COMMISSION OF THE EUROPEAN COMMUNITIES

Brussels, 14.4.2008
COM(2008) 200 final

Proposal for a

DECISION OF THE EUROPEAN PARLIAMENT AND OF THE COUNCIL

on the mobilisation of the EU Solidarity Fund

(presented by the Commission)

EXPLANATORY MEMORANDUM

The Interinstitutional Agreement of 17 May 2006¹ allows for the mobilisation of the European Union Solidarity Fund through a flexibility mechanism, within the annual ceiling of EUR 1 billion, over and above the relevant headings of the financial framework. The conditions of eligibility to the Fund are detailed in Council Regulation (EC) No 2012/2002².

On the basis of applications for assistance from the Fund by Greece and Slovenia which were respectively affected by forest fires in August 2007 and floods in September 2007, total estimates of the damage caused are as follows:

(EUR)

	Direct damage	Total amount of aid proposed
Greece forest fires	2 118 273 411	89 769 009
Slovenia flooding	233 395 389	8 254 203
Total		98 023 212

In the light of the examination of the applications³, and considering the maximum possible grant from the Fund as well as the scope for reallocating appropriations under the heading requiring additional expenditure, the Commission proposes to mobilise the European Union Solidarity Fund for a total amount of EUR 98 023 212, to be allocated under heading 3b of the financial framework.

The Commission will present a preliminary draft amending budget (PDAB) in order to enter in the 2008 budget specific commitment and payment appropriations, broken down by beneficiary country, as requested in Point 26 of the Interinstitutional Agreement of 17 May 2006.
