

COMMISSION REGULATION (EU) No 635/2010**of 19 July 2010****opening the procedure for the allocation of export licences for cheese to be exported to the United States of America in 2011 under certain GATT quotas**

THE EUROPEAN COMMISSION,

Having regard to the Treaty on the Functioning of the European Union,

Having regard to Council Regulation (EC) No 1234/2007 of 22 October 2007 establishing a common organisation of agricultural markets and on specific provisions for certain agricultural products (Single CMO Regulation) ⁽¹⁾, and in particular Article 171(1), in conjunction with Article 4 thereof,

Whereas:

- (1) Section 2 of Chapter III of Commission Regulation (EC) No 1187/2009 of 27 November 2009 laying down special detailed rules for the application of Council Regulation (EC) No 1234/2007 as regards export licences and export refunds for milk and milk products ⁽²⁾ provides that export licences for cheese exported to the United States of America as part of the quotas under the agreements concluded during multilateral trade negotiations may be allocated according to a special procedure by which preferred importers in the USA may be designated.
- (2) That procedure should be opened for exports during 2011 and the additional rules relating to it should be determined.
- (3) In administering imports the competent authorities in the USA make a distinction between the additional quota granted to the European Community under the Uruguay Round and the quotas resulting from the Tokyo Round. Export licences should be allocated taking into account the eligibility of those products for the USA quota in question as described in the Harmonised Tariff Schedule of the United States of America.
- (4) With a view to exporting the maximum quantity under the quotas for which there is moderate interest, applications covering the whole quota quantity should be allowed.
- (5) For reasons of legal certainty and clarity, it should be laid down that the measures provided for in this Regulation cease to apply at the end of 2011.

- (6) The measures provided for in this Regulation are in accordance with the opinion of the Management Committee for the Common Organisation of Agricultural Markets,

HAS ADOPTED THIS REGULATION:
