#### Article 4 – Term

The Association is incorporated for an unlimited period of time.

### **CHAPTER II — FULL AND AFFILIATE MEMBERS**

#### Article 5 – Criteria for full and affiliate membership, categories of Members and rights and obligations of full and affiliate Members

Membership of the Association is open to those national political foundations, associations and think tanks that promote liberal, democrat and reform ideals and values and accept these Articles of Association, the Internal Regulations of the Association, the policy programmes of the Association and adhere to the Stuttgart Declaration of the ALDE Party, aisbl. As an exception to the foregoing, full membership is automatically granted to the President of the ALDE Party, aisbl, and the signers of the founding act.

The Association has full and affiliate Members, which are natural persons or legal entities lawfully established in accordance with the laws and customs of their country of origin. The Association shall be composed of at least seven full Members.

Full Members have to be based in the European Union, in an EU candidate country or in an EEA Member State. Affiliate members can be based in EU neighbourhood countries.

New applicants shall first be admitted as affiliate Members and shall, as such, be subject to pay half the minimum full membership fee. They have the right to take part in the meetings of the General Assembly and to voice their opinion. They do not have the right to vote. Affiliate Members can apply for full Membership after having actively participated in a minimum of three European Liberal Forum events, or decide to remain Affiliate Members.

If a candidate member does not dispose of a legal status in accordance with the laws and the customs of its country of origin, it shall, in its written application for membership, appoint a natural person, who will act on behalf and for the account of all the members of such candidate member, in his/her capacity of common proxyholder.

Full Members shall pay a membership fee. The minimum fee shall be 500 EUR corresponding to one delegate, the fee of 2 500 EUR for three delegates and a fee of 5 000 EUR for five delegates, with the exception of the President of the ALDE Party, aisbl, and the signers of the founding act. The General Assembly shall determine the fee, which shall be no less than 500 EUR and shall not exceed 5 000 EUR.

Full Members shall have the right to participate in the General Assembly, to express their opinions and to vote, on the condition that their voting right is not suspended due to an unpaid membership fee. The membership fee is due at the latest one month after invoicing; after that point in time, the right to vote is suspended until all payments due are received.

#### Article 6 – Register of full and affiliate Members

A register containing an up-to-date list of all full and affiliate Members of the Association will be held at the registered office.

All full and affiliate Members may have access to the register at the registered office of the Association.

#### Article 7 – Admission of full and affiliate Members

Foundations, associations and think tanks can apply for membership if they are proposed by two other Members of the Association.

Any application for full or affiliate membership shall be sent to the Board of Directors with all necessary documentation evidencing that the applicant fulfils the membership requirements. This application should include a position paper outlining the prospective affiliate member organisation's relationship to liberalism. The Board of Directors shall submit the application, its preliminary report and its opinion to the General Assembly, which will examine whether or not the application meets the affiliate or full membership requirements. The General Assembly shall take its decision with a majority of two-thirds of the votes cast. The decision of the General Assembly to admit the applicant shall be final and the General Assembly shall be under no obligation to justify its decision.

#### Article 8 – Resignation and expulsion of full or affiliate Members

Any full or affiliate Member may resign from the Association at any time by giving three months' notice by registered letter addressed to the President. The resignation shall only come into force at the end of the financial year.

A resigning full or affiliate Member will remain liable for its financial obligations vis-à-vis the Association until the end of the financial year during which its resignation took place.

If a full or affiliate Member fails to meet its financial obligations, a notice is sent by the Treasurer requesting to settle its debts, and mentioning that the voting right of the full member is suspended until full payment is received.

If a full or affiliate Member fails to meet its financial obligations for two consecutive financial years, it will be considered as having resigned from the first day of the following financial year.

Any full or affiliate Member may be expelled for any of the following reasons:

- i. not abiding by the Articles of Association or the Internal Regulations;
- ii. not abiding by the decisions of any body of the Association;
- iii. not fulfilling the conditions for full or affiliate membership anymore;
- iv. when, any of its acts is contrary to the interest and the values of the Association in general.

The General Assembly decides expulsion of full or affiliate Members with a majority of two-thirds of the votes cast. The full or affiliate Member will be informed by registered mail of the expulsion proposal. The letter sets forth the grounds on which the proposed expulsion is based. The full or affiliate Member has the right to notify its remarks in writing to the President, within 15 calendar days subsequent to the receipt of the letter. Upon its prior written request, the full or affiliate Member involved shall be heard.

The expulsion decision sets forth the grounds on which the expulsion is based but apart from that, the decision does not need to be justified. The President sends a copy of the decision to the expelled full or affiliate Member by registered letter, within 15 calendar days. The expulsion shall come into force immediately but the expelled full or affiliate Member shall remain liable for its financial obligations vis-à-vis the Association until the end of the financial year.

A full or affiliate Member who has resigned or been expelled shall have no claim against the assets of the Association.

#### Article 11 – Notices and meetings

The Board of Directors convenes the General Assembly. The General Assembly shall meet twice per calendar year. The first General Assembly shall be held in spring, the second in autumn. If applicable, a reminder from the President, stating that the membership is unpaid and therefore the voting right is suspended until the membership fee is received, is joined to the invitation of the member concerned.

The Board of Directors or at least a third of the full Members may convene extraordinary meetings of the General Assembly.

The notice is sent by mail, facsimile, email or any other written or electronic means. For the rest, the rules related to the agenda, timetable and conduct of the meetings of the General Assembly will be laid down in the Internal Regulations.

