**Notice of initiation of a partial interim review of the countervailing measures applicable to
imports of certain polyethylene terephthalate (PET) originating in India**

(2014/C 171/04)

The European Commission ('the Commission') has received a request for a partial interim review pursuant to Article 19 of Council Regulation (EC) No 597/2009 of 11 June 2009 on protection against subsidised imports from countries not members of the European Community⁽¹⁾ ('the basic Regulation').

1. Request for review

The request was lodged by Dhunseri Petrochem & Tea Limited ('the applicant'), an exporting producer from India.

The review is limited in scope to the examination of subsidisation as far as the applicant is concerned.

2. Product under review

The product under review is polyethylene terephthalate (PET) having a viscosity number of 78 ml/g or higher, according to the ISO Standard 1628-5, currently falling within CN code 3907 60 20 and originating in India ('the product under review').

3. Existing measures

The measures currently in force are a definitive countervailing duty imposed by Council Regulation (EU) No 461/2013⁽²⁾.

4. Grounds for the review

The applicant has provided prima facie evidence that, as far as the applicant is concerned, the circumstances with regard to subsidisation on the basis of which measures were imposed have changed significantly and that these changes are of a lasting nature.

The applicant alleges that the continued imposition of the measure on imports of the product under review at its current level is no longer necessary to offset the countervailable subsidisation. The applicant has provided sufficient evidence that its subsidy amount has decreased well below the duty rate currently applicable to it. This reduction in the overall subsidy level is due to the termination of its Export Oriented Unit Status and to the decrease in import duties applicable to the raw materials used to manufacture the product under review since the investigation that led to the current level of measures.

In light of the above, the Commission considers that, as far as subsidisation of Dhunseri Petrochem & Tea Limited is concerned, there is sufficient prima facie evidence that the circumstances with regard to subsidisation have changed significantly and are of a lasting nature and, therefore, the measures should be reviewed.

⁽²⁾ Council Implementing Regulation (EU) No 461/2013 of 21 May 2013 imposing a definitive countervailing duty on imports of certain polyethylene terephthalate (PET) originating in India following an expiry review pursuant to Article 18 of Regulation (EC) No 597/2009 (OJ L 137, 23.5.2013, p. 1).

5. Procedure

Having determined, after informing the Member States, that sufficient evidence exists to justify the initiation of a partial interim review limited to the examination of subsidisation as far as the applicant is concerned, the Commission initiates a review in accordance with Article 19 of the basic Regulation. The purpose of the review is to establish the rate of subsidisation which prevails for the applicant as a result of the subsidy practices or schemes from which it is found to benefit.

Following the review, it may be necessary to amend the rate of duty imposed on imports of certain polyethylene terephthalate (PET) originating in India by 'All other companies' in India.

5.1. Questionnaires

In order to obtain the information it deems necessary for its investigation, the Commission will send questionnaires to the applicant and to the authorities of the exporting country concerned.

The applicant and the authorities of that country must submit the completed questionnaires within 37 days of the date of publication of this Notice in the *Official Journal of the European Union*, unless otherwise specified.

5.2. Other written submissions

Subject to the provisions of this Notice, all interested parties are hereby invited to make their views known, submit information and provide supporting evidence. Unless otherwise specified, this information and supporting evidence must reach the Commission within 37 days of the date of publication of this Notice in the *Official Journal of the European Union*.

5.3. Possibility to be heard by the Commission investigation services

All interested parties may request to be heard by the Commission investigation services. Any request to be heard should be made in writing and should specify the reasons for the request. For hearings on issues pertaining to the initial stage of the investigation the request must be submitted within 15 days of the date of publication of this Notice in the *Official Journal of the European Union*. Thereafter, a request to be heard must be submitted within the specific deadlines set by the Commission in its communication with the parties.

5.4. Instructions for making written submissions and sending completed questionnaires and correspondence

Interested parties providing 'Limited' information are required to furnish non-confidential summaries of it pursuant to Article 29(2) of the basic Regulation, which will be labelled 'For inspection by interested parties'. If an interested party providing confidential information does not furnish a non-confidential summary of it in the requested format and quality, such information may be disregarded.

Interested parties are invited to make all submissions and requests by e-mail including scanned powers of attorney and certification sheets, with the exception of voluminous replies which shall be submitted on a CD-ROM or DVD by hand or by registered mail. For hearings on issues pertaining to the initial stage of the investigation the request must be submitted within 15 days of the date of publication of this notice in the *Official Journal of the European Union*. Thereafter, a request to be heard must be submitted within specific deadlines set by the Commission in its communication with the parties.

The Hearing Officer will also provide opportunities for a hearing involving parties to take place which would allow different views to be presented and rebuttal arguments offered on issues relevant for the review investigation.
