**COUNCIL REGULATION (EC) No 1081/2000  
of 22 May 2000**

**prohibiting the sale, supply and export to Burma/Myanmar of equipment which might be used for internal repression or terrorism, and freezing the funds of certain persons related to important governmental functions in that country**

THE COUNCIL OF THE EUROPEAN UNION,

Having regard to the Treaty establishing the European Community, and in particular Articles 60 and 301 thereof,

Having regard to Common Position 2000/346/CFSP of 26 April 2000 extending and amending Common Position 96/635/CFSP on Burma/Myanmar <sup>(1)</sup>,

Having regard to the proposal from the Commission,

Whereas:

- (1) In view of continued severe and systematic violations of human rights by the Burmese authorities, and in particular continuing and intensified repression of civil and political rights, and the failure of those authorities to take steps towards democracy and reconciliation, Common Position 2000/346/CFSP provides that the restrictive measures applicable to Burma/Myanmar, as laid down in Common Position 96/635/CFSP <sup>(2)</sup> and 98/612/CFSP <sup>(3)</sup>, should be expanded by means of, *inter alia*, a freezing of the funds of senior members of the State Peace and Development Council, Burmese authorities in the tourism sector, senior members of the military, the Government or the security forces who formulate, implement or benefit from policies that impede Burma/Myanmar's transition to democracy, and their families, and by a prohibition of sales, supplies and exports of equipment which might be used for internal repression or terrorism.
- (2) These measures fall within the scope of the Treaty.
- (3) Therefore, and with a view to avoiding distortion of competition, Community legislation is necessary for the implementation of the said measures as far as the territory of the Community is concerned. Such territory is deemed to encompass, for the purposes of this Regulation, all the territories of the Member States to which the Treaty is applicable, under the conditions laid down in that Treaty.
- (4) The competent authorities of the Member States should, where necessary, be empowered to ensure compliance with the provisions of this Regulation.
- (5) There is a need for the Commission and the Member States to inform each other of the measures taken under this Regulation and of other relevant information at

their disposal in connection with this Regulation, without prejudice to existing obligations with regard to certain items concerned.

- (6) It is desirable that it should be possible for sanctions for violations of this Regulation to be imposed after its entry into force,

HAS ADOPTED THIS REGULATION:

*Article 1*

It shall be prohibited, knowingly and intentionally, to sell, supply, export or ship, directly or indirectly, equipment listed in Annex I, whether or not originating in the Community, to any person or body in Burma/Myanmar or to any person or body for the purpose of any business carried on in, or operated from, the territory of Burma/Myanmar.

*Article 2*

1. All funds held outside the territory of Burma/Myanmar belonging to the senior members of the State Peace and Development Council, the Burmese authorities in the tourism sector, the senior members of the military, the Government or the security forces who formulate, implement or benefit from policies that impede Burma/Myanmar's transition to democracy, and their families, whose names are listed in Annex II, shall be frozen.
2. No funds shall be made available, directly or indirectly, to or for the benefit of the persons referred to in paragraph 1.
3. For the purpose of this Regulation:
  - funds shall mean: financial assets and economic benefits of any kind, including, but not necessarily limited to, cash, cheques, claims on money, drafts, money orders and other payment instruments; deposits with financial institutions or other entities, balances on accounts, debts and debt obligations; publicly and privately traded securities and debt instruments, including stocks and shares, certificates representing securities, bonds, notes, warrants, debentures, derivatives contracts; interest, dividends or other income on or value accruing from or generated by assets; credit, right of set-off, guarantees, performance bonds or other financial commitments; letters of credit, bills of lading, bills of sale; documents evidencing an interest in funds or financial resources, and any other instrument of export-financing;

<sup>(1)</sup> See page 1 of this Official Journal.

<sup>(2)</sup> OJ L 287, 8.11.1996, p. 1.

<sup>(3)</sup> OJ L 291, 30.10.1998, p. 1.

- freezing of funds shall mean: preventing any move, transfer, alteration, use of or dealing with funds in any way that would result in any change in their volume, amount, location, ownership, possession, character, destination or other change that would make possible the use of the funds, including portfolio management, except that any interest or income arising or any capital automatically repayable on maturity of any funds shall be paid into and held in a frozen account.

