COMMISSION DELEGATED REGULATION (EU) .../...

of 18.12.2023

supplementing Regulation (EU) 2021/691 of the European Parliament and of the Council with specific provisions on the reporting of irregularities concerning the European Globalisation Adjustment Fund for Displaced Workers (EGF)

EXPLANATORY MEMORANDUM

1. CONTEXT OF THE DELEGATED ACT

Under Article 23(1), first subparagraph point (e) and second subparagraph, of Regulation (EU) 2021/691 of the European Parliament and the Council¹, in the programming period 2021-2027, Member States must report irregularities, including fraud, related to the European Globalisation Adjustment Fund for Displaced Workers (EGF), to the Commission.

The Union's financial interests should be protected in the same way irrespective of the source of funding used and in accordance with the specific objectives for which funding was provided. For other EU funds, Regulation (EU) 2021/1060 of the European Parliament and of the Council² provide detailed rules for the reporting of irregularities. To ensure that uniform rules apply in respect of all the funds, provisions analogous and equivalent are enacted for the reporting obligations related to the EGF.

This delegated act also takes into account Commission Delegated Regulations (EU) 2015/1971, (EU) 2015/1972, (EU) 2015/1973 and (EU) 2015/1974, which laid down specific provisions for reporting of irregularities relating to the various EU funds in the previous programming period 2014-2020.

2. CONSULTATIONS PRIOR TO THE ADOPTION OF THE ACT

In accordance with the principles laid down in the Interinstitutional Agreement of 13 April 2016 on Better Law-Making, the Commission consulted experts designated by each Member State in the preparation of the draft delegated act.

The consultation took place in the Advisory Committee for the Coordination of Fraud Prevention (COCOLAF) meetings of 12 December 2022, 4 May 2023 and 22 June 2023. The Commission took account of the views and positions expressed during the consultation.

At these meetings, the Commission gave a full presentation of the draft provisions and a thorough exchange of views took place on all aspects of the draft delegated act. The meetings allowed the Commission to clarify its approach, to hear experts' views on the draft and to refine it accordingly. Experts were also able to submit written comments following each meeting.

Moreover, the draft delegated act had been published for feedback on the Commission's website for four weeks. No contributions had been received.

3. LEGAL ELEMENTS OF THE DELEGATED ACT

The right to adopt a delegated act is provided for by Article 23(6) of Regulation (EU) 2021/691.

¹ Regulation (EU) 2021/691 of the European Parliament and of the Council of 28 April 2021 on the European Globalisation Adjustment Fund for Displaced Workers (EGF) and repealing Regulation (EU) No 1309/2013 (OJ L 153, 3.5.2021, p. 48).

² Regulation (EU) 2021/1060 of the European Parliament and of the Council of 24 June 2021 laying down common provisions on the European Regional Development Fund, the European Social Fund Plus, the Cohesion Fund, the Just Transition Fund and the European Maritime, Fisheries and Aquaculture Fund and financial rules for those and for the Asylum, Migration and Integration Fund, the Internal Security Fund and the Instrument for Financial Support for Border Management and Visa Policy (OJ L 231, 30.6.2021, p. 159).

COMMISSION DELEGATED REGULATION (EU) .../...

of 18.12.2023

supplementing Regulation (EU) 2021/691 of the European Parliament and of the Council with specific provisions on the reporting of irregularities concerning the European Globalisation Adjustment Fund for Displaced Workers (EGF)

THE EUROPEAN COMMISSION,

Having regard to the Treaty on the Functioning of the European Union,

Having regard to Regulation (EU) 2021/691 of the European Parliament and of the Council of 28 April 2021 on the European Globalisation Adjustment Fund for Displaced Workers (EGF) and repealing Regulation (EU) No 1309/2013³, and in particular Article 23(6) thereof,

Whereas:

- (1) The purpose of this Regulation is to supplement the provision set out in the first subparagraph, point (e) and the second subparagraph of Article 23(1) of Regulation (EU) 2021/691 relating to the obligation of Member States to report irregularities to the Commission concerning the EGF. To enable the Commission to perform its responsibilities concerning the protection of the Union's financial interests, in particular to perform risk analysis, develop systems for more effective risk identification and produce reports for the purposes of such tasks, it is necessary to set out the criteria for determining the cases of irregularities that Member States are to report to the Commission and to specify which data are to be provided.
- (2) The financial interests of the Union should be protected in the same way irrespective of the funds concerned and the objectives for which such funds are established. To that end, Article 23(6) of Regulation (EU) 2021/691 empowers the Commission to adopt rules to supplement the provisions on Member States' obligation to report irregularities relating to the financing of the EGF. Such rules should be equivalent to the detailed rules on the reporting of irregularities set out in Annex XII, Section 1, to Regulation (EU) 2021/1060 of the European Parliament and of the Council⁴ and in line with the rules set out in Commission Delegated Regulation (EU) .../...⁵ [*OP – please insert reference to Delegated Regulation supplementing Regulation (EU) 2021/2116 – C(2023) 8459*].

