SISSEJUHATUS

2005. aasta juunis kutsus Euroopa Ülemkogu üles võtma järelemõtlemisaega, et arutleda institutsioonilise reformi jätkamise üle¹ Vastuseks kõnealusele üleskutsule võttis Euroopa Komisjon 13. oktoobril 2005 vastu „Dialoogi, demokraatia ja diskussiooni D-kava”² Kava eesmärk oli julgustada liikmesriike korraldama laialdast avalikku diskussiooni Euroopa Liidu tuleviku üle, kaasates sellesse ELi institutsioonide toetusel kodanikud, kodanikuühiskonna, sotsiaalpartnerid, riikide parlamendid ja erakonnad.

D-kava peamised juhtmõtted olid „parem kuulamine”, „parem selgitamine” ja „kohalikule tasandile suundumine” kodanike kaasamiseks. See soosis konsultatsiooni Euroopa tuleviku üle, mis täiendas sidusrühmade ja üldsuse konsultatsioone konkreetsete poliitiliste ettepanekute üle.

D-kavas juhinduti kuuest riikidevahelisest Euroopa kodanike projektist, mida juhtisid kodanikuühiskonna organisatsioonid (1. lisa). Projektide eesmärk oli katsetada uuenduslikke konsultatsioonimeetodeid ning võimaldada inimestel eri liikmesriikide avalikust sfäärist Euroopa kodanikena üksteisega suhelda ning arutleda ELi tuleviku üle.

2006. aasta juunis tunnustas Euroopa Ülemkogu komisjoni panust järelemõtlemisajaks ning märkis, et ELi püüe saada demokraatlikumaks, läbipaistvamaks ja tõhusamaks ei piirdu ainult järelemõtlemisajaga. Euroopa Ülemkogu märkis lisaks, et „tugevdatud dialoog kodanikega nõuab asjakohaseid vahendeid ja pühendumust”³ ning soovitas, et järelemõtlemisaega pikendataks 2007. aastani.

Komisjon vastas kõnealusele üleskutsule 2006. aasta novembris märgukirjas „D-kava – Euroopa Liiduga seotud temade ulatuslikum ja põhjalikum arutelu”,⁴ tehes järeldusi esimesel aastal saadud õppetundidest. Komisjon uuendas oma kohustust seoses D-kava alusel võetud meetmetega. Lisaks otsustas komisjon kaasrahastada uusi kodanikuühiskonna projekte, pannes rõhku eelkõige noortele ja naistele ning kohalikule tasandile suundumisele.

Järelemõtlemisaeg lõppes 2007. aasta juunis, kui Euroopa Ülemkogu jõudis kokkuleppele uue valitsustevahelise konverentsi volituse osas reformida liidu institutsioonilist raamistikku. Valitsustevaheline konverents lõppes oktoobris ning 2007. aasta detsembris kirjutati Lissabonis alla reformilepingule. Kõnealused sündmused avasid uue etapi, kus uue lepingu ratifitseerimisele järgnevad Euroopa Parlamendi valimised 2009. aasta juunis. Euroopa Ülemkogul tõsteti esile, kui tähtis on tihendada ja parandada suhtlust kodanikega, andes neile igakülgselt teavet Euroopa Liidu kohta ning kaasates nad pidevasse dialoogi⁵

2007. aasta oktoobris võttis komisjon vastu teatise „Partnerlus Euroopa asjadest teavitamisel”⁶. Teatise üldine eesmärk on suurendada ühtsust ja sünergiat erinevate ELi institutsioonide ja liikmesriikide tegevuse vahel, et Euroopa kodanikud saaksid rohkem teavet ja mõistaksid paremini, milline mõju on ELi poliitikal üleeuroopalisel, riiklikul ja kohalikul tasandil.

Käesolevas teatises käsitletakse ajavahemikul 2005–2007 rakendatud D-kava parema kuulamise, parema selgitamise ja kohalikule tasandile suundumise lähenemisviisi tulevikku. Kõnealune lähenemisviis jätkub teatavate kohandustega 2008. ja 2009. aastal Lissaboni lepingu ratifitseerimisprotsessi ajal ning võttes arvesse järgmisi Euroopa Parlamendi valimisi.

Teatise eesmärk on aidata kaasa komisjoni kommunikatsioonipoliitika ühe kesksema eesmärgi saavutamisele – kaasata kodanikke, jagades neile teavet põhjaliku arutelu pidamiseks ELi küsimustes.

1. D-KAVA HINDAMINE – TULEMUSED JA KOGEMUSED

Et julgustada Euroopa avaliku sfääri arengut, oli D-kava eesmärk edendada ELi institutsioonide ja liidu kodanike vahel nii näost näkku kui virtuaalset kahepoolset dialoogi. Kõnealune lähenemisviis osutus eriti kasulikuks arutelu algatamisel Euroopa tuleviku kohta pärast seda, kui Prantsusmaa ja Madalmaad ütlesid Euroopa põhiseaduse lepingule „ei”.

Muude komisjoni ning teiste ELi institutsioonide ja organite hallatavate programmide hulgas on D-kaval olnud peamine roll uuenduslike viiside katsetamisel, millega kodanikuühiskonna organisatsioonid võiksid kaasata kõikide eluvaldkondade kodanikke aruteludesse Euroopa tuleviku kohta, ühendades:

- virtuaalse ja näost näkku suhtluse,
- arutleva konsultatsiooni ja arvamusuuringu,
- riiklikud, piiriülesed ja üleeuroopalised konsultatsioonid.

Internetis viidi arutelusid läbi veebilehel „Debate Europe”.⁷ Tihedalt tehti koostööd komisjoni esinduste ja Europe Directi keskustega. D-kava raames toimunud komisjoni liikmete külaskäigud mängisid olulist rolli riikide parlamentide, kodanikuühiskonna, ettevõtete ja ametiühingute juhtide ning piirkondlike ja kohalike asutuste kaasamist liikmesriikides. See kinnitas eraisikute vaheliste kontaktide ja ELile inimlikuma näo andmise olulisust.

Eelkõige kaasrahastas kodanikuühiskonna projekte komisjon D-kava ühe osana. Kodanikud valiti välja juhuslikult ning nad kohtusid nii riigisiselt kui piiriüleselt. Neile jagati asjakohast teavet (nt arutletavaid küsimusi käsitlevad dokumendid, mida olid kontrollinud Euroopa Parlamendi liikmete esindajad) ning vahendid keelebarjääri ületamiseks, et nad saaksid kasutada oma emakeelt kogu konsulteerimisprotsessi vältel. Selle tulemusena oli neil võimalik võtta osa sisukatest aruteludest otsuste langetajatega ning teha ettepanekuid ELi tuleviku kohta. Üldiselt võttis kuuest riikidevahelisest D-kava projektist isiklikult osa ligikaudu 40 000 inimest ning hinnangute kohaselt osalesid sajad tuhanded virtuaalselt

Interneti teel. Projekte juhtivad kodanikuühiskonna organisatsioonid tegutsesid propageerijatena ning levitasid projektide eri etappides kodanike arvamusi läbi oma poliitiliste ja meediavõrgustike.

D-kavaga seotud kodanikuühiskonna projektid näitasid, et osalusdemokraatia võib esindusdemokraatiat oluliselt täiendada. Projektid kinnitasid muudest kodanikele mõeldud programmidest saadud tagasisidet, eriti asjaolu, et konsulteerimine pakub osalejatele nii isiklikke kui poliitilisi kogemusi. Hoolimata sellest, milline oli kodanike arvamus ELi kohta, kaasati neid ulatuslikult konsultatsioonidesse. Konsulteerimise lõpus soovisid nad saada tagasisidet otsuste tegijatelt, eriti ELi institutsioonidelt ja organitelt.

Seetõttu korraldas komisjon 2007. aasta detsembris D-kava kuue kodanike projekti lõppkonverentsi. Konverents kandis pealkirja „Euroopa tulevik – kodanikekeskne tegevuskava”. Esimest korda avanes mitmetes riikidevahelistes osalusdemokraatia projektides osalenud kodanikel võimalus Euroopa tasandil oma soove ühitada ja esitada need vahetult otsuste tegijatele.

