Proposal for a

COUNCIL DECISION

**on the conclusion of the Arrangement with the Republic of Iceland on the modalities of
its participation in the European Asylum Support Office**

EXPLANATORY MEMORANDUM

1. CONTEXT OF THE PROPOSAL

Regulation (EU) No 439/2010 established the European Asylum Support Office¹ to strengthen practical cooperation between Member States on asylum, enhance the implementation of the Common European Asylum System and support Member States whose asylum and reception systems are under particular pressure.

Recital 24 of the Regulation foresees that "to fulfil its purpose, the Support Office should be open to participation by countries which have concluded agreements with the Union by virtue of which they have adopted and apply law of the Union in the fields covered by this Regulation, in particular Iceland, Liechtenstein, Norway and Switzerland". These countries are referred to as the "associate countries".

Accordingly, Article 49 (1) of the Regulation stipulates that "the Support Office shall be open to the participation of Iceland, Liechtenstein, Norway and Switzerland as observers. Arrangements shall be made, specifying in particular the nature, extent and manner in which those countries are to participate in the Support Office's work. Such arrangements shall include provisions relating to participation in initiatives undertaken by the Support Office, financial contributions and staff. As regards staff matters, those arrangements shall, in any event, comply with the Staff Regulations."

The participation of associate countries in the Support Office's work is not only a logical step, having regard to their association to the Dublin system, but also has a clear added value to the Support Office's support offer such as: the exchange of best practices and expertise, the Support Office's permanent and emergency support, the Support Office's information gathering and analysis, the Support Office's early warning and preparedness system.

On that basis the Commission presented on 1 July 2011 a recommendation to the Council in order to authorise the Commission to open negotiations with Iceland, Norway, Switzerland, and Liechtenstein on international agreements establishing such arrangements.

The Commission received the Council authorisation to open negotiations with Iceland, Norway, Switzerland, and Liechtenstein on arrangements on the modalities of these countries' participation in EASO on 27 January 2012.

The negotiations were held jointly with all associate countries. Four rounds of negotiations took place. The final text of the draft Arrangement with Iceland was initialled on 28 June 2013.

Member States have been informed and consulted in the relevant Council Working Groups.

On the part of the Union, the legal basis for the Arrangement is Articles 74 and 78 (1) and (2) in conjunction with Article 218 of the TFEU.

The Commission signed the Arrangement on ... In accordance with Article 218 (6) (a) of the TFEU the European Parliament's consent for the conclusion of the Arrangement was given on [...]

¹ Regulation (EU) No 439/2010 of the European Parliament and of the Council of 19 May 2010 establishing a European Asylum Support Office; OJ L 132/11 of 29.05.2010.

2. RESULTS OF NEGOTIATIONS

The Commission considers that the objectives set by the Council in its negotiating directives were attained and that the draft Arrangement is acceptable to the Union.

The final content of it can be summarised as follows:

The draft Arrangement foresees the full participation of Iceland in the activities of the Support Office [Article 1], representation in the Support Office's Management Board as an observer and without voting rights [Article 2], annual financial contributions of Iceland, to the budget of the Support Office by an annual sum calculated in accordance with its GDP as a percentage of GDP of all States participating in the Support Office's work [Article 3 and Annex I].

In addition Iceland accepted provisions concerning a possible increased contribution if the Union contribution is increased [Article 3 and Annex I];

Furthermore the draft Arrangement foresees the establishment of a committee composed of representatives of the Commission and of the associate countries. For reasons of efficiency, this committee shall meet jointly with the corresponding Committees set up with other associated countries participating on the basis of Article 49 (1) of the Regulation. The committee was not mentioned in the negotiating directives and has been requested by the associate countries in order to allow for an exchange of information and monitor the proper implementation of the Arrangement [Article 11].

3. BUDGETARY IMPLICATION

Article 3 and Annex I of the draft Arrangement describe the provisions related to the annual financial contributions of Iceland to the budget of the Support Office and their possible adaptation to the situation described as per Annex I.

4. CONCLUSION

In light of the above-mentioned results, the Commission proposes that the Council approves, after having received consent from the European Parliament, the Arrangement with Iceland on the modalities of its participation in the European Asylum Support Office.

ANNEX I

FORMULA TO CALCULATE THE CONTRIBUTION

1. The financial contribution of Iceland to the revenue of the Support Office defined in Article 33 (3) (d) of the Regulation is calculated in the following way:

The most updated final figures of the Gross Domestic Product (GDP) of Iceland available on 31 March of each year shall be divided by the sum of the GDP figures of all the States participating in the Support Office available for the same year. The obtained percentage will be applied to the part of the authorised Support Office's revenue as defined in Article 33 (3) (a) of the Regulation in the year under consideration to obtain the amount of the financial contribution of Iceland.

2. The financial contribution shall be paid in Euro.

3. Iceland shall pay its financial contribution no later than 45 days after receiving the debit note. Any delay in payment shall give rise to the payment of default interest by Iceland on the outstanding amount from the due date. The interest rate shall be the rate applied by the European Central Bank to its principal refinancing operations, as published in the C series of the Official Journal of the European Union, in force on the first calendar day of the month in which the deadline falls, increased by 3.5 percentage points.

4. Iceland's financial contribution shall be adapted in accordance with this Annex in case the financial contribution from the European Union entered in the general budget of the European Union as defined in Article 33 (3) a of the Regulation is increased pursuant to Articles 26, 27 or 41 of the Regulation (EU, Euratom) No 966/2012⁹ on the financial rules applicable to the general budget of the Union and repealing Council Regulation (EC, Euratom) No 1605/2002. In this case, the difference shall be due 45 days after receiving the debit note.

5. In the event that payment credits of the Support Office received from the EU according to Article 33 (3) a of the Regulation related to a year N are not spent before 31 December of year N or that the Support Office budget of the year N has been lowered according to Articles 26, 27 or 41 of the Regulation (EU, Euratom) No 966/2012 on the financial rules applicable to the general budget of the Union and repealing Council Regulation (EC, Euratom) No 1605/2002, the part of these unspent or lowered payment credits corresponding to the percentage of the contribution made by Iceland is transferred to the budget of year N+1 of the Support Office. Iceland's contribution to the Support Office's budget of year N+1 will be reduced accordingly.