³ OJ L 153, 3.5.2021, p. 48.

⁴ Regulation (EU) 2021/1060 of the European Parliament and of the Council of 24 June 2021 laying down common provisions on the European Regional Development Fund, the European Social Fund Plus, the Cohesion Fund, the Just Transition Fund and the European Maritime, Fisheries and Aquaculture Fund and financial rules for those and for the Asylum, Migration and Integration Fund, the Internal Security Fund and the Instrument for Financial Support for Border Management and Visa Policy (OJ L 231, 30.6.2021, p. 159).

⁵ Commission Delegated Regulation (EU) .../... supplementing Regulation (EU) 2021/2116 of the European Parliament and of the Council with specific provisions on the reporting of irregularities concerning the European Agricultural Guarantee Fund and the European Agricultural Fund for Rural Development and repealing Commission Regulation (EU) 2015/1971 [*OP – please insert reference to the Commission Delegated Regulation C(2023) 8459*].

- (3) To enable a consistent application of the reporting requirements across the Member States, it is necessary to define the term ‘suspected fraud’, taking into account the definition of fraud and other criminal offences in Article 3(2), points (a) and (b), and Article 4(1), (2) and (3), of Directive (EU) 2017/1371 of the European Parliament and of the Council⁶ and, for the Member States not bound by that Directive, in Article 1(1), point (a), of the Convention drawn up on the basis of Article K.3 of the Treaty on European Union, on the protection of the European Communities' financial interests⁷.
- (4) Similarly, the term ‘primary administrative or judicial finding’ should be defined to ensure effectiveness and consistency in the implementation of the reporting obligations.
- (5) It is necessary to clarify that the expression ‘economic operator’ for the purposes of applying the notion of ‘irregularity’ within the meaning of Article 3(4) of Regulation (EU) 2021/691, should mean any natural or legal person or other entity taking part in the implementation of assistance from the Fund, with the exception of a Member State exercising its prerogatives as a public authority within the meaning of Article 2, point (30), of Regulation (EU) 2021/1060.
- (6) Regulation (EU) 2021/1060 specifies the reporting threshold below which irregularities do not need to be reported to the Commission, and cases for which there is no need for reporting. To strike a balance between the administrative burden on Member States and the common interest in the provision of accurate data for analysis in the Union’s fight against fraud, it is appropriate to align the reporting thresholds and the derogations for the reporting of irregularities under this Delegated Regulation with those under Regulation (EU) 2021/1060.
- (7) To ensure consistency of reporting, it is necessary to set criteria for determining the cases of irregularity to be initially reported and the data to be provided in such initial reports.
- (8) To ensure the data provided to the Commission is accurate, follow-up reporting is necessary. Member States should, therefore, provide the Commission with up-to-date information on any significant progress in the administrative and legal procedures or proceedings related to each initial report.
- (9) Where it is necessary for the purpose of this Regulation to process personal data, this should be carried out in accordance with Union law on the protection of personal data. In light of Regulation (EU) 2016/679 of the European Parliament and of the Council⁸ and Regulation (EU) 2018/1725 of the European Parliament and of the Council⁹, the Commission and the Member States should, in relation to the information provided pursuant to this Regulation, prevent any unauthorised disclosure of, or access to, personal data. In addition, this Regulation should specify

⁶ Directive (EU) 2017/1371 of the European Parliament and of the Council of 5 July 2017 on the fight against fraud to the Union’s financial interests by means of criminal law, OJ L 198, 28.7.2017, p. 29.

⁷ OJ C 316, 27.11.1995, p. 49.

⁸ Regulation (EU) 2016/679 of the European Parliament and of the Council of 27 April 2016 on the protection of natural persons with regard to the processing of personal data and on the free movement of such data, and repealing Directive 95/46/EC (General Data Protection Regulation) (OJ L 119, 4.5.2016, p. 1).

⁹ Regulation (EU) 2018/1725 of the European Parliament and of the Council of 23 October 2018 on the protection of natural persons with regard to the processing of personal data by the Union institutions, bodies, offices and agencies and on the free movement of such data, and repealing Regulation (EC) No 45/2001 and Decision No 1247/2002/EC (OJ L 295, 21.11.2018, p. 39).

the purposes for which the Commission and the Member States may process that data. Any further use thereof is without prejudice to Article 6(4) of Regulation (EU) 2016/679.

- (10) The obligations of Member States to report irregularities to the Commission via the Irregularity Management System (IMS) under Regulation (EU) 2021/691 should be applied without prejudice to their obligations pursuant to Regulation (EU, Euratom) No 883/2013 of the European Parliament and of the Council¹⁰ and Council Regulation (EU) 2017/1939.¹¹
- (11) The European Data Protection Supervisor was consulted on this Regulation in accordance with Article 42(1) of Regulation (EU) 2018/1725.
- (12) As reportable irregularities could already have occurred and it is of the interest of the Union to address such irregularities, this Regulation should apply as soon as possible. It should therefore enter into force on the day following that of its publication in the *Official Journal of the European Union*,