Konverentsi tulemusena antud soovitusel esitati avaliku kirja vormis ELi riigipeadele ja valitsusjuhtidele, riikide parlamentidele, ELi institutsioonidele ja Euroopa erakondadele enne Euroopa Ülemkogu detsembri kohtumist (2. lisa). Kirjas kutsuti Euroopa erakondi üles juhinduma oma programmides kõnealustest soovitustest ja arutama neid kodanikega enne 2009. aasta Euroopa Parlamendi valimisi. Kirjas kutsuti lisaks ELi riigipäid ja valitsusjuhte julgustama Euroopa kodanikuaktiivsuse arendamist kõigil valitsemise tasanditel.

Kodanike projektid tõestasid, et seda võib teha mitmel viisil. Katsetati järgmisi võimalusi:

- arutelude pidamiseks mõeldud Euroopa veebileht, mis on seotud riiklike alalehekülgede võrgustikuga, ning sellega seotud kohalikul, riiklikul ja Euroopa tasandil toimuvad aruteluüritused;
- mitmekeelne interaktiivne veebileht, mille sisu määrasid kindlaks ELi eri riikide sihtrühmad ja mis kohandati vastavalt sihtrühmadele korraldatud seminaridest saadud tagasisidele;
- riiklikud konsultatsioonid samal teemal kõigis liikmesriikides, mis leidsid aset enam-vähem samal ajal ning viisid üleeuroopalise sünteesini;
- üleeuroopalised arutlusküsitlused, mille raames kohtusid kolmel päeval juhusliku valiku alusel valitud inimesed, et pidada näost näkku arutelu;
- kohalikud aruteluüritused mitmes ELi liimesriigis kombineerituna küsitluste ja videosalvestustega kodanike arvamuste kohta.

Projektid näitasid, et osalusdemokraatiat on ELiga seotud küsimustes kohalikul, piirkondlikul, riiklikul ja piiriülel tasandil võimalik arendada nii kvaliteedi kui ka logistika osas.

Seoses sisuga näitasid projektid, et mõnikord esines lahknevusi kodanike ootuste ja ELi tegelike pädevusvaldkondade vahel, näiteks sotsiaalküsimuste, hariduse, diplomaatia ja kaitsepoliitika valdkonnas. Konsultatsioonidel osaledes õppisid inimesed paremini tundma ELi otsustusprotsessi. Konsultatsiooni lõpus oli neil selgem ülevaade selle kohta, kuidas otsuste tegijatele küsimusi esitada ning vähendada tulevikus lõhet otsusetegijate ja kodanike vahel.

Projektidest on võimalik saada huvitavaid õppetunde ajastamise, osalejate valimise, väitlusjuhtide koolituse, piiriülese logistika ja mitmekeelse arutelu ning teabe ja kogemuste kohta, mida on vaja, et tagada kõikide eluvaldkondade kodanikele võimalus pidada põhjalikku arutelu Euroopa küsimustes. Hõlbus juurdepääs teaduslikule nõustamisele ja eksperdiarvamusele on sidusrühmi ja poliitikakujundajaid ühendavas osalusprotsessis hädavajalik.

2. KUHU EDASI? „DEBATE EUROPE“

Esimeses etapis keskendus D-kava protsessi „debati ja dialoogi“ aspektile. Järgmise sammuna võetakse tähelepanu keskmesse „D nagu demokraatia“, mis annab kodanikele paremad võimalused väljendada oma soove vahetult otsustetegijatele ja kasutada seejuures paremini ära meedia võimalusi. Seepärast nimetatakse uut etappi komisjoni D-kavale pühendatud veebilehe järgi „Debate Europe“.

„Debate Europe“ peab täitma järgmisi eesmärke:

1. Väljendama rahvakonsultatsioonide tulemusi, mida kodanikuühiskond on pidanud poliitiliste otsusetegijatega. Kodanike tehtud järeldusi sünteesivad kodanikud ise ning saadavad need valitud poliitikutele, erakondadele ja sihtasutustele. Kõik see päädib debatiga kodanike ja poliitikute vahel, kus teemaks kodanike platvormis sisalduvad ettepanekud. Selles protsessis kasutab „Debate Europe“ uut Euroopa poliitilist ja institutsioonilist konteksti, sealhulgas uut määrust⁸, mis reguleerib Euroopa tasandi erakondi ja sihtasutusi.
2. Hõlmama tihedat koostööd ja võimaluse korral ühistegevust ELi institutsioonide ja organite vahel, et maksimeerida nende jõupingutuste mõju Euroopa kodanikuaktiivsuse edendamisel (kodanike foorumid, Euroopa Parlamendi teabevahetusstrateegia 2009. aasta valimiste eel ja „Agoraa“ foorumi arutelud kodanikuühiskonna organisatsioonidega ning Regioonide Komitee ja Euroopa Majandus- ja Sotsiaalkomitee algatused).
3. Suurendama olemasolevate ELi algatuste mõjujõudu, sh komisjoni kodanikuaktiivsuse edendamise programmide puhul, nt programm „Kodanike Euroopa“, Euroopa kolmandate riikide kodanike integreerimise sihtasutus, sotsiaalse ühtekuuluvuse programmid ja vaesusevastased programmid, muud üksikalgatused, millega tähistatakse Euroopa kultuuridevahelise dialoogi aastat (2008) ning Euroopa loovuse ja innovatsiooni aastat, samuti e-osaluse ettevalmistusmeetmed ja nendega seotud toimingud ning e-kaasatuse algatus. Seeläbi võimendab „Debate Europe“ komisjoni jõupingutusi ELi poliitika lisandväärtuse selgitamisel kodanikele (nt siseturu kordaminekud: mobiilside rändlustasud, odavlennud, lõhe ületamine regionaalarengus, keskkonnakaitse ja võitlus kliimamuutuste vastu).
4. Viima ellu muid edukaid D-kava meetmeid (veebiarutelud, ELi ametnike ja kodanike lähendamine teineteisele, koostöö komisjoni ja Euroopa Parlamendi teabetalituste vahel, kasutades ELi teabekeskusi, et jõuda kohalikule tasandile).

⁸ Euroopa Parlamendi ja nõukogu 18. detsembri 2007. aasta määrus (EÜ) nr 1524/2007.

2.1. Kodanike arutelude seostamine poliitiliste esinduskogudega

Valitseb üldine soov ületada lõhe riikliku ja üleeuroopalise tasandi poliitika vahel. Euroopa erakondi tuleb toetada nende püüdes osaleda igas liikmesriigis toimuvates avalikes diskussioonides. Eriti tuleb Euroopa küsimusi esile tõsta Euroopa Parlamendi valimiskampaania ajal ning kodanikeni peab jõudma arusaamine, et poliitilised otsused, mida nad teevad Euroopa tasandil, mõjutavad nende igapäevaelu.

„Debate Europe“ toimib katalüsaatorina, mis võimendab käimasolevaid komisjoni algatusi, et eelnimetatud lõhet ületada. Selle raames kaasrahastatakse üleeuroopalist rahvakonsultatsioonide projekti, mida haldavad kodanikuühiskonna organisatsioonid partnerluses mõttekodade, teadusorganisatsioonide ja ülikoolide, erakondade ja sihtasutustega. Samuti edendatakse selle raames riikliku ja piirkondliku tasandi meetmeid, mis võimaldavad kodanikel kõikidelt eluvaldkondadelt osaleda diskussioonis, sünteesida oma vaateid, arutada neid otsusetegijatega ning kaasata ka meediat.

„Debate Europe’it“ toetab ka uus ELi erakondade ja sihtasutuste määrus, mis on üks D-kava esimesest etapist tulenenud praktilisi meetmeid. Määrus avardab Euroopa erakondade tegevusulatust ja toetab poliitiliste sihtasutuste arengut, mis hakkavad mängima olulist rolli kodanike kaasamisel püsivasse, reaalsesse ja informeeritud poliitilisse dialoogi.

