COMMISSION REGULATION (EEC) No 23/84

of 5 January 1984

fixing the minimum levies on the importation of olive oil and levies on the importation of other olive oil sector products

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community,

Having regard to Council Regulation No 136/66/EEC of 22 September 1966 on the establishment of a common organization of the market in oils and fats ⁽¹⁾, as last amended by Regulation (EEC) No 1413/82 ⁽²⁾, and in particular Article 16 (2) thereof,

Having regard to Council Regulation (EEC) No 1514/76 of 24 June 1976 on imports of olive oil originating in Algeria ⁽³⁾, as last amended by Regulation (EEC) No 3488/82 ⁽⁴⁾, and in particular Article 5 thereof,

Having regard to Council Regulation (EEC) No 1521/76 of 24 June 1976 on imports of olive oil originating in Morocco ⁽⁵⁾, as last amended by Regulation (EEC) No 3488/82, and in particular Article 5 thereof,

Having regard to Council Regulation (EEC) No 1508/76 of 24 June 1976 on imports of olive oil originating in Tunisia ⁽⁶⁾, as last amended by Regulation (EEC) No 3488/82, and in particular Article 5 thereof,

Having regard to Council Regulation (EEC) No 1620/77 of 18 July 1977 laying down detailed rules for the importation of olive oil from Lebanon ⁽⁹⁾,

Whereas by Regulation (EEC) No 3131/78 of 28 December 1978 ⁽¹⁰⁾ the Commission decided to use the tendering procedure to fix levies on olive oil;

Whereas Article 3 of Regulation (EEC) No 2751/78 of 23 November 1978 laying down general rules for

fixing the import levy on olive oil by tender ⁽¹¹⁾ specifies that the minimum levy rate shall be fixed for each of the products concerned on the basis of the situation on the world market and the Community market and of the levy rates indicated by tenderers;

Whereas in the collection of the levy account should be taken of the provisions in the Agreements between the Community and certain third countries; whereas in particular the levy applicable for those countries must be fixed taking as a basis for calculation the levy to be collected on imports from the other third countries;

Whereas, with regard to Turkey and the Maghreb countries, the provisions of this Regulation should be without prejudice to the additional amount to be determined in accordance with the agreements between the Community and these third countries;

Whereas application of the rules recalled above to the levy rates indicated by tenderers on 2 and 3 January 1984 leads to the minimum levies being fixed as indicated in Annex I to this Regulation;

Whereas the import levy on olives falling within subheadings 07.01 N II and 07.03 A II of the Common Customs Tariff and on products falling within subheadings 15.17 B I and 23.04 A II of the Common Customs Tariff must be calculated from the minimum levy applicable on the olive oil contained in these products; whereas, however, the levy charged for olive oil may not be less than an amount equal to 8 % of the value of the imported product, such amount to be fixed at a standard rate; whereas application of these provisions leads to the levies being fixed as indicated in Annex II to this Regulation,

HAS ADOPTED THIS REGULATION:

COMMISSION REGULATION (EEC) No 24/84

of 4 January 1984

fixing export refunds for raw tobacco in respect of the 1983 crop

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community,

Having regard to Council Regulation (EEC) No 727/70 of 21 April 1970 on the common organization of the market in raw tobacco⁽¹⁾, as last amended by Regulation (EEC) No 1461/82⁽²⁾, and in particular the first sentence of the third subparagraph of Article 9 (2) thereof,

Whereas, by virtue of Article 9 of Regulation (EEC) No 727/70, the difference between the world market prices of the products referred to in Article 1 of that Regulation and their prices within the Community may be covered by an export refund;

Whereas, pursuant to Council Regulation (EEC) No 326/71 of 15 February 1971 laying down general rules for granting export refunds on raw tobacco and criteria for fixing the amount of such refunds⁽³⁾, the granting of export refunds is to be limited to baled tobacco produced from leaf tobacco harvested in the Community; whereas the refunds must be fixed for each variety produced in the Community in the light of the factors indicated in Article 2 (1) of Regulation (EEC) No 326/71;

Whereas the outlets for some varieties are very limited or entail very high transport costs; whereas, also, some exporting third countries' prices have a marked impact on the competitive position of Community tobacco; whereas, under Article 4 of Regulation (EEC) No 326/71, this situation constitutes one of the excep-

tional cases referred to in the second subparagraph of Article 9 (1) of Regulation (EEC) No 727/70 which allows a refund to be fixed outside the limits laid down therein for the varieties in question;

Whereas, applying the abovementioned rules and criteria to existing conditions on the market in tobacco, and in particular to prices in the Community and on the world market, it follows that the amount of the refund and the products and countries in respect of which it should apply should be as specified in the Annex hereto;

Whereas the measures provided for in this Regulation are in accordance with the opinion of the Management Committee for Tobacco,

HAS ADOPTED THIS REGULATION:

Article 1

The list of varieties of baled tobacco from the 1983 crop in respect of which the export refund provided for in Article 9 of Regulation (EEC) No 727/70 shall be granted, and the amount of such refund and the third countries of destination for which it shall apply, shall be as shown in the Annex hereto.