#### Article 3

Without prejudice to the Community rules concerning confidentiality and to the provisions of Article 284 of the Treaty, the competent authorities of the Member States shall have the power to require banks, other financial institutions, insurance companies, and other bodies or persons to provide all relevant information necessary for ensuring compliance with this Regulation.

#### Article 4

The Commission shall be empowered:

- to amend Annex II, taking into account decisions updating the Annex of Common Position 2000/346/CFSP,
- on the basis of information supplied by Member States, to amend data on competent authorities of the Member States listed in Annex III.

#### Article 5

The participation, knowingly and intentionally, in related activities the object or effect of which is, directly or indirectly, to promote the transactions or activities referred to in Article 1 or to circumvent the provisions of this Regulation shall be prohibited.

#### Article 6

The Commission and the Member States shall inform each other of the measures taken under this Regulation and supply each other with relevant information at their disposal in connection with this Regulation, in particular information received in accordance with Article 3, information in respect of violation and enforcement problems and judgments handed down by national courts.

#### Article 7

Each Member State shall determine the sanctions to be imposed where the provisions of this Regulation are infringed. Such sanctions shall be effective, proportionate and dissuasive.

#### Article 8

This Regulation shall apply:

- within the territory of the Community including its air space,
- on board any aircraft or any vessel under the jurisdiction of a Member State,

This Regulation shall be reviewed by 29 October 2000.

This Regulation shall be binding in its entirety and directly applicable in all Member States.

In that event, the President may immediately fix the date for the hearing, which shall be notified to the parties in the main proceedings and to the other persons referred to in Article 20 of the EC Statute, Article 21 of the Euratom Statute and Article 103(3) of these Rules when the decision making the reference is served.

## COMMISSION DECISION

of 23 May 2000

**terminating the anti-dumping proceeding concerning imports of compact disc boxes originating in the People's Republic of China and releasing the amounts secured by way of the provisional duties imposed**

(notified under document number C(2000) 1366)

(2000/349/EC)

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Community,

Having regard to Council Regulation (EC) No 384/96 of 22 December 1995 on protection against dumped imports from countries not members of the European Community <sup>(1)</sup>, as last amended by Regulation (EC) No 905/98 <sup>(2)</sup>, and in particular Article 9 thereof,

After consulting the Advisory Committee,

Whereas:

**A. PROCEDURE**

**1. Initiation and provisional measures**

- (1) The present proceeding was initiated on 5 March 1999 <sup>(3)</sup>, following a complaint lodged by the European Plastics Converters (hereinafter referred to as 'EuPC') on behalf of Community producers representing a major proportion of the total Community production of compact disc boxes pursuant to Articles 4(1) and 5(4) of Regulation (EC) No 384/96 (hereinafter referred to as the 'basic Regulation').
- (2) Provisional anti-dumping measures were imposed in the present proceeding on 4 December 1999 by Regulation (EC) No 2563/1999 <sup>(4)</sup> (hereinafter referred to as the 'provisional Regulation').

**2. Subsequent procedure**

- (3) Following the imposition of the provisional measures, certain exporting producers, importers and Community users of the product concerned submitted comments in writing. Those parties which so requested were granted an opportunity to be heard.
- B. WITHDRAWAL OF THE COMPLAINT, TERMINATION OF THE PROCEEDING AND RELEASE OF THE AMOUNTS SECURED BY WAY OF THE PROVISIONAL DUTIES IMPOSED**
- (4) By a letter of 7 April 2000 to the Commission, the EuPC formally withdrew its complaint.
  - (5) In accordance with Article 9(1) of the basic Regulation, the proceeding may be terminated where the complaint is withdrawn, unless such termination would not be in the Community interest.
  - (6) The Commission considered that the present proceeding should be terminated since the investigation had not brought to light any considerations showing that such termination would be against the interest of the Community. Interested parties were informed accordingly and were given the opportunity to comment. No comments were received to indicate that such termination would be incompatible with the interest of the Community.
  - (7) The Commission therefore concludes that the anti-dumping proceeding concerning imports into the Community of compact disc boxes originating in the People's Republic of China should be terminated without the imposition of anti-dumping measures.

<sup>(4)</sup> OJ L 310, 4.12.1999, p. 17.

- (8) Any duties provisionally secured on the basis of the provisional Regulation for the product under consideration should be released,

HAS DECIDED AS FOLLOWS:

*Article 1*