Aastal 2007 esitasid need sihtasutused komisjonile tegevuskavu, mille eesmärgiks oli töötada 2008. aastal välja rida esmakordseid ettevõtmisi: kodanike teadlikkuse tõstmine eelseisvatest Euroopa parlamendi valimistest koolituskursuste, sihipäraste teabevahetusalgatuste, veebisaitide ja brošüüride kaudu ning luues võrgustikke riikide sihtasutuste ja mõttekodadega. Alates septembrist 2008 subsideeritakse poliitilisi sihtasutusi püsivalt.

„Debate Europe“ täiendab neid jõupingutusi, kutsudes poliitilisi sihtasutusi andma oma panust kodanikuühiskonna peetavatesse rahvakonsultatsioonidesse.

2.2. Koostöö tugevdamine Euroopa Parlamendiga

Detsembris 2007 toimunud D-kava konverents „Euroopa tulevik – kodanikekeskne tegevuskava“ näitas, et ELi institutsioonidel on suurem mõjuvõim, kui nad oma jõud ühendavad ja üheskoos kodanikega peetavas dialoogis osalevad. See on nende jaoks võimalus demonstreerida ELi demokraatiat kogu selle mitmekesisuses. Kodanikel võimaldab see omakorda paremini mõista ELi otsuste tegemise protsessi. Institutsioonidevaheline koostöö niisuguses vormis sisaldub „Debate Europe’i“ projektides nii üleeuroopalisel kui ka riiklikul ja piirkondlikul tasandil.

Oma valimistaegses teabevahetusstrateegias kutsub Euroopa Parlament üles tihedale koostööle ELi institutsioonide vahel. „Debate Europe“ aitab seda vajadust täita. Tõepoolest, kui küsimuses on Euroopa kodanikuaktiivsuse innustamine, siis on hädavajalik koostöö mitte üksnes Euroopa Parlamendiga, vaid ka Regioonide Komitee ja Euroopa Majandus- ja Sotsiaalkomiteega. Iga institutsioon või organ on kodanike foorumite korraldamisel saanud hulgaliselt kogemusi.

Komisjon on valmis töötama koos tulevaste ELi eesistujariikidega, kes soovivad korraldada kodanike tippkohtumisi erinevate ELi institutsioonide ja organite osalusel, luues niiviisi platvormi, mille kaudu kodanike seisukohad konkreetsetes küsimustes Euroopa otsusetegijateni tuua.

2.3. Koostoime loomine komisjoni programmide vahel

„Debate Europe“ täiendab muid Euroopa kodanikuaktiivsust edendavaid komisjoni programme ja on nendega koostoimes. „Debate Europe'i“ projektide üks tunnusjooni on nende institutsioonidevaheline, poliitiline ja meediamõde: piirkondlikul, riiklikul ja üleeuroopalisel tasandil korraldatud konsultatsioonisündmuste tulemuseks on informeeritud avalik arutelu kodanike ning liikmesriikide ja kõikide ELi institutsioonide otsusetegijate vahel.

„Debate Europe'i“ konkursikutsete tingimused tagavad, et valitud projektid võtavad arvesse komisjoni üldisi poliitilisi jõupingutusi Euroopa kodanikuaktiivsuse edendamisel ning eelkõige järgmist:

- programm „Kodanike Euroopa“, mis edendab Euroopa kodanikuaktiivsust, toetades tervet rida osalisi (kohalikud omavalitsused, kodanikuühiskond, ettevõtlus- ja tarbijaorganisatsioonid, kodanikud) nõnda, et nad võiksid tegutseda, väidelda, arutleda ja suhelda omavahel mitmel eri moel, nii traditsioonilistel (sõpruslinnade üritused, kodanikuühiskonna riikidevahelised projektid) kui ka uuenduslikel viisidel (nt kodanike arutlusringid);
- Euroopa kultuuridevahelise dialoogi aasta 2008, millesse on kaasatud kõik ELi institutsioonid ja organid, ning Euroopa loovuse ja innovatsiooni aasta 2009;
- Euroopa poliitilised sihtasutused ja erakonnad, mis püüavad ühenduse toetusel tõsta kodanike teadlikkust eelseisvatest Euroopa Parlamendi valimistest;
- kolmandate riikide kodanike integreerimise Euroopa fond. Sisserändajate integratsiooni puhul on tegemist protsessiga, mille käigus toimub tihe koostöö valitsuse eri tasandite ja valitsusväliste osaliste, näiteks töandjate, liitude, usuorganisatsioonide, kodanikuühiskonna, sisserändajate ühenduste, meedia ja sisserändajaid toetavate valitsusväliste organisatsioonide vahel.
- E-osaluse ettevalmistusmeetmed, mille eesmärgiks on uute tehnoloogiate kasutamise abil suurendada kodanike osalust ELi tasandi seadusloome- ja otsustusprotsessis. Juba on katseks käivitatud mitu uut suhtlusvormi kodanike ja Euroopa institutsioonide vahel;
- teadusuuringute seitsmendast raamprogrammist rahastatav teadustegevus ja sellega kaasnevad algatused ühiskondliku juhtimise ja kodakondsuse valdkonnas (sotsiaal- ja humanitaarteaduste tööprogramm) ning avalikkuse kaasamine teadusse (tööprogramm „Teadus ühiskonnas“)⁹.

⁹ Euroopa Parlamendi ja nõukogu otsus nr 1982/2006/EÜ; nõukogu otsused 2006/971/EÜ ja 2006/974/EÜ.

2.4. Muude D-kava algatuste edasiarendamine

„Debate Europe“ on koostoimes liikmesriikide käimasolevate algatustega, millest paljud pakuvad hinnalisi institutsioonidevahelise koostöö võimalusi. Nende hulka kuuluvad:

- katselised teabevõrgud (PIN) – nende võrkude kohta on lepingud juba sõlmitud. Need ühendavad Euroopa, liikmesriikide ja piirkondade parlamendiliikmeid, ajakirjanikke ja muid Euroopa arvamussliidreid, et vahetada teavet, teadmisi ja ideid Euroopa Liidu kohta. Teabevõrgud toovad Euroopa debati riikide parlamentidele lähemale. Need kasutavad Internetti, muid veebivahendeid ja nõupidamisi, et töötada välja ideedevõrgud ning aidata ühendada poliitikuid ja meediat uuenduslike kodanikuühiskonna projektidega.
- Euroopa avalik ruum – komisjoni esindused ja Euroopa Parlamendi infobürood Madridis, Tallinnas ja Dublinis on koostöös loonud Euroopa avaliku ruumi, kus leiavad aset näitused, debadid, seminarid ja koolituskursused ELi teemadel. Seda katseprojekti kavatakse laiendada ka teistesse pealinnadesse, alustades Roomast, Londonist, Kopenhaagenist ja Berliinist.
- Kodanike foorumid – Euroopa Parlament, Euroopa Majandus- ja Sotsiaalkomitee ning Regioonide Komitee korraldavad liikmesriikides kodanike foorumeid. „Debate Europe“ julgustab ELi eri institutsioonide ja organite liikmeid kokku tulema ja ühiselt niisugustel foorumitel üles astuma, lähtudes D-kavas sisalduvast Euroopa demokraatia ümarlaudade ideest¹⁰.
- Külaskäigud liikmesriikidesse – Euroopa Komisjoni volinike D-kava raames toimuvad külaskäigud liikmesriikidesse on suunatud riiklikele parlamentidele, piirkondlikele ja kohalikele omavalitsustele, meediale ja kodanikuühiskonnale. Komisjoni ametnikke on õhutatud külastama oma vanu koole. „Debate Europe“ viib niisuguseid näost-näku kontaktid veelgi kaugemale kooskõlas komisjoni personali kaasamise strateegiaga¹¹, milles julgustatakse komisjoni töötajaid mängima oma institutsiooni saadikuna aktiivset rolli teabevahetuse alal, näiteks operatsioonis „Tagasi kooli“ või ettevõtlusvõrgustikus Enterprise Europe Network. „Debate Europe“ julgustab ka teiste ELi institutsioonide ja organite liikmeid ja ametnikke sellega ühinema.
- Veelgi enam kohalikule tasandile minek – Europe Directi teabekeskused on koos komisjoni esindustega korraldanud arutelusid, üritusi ja seminare kodanikega ka väljaspool liikmesriikide pealinnu. „Debate Europe“ jätkab neid tegevusi, kasutades ära asjaolu, et 2009. aastal avatakse Europe Directi keskuste teine põlvkond.
- Eurobaromeetri arvamusküsitluste lihvimine – komisjoni Eurobaromeetri arvamusküsitlused võtavad arvesse kogemusi, mis on saadud D-kava projektide esimesest etapist, mil katsetati üleeuroopalises ulatuses arutlusküsitlustehnikaid ELi tuleviku teemadel.
- Internetiarutelud – D-kavale pühendatud veebisait „Debate Europe“ tehti jaanuaris 2008 ümber, et suurendada sealseid võimalusi pidada internetikasutajatega ELi aktuaalsetel teemadel komisjoni esinduste osalusel interaktiivset arutelu. Veebiarutelude hiljutisele taaskäivitamisele järgnevad 2008. aasta jooksul ja 2009. aastal samalaadsed võrguarutelud.

