

COMMISSION REGULATION (EU) No 1125/2010**of 3 December 2010****determining the intervention centres for cereals and amending Regulation (EC) No 1173/2009**

THE EUROPEAN COMMISSION,

Having regard to the Treaty on the Functioning of the European Union,

Having regard to Council Regulation (EC) No 1234/2007 of 22 October 2007 establishing a common organisation of agricultural markets and on specific provisions for certain agricultural products (Single CMO Regulation) ⁽¹⁾, and in particular Article 41 in conjunction with Article 4 thereof,

Whereas:

- (1) Annex I to Commission Regulation (EC) No 428/2008 of 8 May 2008 on determining the intervention centres for cereals ⁽²⁾ sets out the intervention centres for each Member State by cereal type, with the exception of durum wheat.
- (2) The Annex to Commission Regulation (EC) No 1173/2009 ⁽³⁾ lists the intervention centres for durum wheat and rice referred to in Article 2 of Commission Regulation (EC) No 670/2009 ⁽⁴⁾.
- (3) Commission Regulation (EU) No 1272/2009 of 11 December 2009 laying down common detailed rules for the implementation of Council Regulation (EC) No 1234/2007 as regards buying-in and selling of agricultural products under public intervention ⁽⁵⁾ sets out the conditions to be complied with, from the 2010/2011 marketing year onwards, for the designation and approval of cereal intervention centres and their storage premises. Among these conditions, Article 3(1)(a)(i) of that Regulation provides that each cereal intervention centre must have a minimum storage capacity of 20 000 tonnes.
- (4) With effect from 1 July 2010, Regulation (EU) No 1272/2009 repeals Regulation (EC) No 670/2009 with regard to cereals.
- (5) With effect from 1 July 2010, the cereal intervention centres designated pursuant to Article 41 of Regulation (EC) No 1234/2007 must comply with the conditions laid down in Articles 2 and 3 of Regulation (EU) No

1272/2009. It is therefore appropriate to repeal Regulation (EC) No 428/2008 and to amend Regulation (EC) No 1173/2009.

- (6) In accordance with Article 55(1) of Regulation (EU) No 1272/2009, the Member States have sent the Commission a list of intervention centres for actual designation and a list of the storage premises attached to those centres which they have approved as fulfilling the minimum standards required by Community legislation. In cases where cereal production levels are low, or where estimates do not indicate any cereal sectors generating surpluses and intervention has not been used for a significant period, some Member States have not reported any cereal intervention centres.
- (7) In order to ensure that the public intervention scheme works efficiently, the Commission should designate intervention centres on the basis of their geographical location and publish a list of the storage premises attached thereto, together with all the information required by the operators involved in public intervention.
- (8) The measures provided for in this Regulation are in accordance with the opinion of the Management Committee for the Common Organisation of Agricultural Markets,

HAS ADOPTED THIS REGULATION:
