THE EUROPEAN COMMISSION,

Having regard to the Treaty on the Functioning of the European Union,

Having regard to Council Regulation (EC) No 834/2007 of 28 June 2007 on organic production and labelling of organic products and repealing Regulation (EEC) No 2092/91 <sup>(1)</sup>, and in particular Article 33(2) and (3) and Article 38(d) thereof,

Whereas:

- (1) Commission Regulation (EC) No 1235/2008 <sup>(2)</sup> provides for a period for the control bodies and control authorities to submit their request for recognition for the purpose of compliance in accordance with Article 32 of Regulation (EC) No 834/2007. As the implementation of the provisions regarding the import of compliant products is still under assessment and the related guidelines, models, questionnaires and the necessary electronic transmission system are still under development, the deadline for the submission of requests by control bodies and control authorities should be extended.
- (2) For the sake of simplification and efficiency of the recognition procedure of control bodies and control authorities for the purpose of compliance and equivalence, the representatives of those control bodies or control authorities should be allowed to introduce requests for inclusion in the lists provided for in Articles 3 and 10 of Regulation (EC) No 1235/2008 at any time of the year. The annual deadline by which such requests are to be received should therefore be deleted.
- (3) Annex III to Regulation (EC) No 1235/2008 sets out the list of third countries whose systems of production and control measures for organic production of agricultural products are recognised as equivalent to those laid down in Regulation (EC) No 834/2007.
- (4) According to the information provided by Australia, the relevant competent authority has changed.
- (5) According to the information provided by Japan, the name and internet address of several of its control bodies have changed.
- (6) On the basis of the information provided by the Republic of Korea, the internet address of the relevant competent authority should be included.

- (7) The duration of the inclusion of Tunisia in the list ends on 30 June 2015.