3. KONKURSIKUTSE JA DETSENTRALISEERITUD MEETMED

„Debate Europe“ tagab, et komisjoni üldised jõupingutused Euroopa kodanikuaktiivsuse edendamisel saavad osaks institutsioonidevahelistest integreeritud jõupingutustest, mis on suunatud otsusetegijatele kõikidel valitsustasanditel.

On ette pandud rakendada kahetasandilist strateegiat, mida toetab 7,2 miljoni euro suurune eelarve:

- üleeuroopaline tasand: tsentraliseeritud konkursikutse ulatusliku kõiki 27 liikmesriiki hõlmava projekti kaasrahastamiseks 2 miljoni euro suuruse eelarvega;
- riiklik ja piirkondlik tasand: detsentraliseeritud konkursikutsed ja meetmed, millega toetatakse kohalikke projekte, 5,2 miljoni euro suuruse eelarvega¹².

Üleeuroopalisel tasandil peab tingimustes olema sätestatud, et võttes arvesse esimesest riikidevahelise osalusdemokraatia projektiseeriast saadud kogemusi, teeb „Debate Europe“ järgmist:

- peab kõikides liikmesriikides rahvakonsultatsioone;
- koostab Euroopa tasandil ühise järelduste paketi ja saadab selle Euroopa poliitilistele organisatsioonidele;
- kutsub kodanikud pidama dialoogi valitud esindajate ja Euroopa poliitiliste organisatsioonidega, kaasates sellesse ka Euroopa Parlamendi, Euroopa Majandus- ja Sotsiaalkomitee ning Regioonide Komitee.

Riiklikul ja piirkondlikul tasandil komisjoni esindused:

- on aastaks 2008 kavandanud ligikaudu 140 meetet, ergutamaks avalikku diskussiooni ELi teemadel;
- kaasrahastavad kohalike konkursikutsete kaudu konkreetsetele vajadustele kohandatud meetmeid (nt meetmed, mis on suunatud koolidele ja noortekeskustele, näitused, messid ja festivalid, konverentsid, seminarid, üritused valitsusväliste organisatsioonidega jne);
- viivad ellu selliseid meetmeid koos teiste ELi institutsioonide ja organitega näiteks Euroopa avaliku ruumi, Euroopa kultuuridevahelise dialoogi aasta, kavandatava Euroopa loovuse ja innovatsiooni aasta ning ELi riiklike kultuuriinstituutide kaudu.

Olenevalt riiklikust kontekstist võiks riigi tasandi valitsusväliste organisatsioonide rahastamine isegi piiratud ulatuses anda tulemuseks viljaka dialoogi ELi teemadel. Komisjoni esindused koostöös Euroopa Parlamendi infobüroodega suurendavad niisuguste dialoogiürituste mõju, kaasates sinna piirkondlikke ja kohalikke omavalitsusi.

Need algatused võivad anda uut hoogu olemasolevatele ja uutele piirkondlikele ja kohalikele võrgustikele ning aidata levitada parimat tava, kasutades e-osaluse vahendeid¹³. Need võivad pakkuda huvi ka Euroopa valimistel kandideerivatele poliitikutele, kes võivad võtta need arutelud aluseks dialoogis oma valijatega.

¹² Komisjoni otsus K(2008) 924 teabevahetuse valdkonna toetuste ja lepingute tööprogrammi kohta aastaks 2008, mille komisjon võttis vastu 12. märtsil 2008 (tabel 2.6.2).

4. KOKKUVÕTE

Kodanike kaasamine

Avalikkuse toetus Euroopa Liidule saab tekkida üksnes elavas ja avatud arutelus ning kodanike aktiivse kaasatõmbamise teel Euroopa asjadesse. Lisaks paljudele sidusrühmade ja avalikkusega peetud konsultatsioonidele, mida komisjon on pidanud konkreetsetes poliitilistes küsimustes, vajab EL rohkem poliitilist debatti ja teadlikkust, et ta suudaks saavutada oma eesmärgid ja teostada õiget poliitikat. See ongi üks komisjoni teabevahetuspoliitika¹⁴ keskseid eesmärgid: *kaasata kodanikke Euroopa kodanikuaktiivsuse edendamise kaudu.*

Suhtlemine poliitikakujundajatega

Erakondadel ja nende valitud esindajatel on kõige paremad võimalused tõstatada siseriiklikus arutelus Euroopa teemasid ja puhuda kogu Euroopas lõkkele piiriüleseid avalikke arutelusid. Arutelu ja dialoogi arendamiseks Euroopa ühist huvi pakkuvates küsimustes on vaja piiriüleseid sidekanaleid. Komisjon on nende kanalite väljaarendamisele kaasa aidanud õigusaktide ettepanekute kaudu, mis on mõeldud hõlbustama Euroopa erakondade arengut, samuti rea kodanikele suunatud programmide ja valitsusväliste organisatsioonide selgitustöö ning D-kava kaudu.

Pärast mitmete katseprojektide elluviimist on peamiseks proovikiviks tagada, et nende tulemused jõuaksid poliitilisse otsustusprotsessi. D-kava esimene etapp kinnitas, et on olemas selge nõudlus Euroopa teemadel peetavat poliitilist dialoogi tugevdavate ja laiendavate meetmete järele ning et osalusdemokraatia võib edukalt täiendada esindusdemokraatiat.

Järgmises etapis (2008–2009), pärast Euroopa parlamendi valimisi, pakub „Debate Europe“ tegevusraamistikku selleks, et üksteisele läheneda, kontakte leida ja partneritena tegutseda. Ent seda tuleb vaadelda ka pikemas perspektiivis: „Debate Europe“ püüab muuta arusaama, et ELi asjad on liiga abstraktsed ega seostu riikliku avaliku sfääriga, mis kodanikele huvi pakub; samuti annab see võimaluse ületada sageli kunstlik lõhe siseriiklike ja üleeuroopaliste küsimuste vahel.

Open letter / recommendations from the participants at the concluding conference of the six Plan D citizens' projects

The future of Europe-the citizens' agenda

Open letter to the EU Heads of State and Government, the National Parliaments, the European Union Institutions and European political parties

Brussels, 9 December 2007

Next week, the Heads of State and Government of the European Union will sign the Lisbon Treaty. The EU celebrated its 50th Anniversary this year. Since 1957, the European Union has progressed from economic cooperation to a political union that affects the lives of almost 500 million citizens. This evolution also brings responsibilities for the political leaders of Europe. The permissive consensus that existed at the beginning has to be turned into an actively earned consensus in dialogue with the European citizens.

Associating citizens to the European construction is more than ever a fundamental issue. If we do not want the citizens to desert once more the European elections in 2009, political leaders need to regain the citizens' trust and confidence in the European project and show they care about citizens' involvement in the decision-making machine.

Plan D launched by Commission Vice-President Margot Wallström responded to this challenge in a novel manner. It co-financed a series of projects to learn how ordinary citizens can be involved in the EU decision-making and how they view the EU's future. This exercise responds to a basic value of the EU in the 21st century: active citizenship.

The European Movement International, the King Baudouin Foundation, Notre Europe, Deutsche Gesellschaft, European House Budapest and CENASCA-CISL, with a large network of partners across Europe have engaged actively in Plan D. A series of grass roots debates, consultations, polls and events aimed at consulting citizens on their visions of Europe have been carried out in a number of Member States, while deliberative polling and consultation has taken place on a pan-European scale.