Article 2

This Regulation shall enter into force on the third day following its publication in the *Official Journal of the European Communities*.

It shall apply until 31 December 1984.

This Regulation shall be binding in its entirety and directly applicable in all Member States.

fixing for Great Britain the level of the variable slaughter premium for sheep
and the amounts to be charged on products leaving that region

THE COMMISSION OF THE EUROPEAN
COMMUNITIES,

laid down in Article 9 (1) of Regulation (EEC) No

1837/80 and in Article 4 (1) and (3) of Regulation
(EEC) No 2661/80 that the variable slaughter premium
for sheep certified as eligible in the United Kingdom,
and the amounts to be charged on products leaving
Great Britain during the period 12 to 18 December
1983, shall be as set out in the Annexes hereto;

Whereas it should be recalled that Commission Regu-
lation (EEC) No 3191/80 of 9 December 1980⁽⁵⁾, as
last amended by Regulation (EEC) No 1267/83⁽⁶⁾,
fixed transitional measures concerning non-recovery of
the variable slaughter premium for sheepmeat and
goatmeat products exported from the Community,

COMMISSION REGULATION (EEC) No 34/84

of 5 January 1984

fixing the export refunds on cereals and on wheat or rye flour, groats and meal

THE COMMISSION OF THE EUROPEAN
COMMUNITIES,

Having regard to the Treaty establishing the European
Economic Community,

Having regard to Council Regulation (EEC) No
2727/75 of 29 October 1975 on the common organi-
zation of the market in cereals⁽¹⁾, as last amended by
Regulation (EEC) No 1451/82⁽²⁾, and in particular the
fourth subparagraph of Article 16 (2),

Having regard to the opinion of the Monetary
Committee,

Whereas Article 16 of Regulation (EEC) No 2727/75
provides that the difference between quotations or
prices on the world market for the products listed in
Article 1 of that Regulation and prices for those
products in the Community may be covered by an
export refund;

Whereas Article 2 of Council Regulation (EEC) No
2746/75 of 29 October 1975 laying down general rules
for granting export refunds on cereals and criteria for
fixing the amount of such refunds⁽³⁾, provides that
when refunds are being fixed, account must be taken
of the existing situation and the future trend with
regard to prices and availabilities of cereals on the
Community market on the one hand, and prices for
cereals and cereal products on the world market on
the other; whereas the same Article provides that it is
also important to ensure equilibrium and the natural
development of prices and trade on cereal markets
and, furthermore, to take into account the economic
aspect of the proposed exports and the need to avoid
disturbances on the Community market;

Whereas Article 3 of Regulation (EEC) No 2746/75
defines the specific criteria to be taken into account
when the refund on cereals is being calculated;

Whereas these specific criteria are defined, as far as
wheat and rye flour, groats and meal are concerned, in
Article 4 of Regulation (EEC) No 2746/75; whereas
furthermore, when the refund on these products is
being calculated, account must be taken of the quanti-
ties of cereals required for their manufacture; whereas

these quantities were fixed in Regulation No 162/
67/EEC⁽⁴⁾, as amended by Regulation (EEC) No
1607/71⁽⁵⁾;

Whereas the world market situation or the specific
requirements of certain markets may make it necessary
to vary the refund for certain products according to
destination;

Whereas the refund must be fixed once a month;
whereas it may be altered in the intervening period;

Whereas, if the refund system is to operate normally,
refunds should be calculated on the following basis:

- in the case of currencies which are maintained in
relation to each other at any given moment within
a band of 2,25 %, a rate of exchange based on
their central rate,
- for other currencies, an exchange rate based on the
arithmetic mean of the spot market rates of each of
these currencies recorded for a given period in
relation to the Community currencies referred to
in the previous indent;

Whereas it follows from applying the detailed rules set
out above to the present situation on the market in
cereals, and in particular to quotations or prices for
these products within the Community and on the
world market, that the refunds should be as set out in
the Annex hereto;

Whereas the Management Committee for Cereals has
not delivered an opinion within the time limit set by
its chairman,

HAS ADOPTED THIS REGULATION:

Article 1

The export refunds on the products listed in Article 1
(a), (b) and (c) of Regulation (EEC) No 2727/75,
exported in the natural state, shall be as set out in the
Annex hereto.

1984.