#### Article 12 – Representation

The full Members shall be represented at the General Assembly by their President or their delegate(s) designated in accordance with the Internal Regulations.

The full Members shall be entitled, in accordance with the Internal Regulations, to at least one delegate and a maximum of five delegates, depending on the contribution.

#### Article 13 – Proceedings, quorums and votes

At the second meeting, the General Assembly may validly take decisions regardless of the number of full Members present or represented.

Votes shall be cast by a show of hands, unless one-third of the full Members present or represented requests, before the vote begins, that a secret ballot vote be held.

The decisions of the General Assembly, including elections and dismissals of Members of the Board of Directors, shall be taken with a simple majority of the votes cast except in cases where it is decided otherwise by law or the Articles of the Association.

Specifically for changes to the Articles of the Association, a two-thirds majority of the votes shall be required, and for changes to the purpose of the Association, a four-fifths shall be required.

Abstentions and blank or invalid votes shall not be taken into account when counting the votes. In the case of a tie vote, the decision will be rejected.

If a member has a conflict of interest, the member communicates this and will abstain from voting on this precise point.

#### Article 14 – Minutes

The decisions of the General Assembly are recorded in minutes. The minutes are approved during the next meeting of the General Assembly and signed by the chair of the approving General Assembly. The minutes are kept in a register, at the full and affiliate Members' disposal at the registered office of the Association. A copy of the minutes is also sent out to all full and affiliate Members.

The minutes of the General Assembly may also be published in full or in part.

### **CHAPTER V – BOARD OF DIRECTORS**

#### Article 15 – Composition and powers

The Board of Directors consists of seven members: the President, two Vice-Presidents (the First and Second Vice-President) and a Treasurer as well as three other Board members. The Board of Directors must be composed of members from one quarter of the member States. They are elected by the General Assembly for a two-year period.

The mandate of the Board members is renewable. A Board member cannot serve on the Board of Directors more than two mandates in the same position and more than eight years in total. In accordance with the rules laid down in the Internal Regulations, third parties may be invited to take part in a meeting of the Board of Directors, as observers. Observers may voice their opinion but do not have the right to vote. The Executive Director of the Association and the Secretary-General of the ALDE Party, aisbl, are ex-officio members of the Board of Directors, without voting right.

Unless it is decided otherwise by the General Assembly, the term shall be effective immediately and shall end at the end of the second 'annual meeting' that is held after the one at which the election was held or the term was renewed.

The function of member of the Board of Directors is not remunerated. Reasonable expenses supported by appropriate documentary evidence will be reimbursed.

The Board of Directors shall be vested with the power to undertake any act necessary or useful to achieve the purpose and objectives of the Association, except for those powers that the Act or these Articles of Association reserve to the General Assembly.

The Board of Directors shall appoint and dismiss the Executive Director.

The Board of Directors may delegate, under its responsibility, part of its powers for particular or specific purposes to an proxyholder.

The Board of Directors may set up advisory and working groups for any purpose it thinks fit. The composition, terms of reference and the rules of procedure of such advisory and working groups will be laid down in the Internal Regulations.

#### Article 16 – Vacancy before term

In the event that a vacancy occurs, a new member of the Board of Directors can be appointed by the Board of Directors, in accordance with the provisions laid down in Article 18.

The term of office of the replacing member of the Board of Directors shall expire at the same time as the term of the replaced member of the Board of Directors. The appointment shall be ratified at the next meeting of the General Assembly.

#### Article 17 – Notices and meetings

The Board of Directors shall meet at least two times a year.

Meetings of the Board of Directors shall be called by the President or by two members of the Board of Directors.

The meetings of the Board of Directors shall be chaired by the President or, in his/her absence, by one Vice-President or the oldest Board member present. The notice calling the meeting shall contain the place, date, time, agenda and, as the case may be, working documents. It must be sent to all members of the Board of Directors by letter, facsimile or email or any other written or electronic means, at least eight calendar days prior to the date of the meeting.

#### Article 18 – Proceedings, quorums and votes

Decisions shall be valid when at least half of the members of the Board of Directors participate. Where this quorum is not reached, a new meeting of the Board of Directors shall be called no earlier than eight calendar days after the first meeting. The second meeting of the Board of Directors shall be entitled to take valid decisions irrespective of the number of members of the Board of Directors participating.

The Board of Directors may only deliberate on the matters set out in the agenda, unless all voting members of the Board of Directors agree and decide unanimously to discuss other matters.

Each member of the Board of Directors will have one vote. A member of the Board of Directors may not grant a power-of-attorney to another member of the Board of Directors.

Votes are held by a show of hands, or, in case audioconference or videoconference is used, by their voice, unless one-third of the Members present or represented request, before the vote begins, that a secret ballot vote be held.

The decisions of the Board of Directors shall be taken with a simple majority of the votes cast. Abstentions and blank or invalid votes shall not be counted in the votes cast. In the case of a tie vote, the chair of the meeting shall have a casting vote.

Decisions may also be taken by conference call or videoconference. Decisions taken by conference call or video conference are deemed to take place at the registered office of the Association and are deemed to come into force on the date of the meeting. Exceptionally, decisions can be taken by email, if all voting members of the Board of Directors agree unanimously on the matter to be decided on and participate.

If a Board member has a conflict of interest, he/she communicates this and will abstain from voting on this precise point.

#### Article 19 – Minutes

Decisions taken by the Board of Directors shall be recorded in minutes. The minutes are approved during the next meeting of the Board of Directors and signed by the chair of the next approving meeting.