Thousands of citizens took part in those projects throughout the European Union in 2007. Over 250 of them have assembled in Brussels on 8 and 9 December to debate on the major concerns which have emerged through Plan D. There was a clear consensus among participants that more opportunities of this kind should be provided to involve citizens in the debate over Europe's future.

They have structured these concerns into three themes:

1. The human aspects of globalisation
2. Enlargement, political integration and EU citizenship
3. The EU's role on the world stage.

They have consolidated their conclusions into a single set of recommendations (annexed to this letter).

They have debated those recommendations with decision-makers representing the EU institutions as well as the present Portuguese and future Slovenian Presidencies of the EU:

- Mrs. Margot Wallström, Vice-President, European Commission.
- Mrs Jillian van Turnhout, Vice-President, European Economic and Social Committee.
- Mr. Ivo Opstelten, Mayor of Rotterdam, Member of the Committee of Regions,

- Mr. Pierre Jonckheer, Member of the European Parliament
- Mr. Valter Lemos, Portuguese Secretary of State for Education,
- Ambassador Igor Sencar, Permanent Representative of Slovenia.

They call on the European political parties to address those recommendations in their programmes and to discuss them with citizens in view of the elections to European Parliament in 2009.

They call upon the EU Heads of State and Government, both in their capacity as European but also as national leaders, to heed those recommendations and thereby encourage the development of active European citizenship, without which there cannot be a truly political Union.

They call for the dialogue with citizens on European issues to be continued and deepened in the future.

The participants to the conference on "The future of Europe-the citizens' agenda"

Twenty–seven recommendations

1.

As work is considered a crucial dimension for individual emancipation, the **welfare systems** should protect citizens' life conditions during periods of transition for example by providing people with an unemployment indemnity when changing jobs.

2.

Citizens expect more action from the EU in the area of **social policy and social cohesion** in order to fight the black market, reduce salary gaps, promote gender-equality, ease unemployment and to make it attractive to work longer before retiring.

3.

The EU should promote **equal rights, comparable standard of living** in all EU member states and foster equal opportunities through harmonised social and economic policies and a welfare model for all member states.

4.

The Member States and the EU should make sure that **migrants** enjoy equal rights and opportunities and have access to education and work if they observe the laws, rules and values of the host country and commit to learning the language.

5.

The **European migration policy**, so far based only on restrictive measures, should adopt a more sophisticated approach aiming at the social and economic development of the involved countries. The EU needs to clarify its approach to economic refugee status.

6.

Migration needs to be acknowledged as one of today's most pressing issues, and cannot be tackled without a coherent development aid strategy.

7.

The EU should ensure that part of each country's national curriculum, in both **schools and universities**, requires a section on Democracy and European Citizenship, to ensure a greater understanding of the EU, its history, and its opportunities.

8.

The EU should show more commitment to **educational promotion** in general but also specifically regarding European issues, e.g. through the expansion of existing educational EU programmes or the establishment of new EU programmes as well as the incorporation of the European integration process as a central topic in the national school curricula.

9.

Exchange projects need further support to encourage young people to recognise the importance of their EU citizenship in the global context.

10.

The EU should help preserving, appreciating and respecting the **diversity** of peoples, knowledge, customs and languages identities - while recognising common and shared European values.

11.

Integration strategies such as the **educational policy** incorporating the EU into school curricula will favour the development of a European identity.

12.

The EU should prioritise creating and communicating a **new ‘memory’ about Europe**, to move away from the stereotypes associated with certain countries and history, so that all citizens can be valued and we can understand each other better.

13.

The EU should increase opportunities for a more active, **direct participation of European citizens** from all walks of life in policy-making through regular citizen Plan D-type participatory projects, debates, public hearings, etc. at EU but also at regional and national levels. More transparency-more influence for European citizens!

14.

The EU should make sure that the **current citizen recommendations** are considered and discussed not only by the EU but also national policy-makers or become part of existing policy-making processes (e.g. impact assessments, public consultations). The EU should not only listen but also learn.

15.

The EU should become more interactive, citizen friendly and inclusive, recognising the growing significance of **regional approach and identity**. New and innovative information technique should be used to improve communication with citizens especially young people. Specific attention has to be paid to the frequently neglected gender issues.

16.

Climate change and energy security cannot successfully be dealt with at the national level alone. The EU should be given stronger powers to develop a common energy policy and ensure that Member States live up to the commitments they have made at European level.

17.

In a global world, it makes sense for the EU to take greater responsibility than today in the fields of **military action, foreign aid and diplomatic relations**. The EU should be able to speak with one voice on a global level to defend its values.

18.

The EU can be more efficient than national governments in **security, police and struggle against drugs traffic and cartels**.

19.

The EU should lead the world in **protecting the environment** and promoting clean energy.

20.

Europe should develop a strong voice on the global stage with **common foreign and security policies that promote peace**, security in regional conflicts democracy and the respect for human rights providing for a strong role model across the world, whilst recognizing the importance of the nation state.

21.

The EU should show **a united front in international affairs**; the current practice is influenced too much by national short-term interests and considerations.

22.

The EU should tackle the impact of Europe's energy use on both the economy and the environment and foster the transition to environmentally clean, safe and sustainable energy sources.

23.

European citizens want the EU to **take the lead when it comes to social, energy and environmental standards** on a global level.

24.

The EU should develop **specific educational and action-oriented programmes for citizens on global issues** such as trade, energy and the environment.

25.

The EU should **coordinate its aid programmes with NGOs** engaged in humanitarian work to bring timely and efficient relief to crisis regions or to promote sustainable development.

26.

The EU should **lower barriers to international trade** as, overall, freer trade benefits developed and developing countries.

27.

The EU should show **more commitment in the fields of international peacekeeping** as well as humanitarian aid during catastrophes.

CENTRAL CALL FOR PROPOSALS - DG COMM No < A2-1/2008 >

Financial support for an initiative emanating from organisations with a significant trans-national dimension as provided by the European Commission's Debate Europe Communication

1. INTRODUCTION/BACKGROUND

On 13 October 2005 the Commission approved its Communication to the Council, to the European Parliament, to the European Economic and Social Committee and to the Committee of the Regions: Plan D for Democracy, Dialogue and Debate.

This was a listening exercise so that the European Union can act on the concerns expressed by its citizens. The Commission aimed to stimulate debate and widen recognition for the added value that the E U provides.

It was a two-way process which:

- informed the public about the EU's role, with examples of its projects and achievements,
- identified their expectations for the future in return.

On 29 November 2006 Vice President Wallström presented an information note to the College of Commissioners on Plan D – Widen & deepen the debate. The purpose of this was to take stock and further widen and deepen the debate in the period of reflection.

On 2 April 2008, the Commission adopted a Communication to the Council, the European Parliament, the European Economic and Social Committee and the Committee of the Regions entitled "Debate Europe-building on the experience of Plan D for Democracy, Dialogue and Debate". It noted that the first phase Plan D focused on the "debate and dialogue" part of the process. The next phase of Plan D will take this process one step further and focus on "D for democracy", further enabling citizens to articulate their wishes directly to decision-makers and making better use of the media in the process. This new phase has been named "Debate Europe".

In October 2005 the Commission launched a series of Europe-wide civil society projects for 2006, which it co-financed. In 2007, it promoted a further series of initiatives, targeting young people and women in particular.

2. OBJECTIVES

One of the key lessons from this first round of projects and the concluding conference of Plan D is that the interface between citizens and EU decision-makers needs to be strengthened to ensure that issues of interest and concern Europe-wide are debated and addressed at a European level. There is a need to communicate those Europe-wide issues and concerns which affect to a large degree all of Europe's citizens identified from consulting on a pan-

European basis and to communicate these to European political decision-makers and media especially in view of the June 2009 European elections.

As a result, the Commission wishes to strengthen the existing debate about the future of Europe and its impact on citizens' daily lives by launching one or more pan-European projects with the following objectives:

In a first phase;

- Carry out a Europe-wide dialogue between citizens, political decision-makers and other key opinion formers through a series of debates/conferences/consultations and other events, with a view to ascertaining citizens' principal issues and concerns at a European level which touch their daily lives. This dialogue will ensure a close involvement of the other EU institutions (EP, EESC, COR) and European political parties' foundations.
- The conclusions arising from these events would be synthesised and made public . At a concluding event they should be presented to European decision makers to give them the opportunity to react and take into account the concerns of the European electorate. This phase of the project should be completed ideally before the June 2009 European elections.

