Any information concerning the availability of the standards can be obtained either from the European standardisation organisations or from the national standardisation bodies the list of which is published in the *Official Journal of the European Union* in accordance with Article 27 of Regulation (EU) No 1025/2012 ⁽¹⁾.

Standards are adopted by the European standardisation organisations in English (CEN and Cenelec also publish in French and German). Subsequently, the titles of the standards are translated into all other required official languages of the European Union by the national standardisation bodies. The European Commission is not responsible for the correctness of the titles which have been presented for publication in the Official Journal.

Publication of the references in the *Official Journal of the European Union* does not imply that the standards are available in all the official languages of the European Union.