COMMISSION REGULATION (EEC) No 36/84

of 5 January 1984

fixing the corrective amount applicable to the refund on cereals

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community,

Having regard to Council Regulation (EEC) No 2727/75 of 29 October 1975 on the common organization of the market in cereals⁽¹⁾, as last amended by Regulation (EEC) No 1451/82⁽²⁾,

Having regard to Council Regulation (EEC) No 2746/75 of 29 October 1975 laying down general rules for granting export refunds on cereals and criteria for fixing the amount of such refunds⁽³⁾,

Having regard to the opinion of the Monetary Committee,

Whereas Article 16 (4) of Regulation (EEC) No 2727/75 provides that the export refund applicable to cereals on the day on which application for an export licence is made, adjusted for the threshold price in force during the month of exportation, must be applied on request to exports to be effected during the period of validity of the export licence; whereas, in this case, a corrective amount must be applied to the refund;

Whereas Council Regulation (EEC) No 2744/75 of 29 October 1975 on the import and export system for products processed from cereals and from rice⁽⁴⁾, as last amended by Regulation (EEC) No 414/83⁽⁵⁾, made possible the fixing of a corrective amount for certain products listed in Article 1 (c) of Regulation (EEC) No 2727/75;

Whereas Regulation (EEC) No 1281/75⁽⁶⁾ laid down detailed rules for the advance fixing of export refunds for cereals and certain products processed from cereals;

Whereas, pursuant to that Regulation, when the corrective amount is being fixed, account must be taken of the existing situation and the future trend

with regard to prices and availabilities of cereals on the Community market on the one hand and possibilities and conditions for the sale of cereals and cereal products on the world market on the other; whereas the same Regulation provides that it is also important to ensure equilibrium and the natural development of prices and trade on cereal markets and, furthermore, to take into account the economic aspect of exports and the need to avoid disturbances on the Community market;

Whereas for the products listed in Article 1 (c) of Regulation (EEC) No 2727/75 account should be taken of the specific criteria laid down in Article 2 (2) of Regulation (EEC) No 1281/75;

Whereas the world market situation or the specific requirements of certain markets may make it necessary to vary the corrective amount according to destination;

Whereas the corrective amount must be fixed at the same time as the refund and according to the same procedure;

Whereas it may be altered in the period between fixings;

Whereas, if the system of corrective amounts is to operate normally, corrective amounts should be calculated on the following basis:

- in the case of currencies which are maintained in relation to each other at any given moment within a band of 2,25 %, a rate of exchange based on their central rate,
- for other currencies, an exchange rate based on the arithmetic mean of the spot market rates of each of these currencies recorded for a given period in relation to the Community currencies referred to in the preceding indent;

Whereas it follows from applying the provisions set out above that the corrective amount must be as set out in the Annex hereto;

Whereas the measures provided for in this Regulation are in accordance with the opinion of the Management Committee for Cereals,

THE PROFESSIONS IN THE EUROPEAN COMMUNITY

Towards freedom of movement and mutual recognition of qualifications

J.-P. de CRAYENCOUR

Aside from establishing a common market, one of the tasks of the European Community is to promote closer relations between the States belonging to it (Article 2 of the Treaty of Rome). One of the means of achieving this end is the free movement of persons.

This freedom of movement concerns *inter alia*, the professions. Members of the professions will be able to play their part in European integration and put their independent and responsible services at the disposal of a wider clientele in the Community only if obstacles standing in the way of freedom of the professions, whether it takes the form of the right of establishment or the freedom to provide services, are removed.

As the professions are generally highly regulated, this freedom of movement can only be satisfactorily achieved if certain of the regulations governing them, such as those relating to training requirements and professional ethics, are harmonized to some degree.

Existing rules and regulations in the various Member States could be reviewed in the light of any such harmonization and of changes in society, while paying due attention to the values of independence and responsibility which are a feature of the professions, with a view to promoting European integration.

The aim of this booklet on 'The professions in the European Community — Towards freedom of movement and mutual recognition of qualifications' is to highlight the benefits to be derived from free movement and the manner in which it can be properly implemented. It describes the legal process involved, suggests how harmonization might be realized and underlines the steps to be taken to achieve the most urgent objective, namely mutual recognition of diplomas. Finally, it outlines what has been achieved thus far and what remains to be done.

THE FINANCES OF EUROPE

Daniel STRASSER

Preface by Christopher TUGENDHAT

The finances of Europe are one of the Community's major concerns since they largely determine the activities in which the Community can engage.

The general budget of the European Communities has steadily grown in political importance over the years.

The European Parliament, which has now acquired greater budget powers, has given the budget pride of place in its business and preoccupations.

In this book, Daniel Strasser, the Director-General for Budgets in the Commission of the European Communities, paints a very comprehensive picture of how the Community budgets are prepared and implemented and explains their significance. The total amount of funds involved now stands at 10 billion pounds sterling — 11 billion Irish pounds.

Daniel Strasser holds a doctorate in economics and degrees in the law of public administration and political studies from the University of Paris. He also holds an honorary doctorate from the University of Oviedo and is a lauréat of the Institut de France (Académie des sciences morales et politiques). After a period from 1953 to 1958 in which he was assigned to the Office of the French Council of Ministers (Office of the Secretary-General of the French Government), Mr Strasser joined the Commission of the European Economic Community as Principal Administrator in the Executive Secretariat (1958), and graduated to Assistant to the Director-General for Administration (1959—1963) and Director for Internal Affairs (1963-1968). After the merger of the Executives, he was Director for Administration (1968-1969), Director for Personnel (1970-1972) and Director for Budgets (1973-1977). He has been Director-General for Budgets since 1977. Since 1978, Mr Strasser has been Vice-Chairman of the Executive Bureau of the College of Europe in Bruges.