In a second phase, the contractor could continue with a series of meetings with newly-elected MEPs and representatives from the principal European media (television, radio, press).

In carrying out both phases, the contractor will take into account the European Year of Intercultural Dialogue and on-going Commission programmes such as Europe for Citizens and e-Participation.

The resulting projects will involve consortia of civil society organisations with a view to replying to these objectives on a Europe-wide scale. These consultations will complement those planned to be held at local level designed to address concerns focused on European issues with a more local impact.

3. TIMETABLE

3.1. Submission of applications

Publication of call beginning April 2008.

Applications must be submitted by end June 2008 at the latest.

Contracts will be signed September 2008.

Please read carefully section 10 of this call for proposals concerning the procedures for submitting applications.

3.2. Duration of projects

The project should begin between 1 September and 1 October 2008 and will be in two phases as described above.

The first phase will be completed by mid-May 2009 (before the European elections) and the second phase by 1 November 2009.

Applications must clearly state the project's starting and finishing dates (dd/mm/yy).

The maximum duration of projects is 14 months.

However, if, after the signing of the agreement and the start of the project, the beneficiary observes that, for fully justified reasons beyond his control, it becomes impossible to complete the project within the scheduled period, an extension to the eligibility period may be granted. A maximum extension of 3 months will be granted, provided that this is requested before the deadline specified in the grant agreement. The maximum duration will then be 18 months.

The period of eligibility of expenditure resulting from implementation of a project will begin on the day of signature of the grant contract by the last of the parties. If the nature of the project requires the project to start before the contract is signed, expenditure may be considered eligible before the signature of the contract. Under no circumstances can the eligibility period start before the date of submission of the grant application.

3.3. Information on the results of the selection

It is planned that applicants will be informed of the outcome of the selection procedure in July 2008.

The lists of selected projects will be published on the following website:
http://europa.eu.int/comm/dgs/communication/grants/index_en.htm

Applicants whose applications have not been selected will be informed in writing.

4. FINANCING

The budget initially available for part-financing projects is estimated at € 2 000 000.

If during the 2008 budget year, additional amounts are allocated to boost the initial budget for this call for proposals, they might be allocated to co-financing projects which were adopted at the selection phase but not given priority for co-financing in the overall budget initially available. The Commission therefore reserves the right to set up a “reserve list” of proposals evaluated positively in order to take account of the resources actually available in the 2008 budget.

The grant awarded may not exceed 70% of the total eligible project costs.

Community contributions are meant to facilitate the implementation of a project which could not otherwise be implemented easily without the support of the European Union. They are based on the co-financing principle.

Consequently, a minimum of 30% of the total estimated eligible expenditure of the project must come from sources other than the European Union budget. Applicants must include evidence that co-financing is available (secured) for the remainder of the total cost of the project.

The Commission intends to finance 1 to 2 projects for a budget of € 1 or € 2 million in total..

The European Commission reserves the right not to distribute all the funds available.

The amount allocated by the Commission may not in any circumstances exceed the amount requested. Moreover, the Commission reserves the right to award a grant lower than the amount requested by the applicant.

An organisation is not entitled to receive more than one grant from the Commission for the action covered by the selected project.

After approval by the Commission, a “grant contract”, a draft of which is reproduced at Annex VI, expressed in euros and specifying the conditions and the financing level, will be concluded between the Commission and the beneficiary. The originals of the finance contract must be signed and returned to the Commission immediately for signature. The Commission will be the last party to sign.

The payment methods are detailed in the draft contract (Article I.4), with a list of eligible and ineligible costs (Article II.14 of the general conditions and Article I.3 of the special conditions of the grant contract).

5. ELIGIBILITY CRITERIA

Applications which comply with the following criteria will be the subject of an in-depth evaluation.

5.1 Eligible countries

Grant applications are eligible if they are presented by organisations having a legal status and established in one of the 27 Member States.

Organisations established in countries other than the countries listed above are not eligible.

5.2 Types of cooperation eligible

The types of cooperation eligible include partnerships. The term partnership/partners implies full or partial active intellectual collaboration in the execution of the project. In no case will financial support alone (sponsorship) be deemed to constitute a partnership. However, any financial support accompanied by active intellectual collaboration in the execution of the project will be accepted as a partnership. In all cases, the purpose of partnership is to add value to the project.

6. EXCLUSION CRITERIA

Applicants must certify on their honour, by signing the application form, that they are not in one of the situations mentioned in Articles 93 and 94 of the Financial Regulation applicable to the general budget of the European Communities (Council Regulation (EC, Euratom) No 1605/2002 of 25 June 2002), which are listed below.

Applicants will be excluded from participating in this call for proposals if they are in one of the following situations:

- a) they are bankrupt or being wound up, are having their affairs administered by the courts, have entered into an arrangement with creditors, have suspended business activities, are the subject of proceedings concerning those matters, or are in any analogous situation arising from a similar procedure provided for in national legislation or regulations;
- b) they have been convicted of an offence concerning their professional conduct by a judgement which has the force of res judicata;
- c) they have committed serious professional misconduct recorded by any means that awarding authorities can justify;
- d) they have not fulfilled obligations relating to the payment of social security contributions or the payment of taxes in accordance with the legal provisions of the country in which they are established or with those of the country of the contracting authority or those of the country where the contract is to be performed;
- e) they have been the subject of a judgment which has the force of res judicata for fraud, corruption, involvement in a criminal organisation or any other illegal activity detrimental to the Communities' financial interests;
- f) following another procurement procedure or grant award procedure financed by the Community budget, they have been declared to be in serious breach of contract for failure to comply with their contractual obligations.

Applicants will not receive financial support if, during the grant allocation procedure:

- a) they are subject to a conflict of interests;
- b) they are guilty of misrepresentation in supplying the information required by the European Commission as a condition of participation in the grant award procedure, or fail to supply this information.

In accordance with Articles 93 to 96 of the Financial Regulation, administrative and financial penalties may be imposed on applicants who are guilty of misrepresentation or are found to have seriously failed to meet their contractual obligations under a previous contract award procedure.

To respect these provisions, the applicant and his partners must provide evidence that they are in none of the situations listed in Articles 93 and 94 of the Financial Regulation.

7. SELECTION CRITERIA

The selection criteria are designed to demonstrate the applicant's capacity to see the project through to a successful conclusion.

Applicants must provide evidence of stable and sufficient sources of funding to maintain the activity throughout the period during which the project is being carried out and/or grant-aided, as well as evidence of their financial participation. The applicant must also provide evidence of professional competencies, qualifications and/or experience relevant to the proposed project.

7.1 Technical capacity

Candidates must show that they have the operational (technical and management) capacity needed to complete the proposed action and provide evidence of their capacity to direct a large-scale activity corresponding to the dimension of the project for which the grant is requested. Particular attention will be devoted to the capacity for integration in society in the Member States, to the mobilisation of the public and to the analysis of their contributions. The capacity to operate in a large number of Member States (ideally in all of them) would be an advantage.

Applicants must attach to the grant application a curriculum vitae for the project leader and for the personnel of their organisation who will actually do the work. They must also enclose a recent activity report .

7.2 Financial resources

In order to permit assessment of this criterion, applicants must submit with their application the following documents:

- annual accounts for the last complete financial year;
- the “financial identification” form (bank details) (Annex III), completed by the beneficiary and certified by the bank (with original signatures).

If, on the basis of the submitted documents, the Commission assesses that the financial capacity of the applicant is not sufficient, it may:

- reject the request for a Community grant;
- ask for further information;
- ask for the deposit of a guarantee;
- propose a grant agreement without a pre-financing payment.

7.3 Audit

Where the cost of the project to be financed exceeds €300 000, the grant application must be accompanied by an external audit report produced by an approved auditor.

This report must certify the accounts for the last year available and give an assessment of the applicant’s financial viability.

