## COMMISSION IMPLEMENTING DECISION (EU) 2020/715

of 25 May 2020

### on the clearance of the accounts of the paying agencies of Member States concerning expenditure financed by the European Agricultural Guarantee Fund (EAGF) for financial year 2019

(notified under document C(2020) 3260)

THE EUROPEAN COMMISSION,

Having regard to the Treaty on the Functioning of the European Union,

Having regard to Regulation (EU) No 1306/2013 of the European Parliament and of the Council of 17 December 2013 on the financing, management and monitoring of the common agricultural policy and repealing Council Regulations (EEC) No 352/78, (EC) No 165/94, (EC) No 2799/98, (EC) No 814/2000, (EC) No 1290/2005 and (EC) No 485/2008 <sup>(1)</sup>, and in particular Article 51 thereof,

After consulting the Committee on the Agricultural Funds,

Whereas:

- (1) Pursuant to Article 51 of Regulation (EU) No 1306/2013, the Commission, on the basis of the annual accounts submitted by the Member States, accompanied by the information required for the clearance of accounts and an audit opinion regarding the completeness, accuracy and veracity of the accounts and the reports established by the certification bodies, has to clear the accounts of the paying agencies referred to in Article 7 of that Regulation prior to 31 May of the year following the budget year in question.
- (2) In accordance with Article 39 of Regulation (EU) No 1306/2013 the agricultural financial year begins on 16 October of year N-1 and ends on 15 October of year N. When clearing the accounts for financial year 2019, account should be taken of expenditure incurred by the Member States between 16 October 2018 and 15 October 2019, as provided for in Article 11(1) of Commission Implementing Regulation (EU) No 908/2014 <sup>(2)</sup>.
- (3) The first subparagraph of Article 33(2) of Implementing Regulation (EU) No 908/2014 provides that the amounts that are recoverable from, or payable to, each Member State, in accordance with the accounts clearance decision referred to in Article 33(1) of that Regulation, are to be established by deducting the monthly payments for the financial year concerned from expenditure recognised for that year in accordance with Article 33(1). The Commission is to deduct that amount from or add it to the monthly payment relating to the expenditure effected in the second month following the clearance of accounts decision.
- (4) The Commission has checked the information submitted by the Member States and has communicated the results of its checks to the Member States, along with the necessary amendments.
- (5) For all paying agencies concerned, the annual accounts and the accompanying documents permit the Commission to take a decision on the completeness, accuracy and veracity of the annual accounts submitted.
- (6) In accordance with Article 5(5) of Commission Delegated Regulation (EU) No 907/2014 <sup>(3)</sup>, any overrun of deadlines during August, September and October is to be taken into account in the clearance of accounts decision. Some of the expenditure declared by certain Member States during those months in 2019 was effected after the applicable deadlines. This Decision should therefore fix the relevant reductions.

<sup>(1)</sup> OJ L 347, 20.12.2013, p. 549.

<sup>(2)</sup> Commission Implementing Regulation (EU) No 908/2014 of 6 August 2014 laying down rules for the application of Regulation (EU) No 1306/2013 of the European Parliament and of the Council with regard to paying agencies and other bodies, financial management, clearance of accounts, rules on checks, securities and transparency (OJ L 255, 28.8.2014, p. 59).

<sup>(3)</sup> Commission Delegated Regulation (EU) No 907/2014 of 11 March 2014 supplementing Regulation (EU) No 1306/2013 of the European Parliament and of the Council with regard to paying agencies and other bodies, financial management, clearance of accounts, securities and use of euro (OJ L 255, 28.8.2014, p. 18).

- (7) Pursuant to Article 41 of Regulation (EU) No 1306/2013, the Commission has already reduced or suspended a number of monthly payments for financial year 2019 due to failure to comply with financial ceilings or payment deadlines, or due to control system deficiencies. In this Decision, the Commission should take into account such reduced or suspended amounts in order to avoid making any inappropriate, or untimely, payments or reimbursements which could later be subject to financial correction. The amounts in question may be examined, where appropriate, under conformity clearance proceedings pursuant to Article 52 of Regulation (EU) No 1306/2013.
- (8) Pursuant to Article 54(2) of Regulation (EU) No 1306/2013, 50 % of the financial consequences of non-recovery of irregularities should be borne by the Member State concerned, if recovery has not taken place within four years from the date of the recovery request, or within eight years where the recovery is taken before the national courts. Article 54(4) of Regulation (EU) No 1306/2013 requires Member States to attach to the annual accounts that they have to submit to the Commission pursuant to Article 29 of Implementing Regulation (EU) No 908/2014 a certified table reflecting the amounts to be borne by them under Article 54(2) of Regulation (EU) No 1306/2013. Rules on the application of the Member States' obligation to report the amounts to be recovered are laid down in Implementing Regulation (EU) No 908/2014. Annex II to Implementing Regulation (EU) No 908/2014 sets out the model of the table that Member States have to use to provide information about amounts to be recovered. On the basis of the tables completed by the Member States, the Commission should decide on the financial consequences of non-recovery of irregularities older than four or eight years respectively.
- (9) Pursuant to Article 54(3) of Regulation (EU) No 1306/2013, on duly justified grounds, Member States may decide not to pursue recovery. Such a decision may be taken only if the costs already, and likely to be, incurred total more than the amount to be recovered, or if the recovery proves impossible owing to the insolvency, recorded and recognised under national law, of the debtor or the persons legally responsible for the irregularity. If the decision has been taken within four years from the date of the recovery request or within eight years where the recovery is taken to the national courts, 100 % of the financial consequences of the non-recovery should be borne by the Union budget. The amounts for which the Member State decided not to pursue recovery and the grounds for the decision are shown in the summary report referred to in Article 54(4) of Regulation (EU) No 1306/2013 in conjunction with point (c)(iv) of the first subparagraph of Article 102(1) of that Regulation. Therefore, such amounts should not be charged to the Member States concerned and are consequently borne by the Union budget.
- (10) Reductions according to Article 54(2) of Regulation (EU) No 1306/2013 presented in Annex I (column e) relate to the European Agricultural Guarantee Fund (EAGF). The amounts to be charged to the Member States, as a result of the application of Article 54(2) of Regulation (EU) No 1306/2013 in relation to the Temporary Rural Development Instrument (TRDI) funded by the European Agricultural Guidance and Guarantee Fund (EAGGF) <sup>(4)</sup> are presented in Annex II.
- (11) In accordance with Article 51 of Regulation (EU) No 1306/2013, this Decision should be without prejudice to the decisions the Commission may take subsequently to exclude from Union financing expenditure not effected in accordance with Union rules,

HAS ADOPTED THIS DECISION:
