LIST OF COMMITMENTS IN CONFORMITY WITH ARTICLE 7.7

2. In identifying individual sectors and sub-sectors:

3. The list below does not include measures relating to qualification requirements and procedures, technical standards and licensing requirements and procedures when they do not constitute a market access or a national treatment limitation within the meaning of Articles 7.5 and 7.6. Those measures (e.g. need to obtain a license, universal service obligations, need to obtain recognition of qualifications in regulated sectors and need to pass specific examinations, including language examinations), even if not listed, apply in any case to services and service suppliers of Korea.

4. For lawyers providing legal services in respect of public international law and foreign law, these licensing requirements and procedures may take, inter alia, the form of compliance with local codes of ethics, use of home title (unless recognition with the host title has been obtained), insurance requirements, simple registration with the host country Bar or a simplified admission to the host country Bar through an aptitude test and a legal or professional domicile in the host country.