8. AWARD CRITERIA

Account will also be taken of other Commission programmes such as the European Year for Intercultural Dialogue in 2008, Europe for Citizens and INTI (Integration of Third-Country Nationals).

Eligible projects will be evaluated on the basis of:

- a) the consistency of the overall concept of the project with the objectives of Debate Europe, as described at point 2 of the call for proposals;
- b) the quality of the work programme and the *modus operandi*;
- c) the dynamics of networking and the establishment of pan-European cooperation;
- d) the capacity of the project to:
 - act in the largest number of Member States as possible, and ideally in all 27;
 - involve the largest number of citizens as possible;
 - ensure their diversity of origin and their representativeness;
 - provide for the use of the largest number of national languages possible;
 - generate transnational results;
- e) the likely multiplier effect through the media and civil society networks, as calculated on the basis of the measures proposed to give visibility to the project and its outcomes;
- f) the system of feedback to European political decision-makers and citizens involved, as recommended by Debate Europe;
- g) the mechanism for evaluation of the objectives pursued by the project.

9. PUBLICITY

Provided the successful tenderer agrees (unless the publication of information is likely to endanger the successful tenderer's safety or harm his interests), the Commission will publish the following information in whatever form and on whatever medium it wishes, including the Internet:

- the name and address of each beneficiary;
- the subject of the grant;
- amount awarded and rate of funding.

10. PROCEDURE FOR THE SUBMISSION OF PROPOSALS

10.2 Application form

Applications must be presented in one of the official languages of the EU.

Applicants will be informed in writing when their application is received.

Only applications complying with the eligibility and exclusion criteria will be considered for the possible award of a grant.

Applicants whose applications are judged to be ineligible will be notified by mail, with an explanation as to why they were judged ineligible.

Tenderers will be informed, as soon as possible, of the decision taken by

the Commission on their grant application. No information will be released until the Commission's decision on project selection has been taken.

CALL FOR PROPOSALS MANAGED BY EUROPEAN COMMISSION REPRESENTATIONS IN EU MEMBER STATES (LOCAL CALL)

- DG COMM No xxxxxx, EC Representation xxxxxxxx

**Grants for local and national civil society initiatives
to promote public debate about European issues
- part of the European Commission's "Debate Europe" initiative**

1. BACKGROUND

On 13 October 2005 the Commission approved its Communication to the Council, the European Parliament, the European Economic and Social Committee and the Committee of the Regions entitled "Plan D for Democracy, Dialogue and Debate".

This was a listening exercise to enable the European Union (EU) to act on citizens' concerns. The Commission aimed to stimulate debate and widen recognition for the added value that the EU provides.

It was to be a two-way process which:

- informed the public about the EU's role, with examples of its projects and achievements,
- identified their expectations for the future in return.

On 29 November 2006 Vice President Wallström presented a note to the Commissioners entitled, "Plan D – Widen & Deepen the Debate". Its purpose was to take stock and further widen and deepen the debate in the period of reflection. The note is publicly available and has been sent to Member States and other EU institutions.

On 2 April 2008, the Commission adopted a Communication to the Council, the European Parliament, the European Economic and Social Committee and the Committee of the Regions entitled "Debate Europe - Building on the Experience of Plan D for Democracy, Dialogue and Debate". It noted that the first phase of Plan D focused on the "debate and dialogue" part of the process. The next phase of Plan D will take this process one step further and focus on "D for democracy", further enabling citizens to articulate their wishes directly to decision-makers and making better use of the media in the process. This new phase has been named "Debate Europe".

In October 2005 the Commission launched a series of Europe-wide civil society projects¹⁵ for 2006, which it co-financed. In 2007, it promoted a further series of initiatives, targeting young people and women in particular.

¹⁵ "Tomorrow's Europe" introduced by the foundation "Notre Europe" (Paris)
<http://www.notre-europe.eu/>
"European Citizens' Consultations" introduced by the "King Baudouin Foundation" (Brussels)
<http://www.european-citizens-consultations.eu>
"Speak up Europe" introduced by the "European Movement International" (Brussels)
http://www.europeanmovement.org/emailing/newsletter/speakupeurope_briefing_nonote.pdf

Drawing on this experience, the Commission, through its Representations in EU Member States, will offer grants in each Member State for civil society initiatives focusing on "Debate Europe" priority issues¹⁶. These are:

- Priority issue 1: involvement of citizens with political decision-makers;
- Priority issue 2: joint action between EU institutions and bodies to promote active citizenship.

Differences in economic, social and other aspects of national life greatly affect the public's attitudes to the EU and to particular European issues. So the new round of local calls will therefore be **tailored to each Member State's needs**.

The Commission's Representations will help define the content, and manage and follow up the calls. Depending on the national context, even limited funding for country-level NGOs could result in a fruitful debate **on EU issues**.

2. OBJECTIVES

2.1. General

The Commission wishes to help fund national and regional initiatives by civil society organisations to:

- solicit citizens' views on European issues which have a direct impact, locally and nationally, on their daily lives; and
- encourage citizens to become more informed about these issues, and to discuss and debate them with local opinion-formers.

"Our message to Europe" introduced by the Deutsche Gesellschaft (Berlin)

http://ec.europa.eu/dgs/communication/grants/index_fr.htm

"Radio Web Europe" introduced by CENASCA (Rome)

<http://www.cenasca.cisl.it/entra.htm>

"Our Europe – Our Debate – Our Contributions" introduced by the European House (Budapest)

<http://www.europeanhouse.hu/>

All data on the 6 Plan D projects are summarized at the following address:

http://europa.eu/debateeurope/paneurope_en.htm.

¹⁶ Priorities specified in the Commission's communication entitled "Debate Europe - Building on the Experience of Plan D for Democracy, Dialogue and Debate"(2 April 2008) and in its 2008 annual work programme.

These initiatives will:

- facilitate dialogue between citizens, national and/or local political decision-makers and opinion-formers through debates, conferences, consultations and/or other events;
- closely involve local members of:
 - the European Parliament, European Economic and Social Committee, and Committee of the Regions, and
 - European political parties, and those parties' foundations
- collate and publish these events' conclusions to:
 - identify specific European issues which matter to people in their particular local/national environment;
 - raise local media and politicians' interest in the debate on Europe;
 - increase understanding of the EU's impact on citizens' everyday life;
- create networks of participatory democracy which integrate the European dimension of local/regional/national debates;
- complement:
 - Commission Representations' other initiatives to target local constituencies;
 - current EU programmes with similar goals, including:
 - the European Year of Intercultural Dialogue (EYID) 2008
 - Europe for Citizens
 - e-Participation
 - Integration of Third Country Nationals (INTI).
- be tailored to meet each Member State's specific needs.

- identify those issues at EU level of greatest local concern and how best they can be addressed on an ongoing basis.

2.2.4. Action plan

To allow the Commission to assess whether proposals meet these criteria, the applicant will need to present an action plan setting out:

- the issues which the project will address;
- the project's overall concept and the tools it will use;
- measures to attract the awareness and involvement of the:
 - media - through partnerships and press relations activities;
 - target audience
- actions to follow up the debate including the preparation of a structured summary of citizens' concerns and describe how these will be brought to the attention of local decision-makers including Members of the European Parliament;

3. TIMETABLE

3.1. Submission of applications

Applications must be submitted by end June 2008.

Please read carefully section 12 of this call for proposals concerning the procedures for submitting applications.

3.2. Duration of projects

The maximum duration of projects is 14 months.

The period of eligibility of expenditure resulting from implementation of a project will begin on the day of signature of the grant contract by the last of the parties. If the nature of the project requires the project to start before the contract is signed, expenditure may be considered eligible before the signature of the contract. Under no circumstances can the eligibility period start before the date of submission of the grant application.

3.3. Information on the results of the selection

It is planned that applicants will be informed of the outcome of the selection procedure [deadline needs to be no later than Jul. 2008]

<http://xxxxxxxxx>

Applicants whose applications have not been selected will be informed in writing.

4. FINANCING

The budget available for this call for proposal is € [to be filled by each Representation].

The grant awarded may not exceed 70% of the total eligible project costs.

Community contributions are meant to facilitate the implementation of a project which could not otherwise be implemented easily without the support of the European Union. They are based on the co-financing principle.

