected;

Whereas the measures provided for in this Regulation are in accordance with the opinion of the Management Committee for Milk and Milk Products,

HAS ADOPTED THIS REGULATION:

Article 1

Regulation (EEC) No 765/86 is hereby amended as follows:

1. In Article 6 (1), the words 'where relevant' are deleted.
2. Article 7 (2) is replaced by the following:
'2. Simultaneously with the fixing of the minimum sales prices and in accordance with the same procedure, the amount of the securities to guarantee the fulfilment of the principal requirements concerning payment of the price, export of the butter unprocessed or after processing within the period laid down in Article 15, and its arrival in the country of destination shown in the tender shall be fixed.

In cases where the obligations concerning the payment of the price, the time limit referred to in Article 15, the export of the butter and its arrival in the country of destination are not complied with, the security referred to in the first subparagraph shall be forfeited in its entirety.

The amount of the security shall be equal to the intervention price for butter valid on the closing date for the submission of tenders increased by 10 ECU per tonne'.
3. In Article 9 (2), the words 'where appropriate' are deleted.
4. In Article 12 (5) of the Dutch version, the words 'produkt kan een' are replaced by the words 'produkt moet een'.

*Article 2*This Regulation shall enter into force on the day of its publication in the *Official Journal of the European Communities*.

This Regulation shall be binding in its entirety and directly applicable in all Member States.

COMMISSION REGULATION (EEC) No 1327/86

of 5 May 1986

making imports of certain frozen squid subject to observance of the reference price

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community,

Having regard to Council Regulation (EEC) No 3796/81 of 29 December 1981 on the common organization of the market in fishery products⁽¹⁾, as last amended by the Act of Accession of Spain and Portugal, and in particular Article 21 (6) thereof,

Whereas Article 21 (4) of Regulation (EEC) No 3796/81 envisages *inter alia* that where the free-at-frontier price of a specified product, imported from a third country, stays below the reference price during at least three successive marketing days and where considerable quantities of that product are imported, imports of products listed, *inter alia*, in Annex II to Regulation (EEC) No 3796/81 may be made subject to the condition that the free-at-frontier price is at least equal to the reference price;

Whereas Commission Regulation (EEC) No 3191/82⁽²⁾ laid down detailed rules for the reference price system in the fishery products sector and in particular for the determination of the free-at-frontier price referred to in Article 21 (3) of Regulation (EEC) No 3796/81;

Whereas the reference price for frozen squid, listed in Annex II to Regulation (EEC) No 3796/81, for the 1986 fishing year was fixed by Commission Regulation (EEC) No 3696/85⁽³⁾;

Whereas for the first quarter of 1986 it has been established that Italy has imported quantities of squid of the genus *Loligo*, of species other than *Loligo vulgaris* and *Loligo pealei*, in frozen form, whole and non-cleaned, originating in Poland and the USSR, amounting to some 74 % of annual imports of this product, at abnormally low prices;

Whereas, for the above products, the free-at-frontier price of significant quantities remained below the reference price for three consecutive working days;

Whereas, since the imported product has the same commercial characteristics as the Community product,

these imports have caused a fall in prices of the latter, which has resulted in particular in a fall on the Italian market equal to 27 % of the 1985 average annual price; whereas, in view of the expected volume of imports, and their prices, there is a danger that this price situation could continue or even worsen in the coming months; whereas, in order to avoid disturbances due to offers at abnormally low prices, it is necessary to require imports for the products in question to observe the reference price;

Whereas the measures provided for in this Regulation are in accordance with the opinion of the Management Committee for Fishery Products,

HAS ADOPTED THIS REGULATION:

Article 1

1. The placing into free circulation in the Community of squid of the genus *Loligo* in frozen form, whole and non-cleaned, of species other than *Loligo vulgaris* and *Loligo pealei*, coming under subheading 03.03 B IV a) 1 aa) of the Common Customs Tariff, originating in Poland and the USSR, shall be subject to the condition that the free-at-frontier price is at least equal to the reference prices given in the Annex.

2. However, paragraph 1 shall not apply to products for which it is proved that they were in transit towards the Community at the date of entry into force of this Regulation.

Interested parties shall provide proof to the satisfaction of the competent customs authorities that the conditions set out in the first subparagraph have been fulfilled, by means of all available customs and road, rail or marine transport documents.

Article 2

This Regulation shall enter into force on the day of its publication in the *Official Journal of the European Communities*.

It shall apply until 31 August 1986.

Whereas Council Regulation (EEC) No 1027/84 ⁽⁸⁾ as amended by Council Regulation (EEC) No 2744/75 ⁽⁹⁾ as regards products falling within subheading 23.02 A of the Common Customs Tariff;

Whereas, if the levy system is to operate normally, levies should be calculated on the following basis:

- in the case of currencies which are maintained in relation to each other at any given moment within a band

of 2,25 %, a rate of exchange based on their central rate, multiplied by the corrective factor provided for in the last paragraph of Article 3 (1) of Regulation (EEC) No 1676/85,

- for other currencies, an exchange rate based on the arithmetic mean of the spot market rates of each of these currencies recorded over a given period in relation to the Community currencies referred to in the previous indent, and the aforesaid coefficient;

Whereas these exchange rates being those recorded on 2 May 1986;

Whereas the aforesaid corrective factor affects the entire calculation basis for the levies, including the equivalence coefficients;