Consequently, a minimum of 30% of the total estimated eligible and final expenditure of the project must come from sources other than the European Union budget. Applicants must include evidence that co-financing is available (secured) for the remainder of the total cost of the project.

Indicatively, the amount of the grant from the EU will be between 50 000 and 100 000 EUR per project.

The European Commission reserves the right not to distribute all the funds available.

The amount allocated by the Commission may not in any circumstances exceed the amount requested. Moreover, the Commission reserves the right to award a grant lower than the amount requested by the applicant.

An organisation is not entitled to receive more than one grant from the Commission for the action covered by the selected project.

After approval by the Commission, a “grant contract”, a draft of which is reproduced at Annex VI, expressed in euros and specifying the conditions and the financing level, will be concluded between the Commission and the beneficiary. The originals of the finance contract must be signed and returned to the Commission immediately for signature. The Commission will be the last party to sign.

The payment methods are detailed in the draft contract (Article I.4), with a list of eligible and ineligible costs (Article II.14 of the general conditions and Article I.3 of the special conditions of the grant contract).

5. ELIGIBILITY CRITERIA

Applications which comply with the following criteria will be the subject of an in-depth evaluation.

5.1. Eligible organisations

Grant applications are eligible if they are presented by organisations having a legal status and established in one of the 27 Member States¹⁷.

6. EXCLUSION CRITERIA

Applicants must certify on their honour, by signing the application form, that they are not in one of the situations mentioned in Articles 93 and 94 of the Financial Regulation applicable to the general budget of the European Communities (Council Regulation (EC, Euratom) No 1605/2002 of 25 June 2002), which are listed below.

Applicants will be excluded from participating in this call for proposals if they are in one of the following situations:

- a) they are bankrupt or being wound up, are having their affairs administered by the courts, have entered into an arrangement with creditors, have suspended business activities, are the subject of proceedings concerning those matters, or are in any analogous situation arising from a similar procedure provided for in national legislation or regulations;
- b) they have been convicted of an offence concerning their professional conduct by a judgement which has the force of *res judicata*;

¹⁷ Based on the organisation's registered place of business or its place of main activity.

- c) they have committed serious professional misconduct recorded by any means that awarding authorities can justify;
- d) they have not fulfilled obligations relating to the payment of social security contributions or the payment of taxes in accordance with the legal provisions of the country in which they are established or with those of the country of the contracting authority or those of the country where the contract is to be performed;
- e) they have been the subject of a judgment which has the force of *res judicata* for fraud, corruption, involvement in a criminal organisation or any other illegal activity detrimental to the Communities' financial interests;
- f) following another procurement procedure or grant award procedure financed by the Community budget, they have been declared to be in serious breach of contract for failure to comply with their contractual obligations.

Applicants will not receive financial support if, during the grant allocation procedure:

- a) they are subject to a conflict of interests;
- b) they are guilty of misrepresentation in supplying the information required by the European Commission as a condition of participation in the grant award procedure, or fail to supply this information.

In accordance with Articles 93 to 96 of the Financial Regulation, administrative and financial penalties may be imposed on applicants who are guilty of misrepresentation or are found to have seriously failed to meet their contractual obligations under a previous contract award procedure.

To respect these provisions, the applicant and his partners must provide evidence that they are in none of the situations listed in Articles 93 and 94 of the Financial Regulation.

7. SELECTION CRITERIA

The selection criteria are designed to demonstrate the applicant's capacity to see the project through to a successful conclusion.

Applicants must provide evidence of stable and sufficient sources of funding to maintain the activity throughout the period during which the project is being carried out and/or grant-aided, as well as evidence of their financial participation. The applicant must also provide evidence of professional competencies, qualifications and/or experience relevant to the proposed project.

7.1. Technical capacity

Candidates must show that they have the operational (technical and management) capacity needed to complete the proposed action and provide evidence of their capacity to direct an activity corresponding to the dimension of the project for which the grant is requested. Particular attention will be devoted to the capacity for mobilising the public and to analyse of their contributions. The capacity to involve organisations from other EU countries would be an advantage.

Applicants must attach to the grant application a curriculum vitae for the project leader and for the personnel of their organisation who will actually do the work. They must also enclose a recent activity report.

7.2. Financial resources

In order to permit assessment of this criterion, applicants must submit with their application the following documents:

- annual accounts for the last complete financial year;
- the “financial identification” form (bank details) (Annex III), completed by the beneficiary and certified by the bank (with original signatures).

If, on the basis of the submitted documents, the Commission assesses that the financial capacity of the applicant is not sufficient, it may:

- reject the request for a Community grant;
- ask for further information;
- ask for the deposit of a guarantee;
- propose a grant agreement without a pre-financing payment.

8. AWARD CRITERIA

Commission Representations will evaluate eligible projects against four criteria:

- a) consistency – is the project's overall concept consistent with the:
 - i. objectives of Plan D?
 - ii. general and detailed objectives of the call (see point 2 above)
- b) quality – are the work programme and working methods of sufficient quality?
- c) feasibility – is the project feasible, based on the action plan?
- d) visibility – what is the likely effect of the project's actions to raise awareness?

9. ELIGIBLE COSTS

For all projects, the eligibility period for expenditure relating to the implementation of a project will be stipulated in the grant agreement and will, except as described in the next point, be no earlier than the signature of the agreement by the Commission.

A grant may be awarded for a project which has already begun only where the applicant can demonstrate the need to start the project before the agreement is signed. In such cases, expenditure eligible for financing may not have been incurred before responding to the call for proposals.

The eligibility period for expenditure will not exceed the time allowed under each type of action, and **may not go beyond**.

Only the categories of expenditure listed below are eligible, provided that they are properly accounted for and evaluated in accordance with the market conditions, and that they are identifiable and verifiable. **They must be direct costs** (i.e. generated directly by the project and indispensable for its implementation, having regard to the cost/benefit principle):

- **personnel costs** incurred exclusively for the purpose of implementing the project are eligible only where the accounting systems of the applicants in question can clearly isolate and demonstrate the percentage of staff time devoted to the implementation of the project within the period of expenditure eligibility, and therefore the percentage of personnel costs which can be attributed to the project;
- **travel / accommodation / subsistence costs** associated with the project. Organisations must use their own daily scales to calculate these costs. However, these may not exceed the maximum amounts set by the Commission¹⁸;
- **the cost of organising and running conferences and seminars** (rental of rooms, welcoming and reception services, interpretation, speaker fees);
- cost of **hire or depreciation of technical equipment and services** (only the depreciable element of durable goods can be considered);
- **information dissemination** costs (production, translation, distribution and dissemination costs, etc.);
- cost of **consumables and supplies**
- costs entailed by **other contracts** awarded by the beneficiary for the purposes of the project (also see Section 10);
- costs arising from **requirements imposed by the agreement**;
- **general costs** (or "**eligible indirect costs**": office supplies, sundry consumables, depreciation of computer equipment, etc.). These costs may be eligible if incurred by the beneficiary for the purpose of implementing the project, but **may not exceed 7% of total eligible direct expenditure**.

N.B.: indirect costs will not be eligible if the applicant already receives an operating grant from the Commission during the lifetime of the project.

10. NON-ELIGIBLE COSTS

Non-eligible expenditure

The following expenditure cannot be considered eligible **under any circumstances**:

- costs of invested capital;
- general provisions (e.g. for losses, possible future liabilities);
- debts;
- interest owed;
- doubtful debts;

¹⁸ Commission Decision C(2004) 1313 of 7 April 2004: General implementing provisions adopting the Guide to missions for officials and other servants of the European Commission.

- exchange losses;
- expenditure on luxuries;
- the production of material and publications for commercial purposes; however, monographs, books, journals, discs, CDs, CD ROMs and videos will be taken into consideration if they are an integral part of the project;
- VAT, unless the beneficiary proves that he cannot recover it;
- contributions in kind.

Contributions in kind

Part of the contribution from project sponsors to the project costs may be in kind. These contributions in kind must be included in the provisional budget under the "receipts" section, expressed as a financial equivalent of the services or materials provided, and for an identical amount in the "expenditure" section, but separately from the rest of the budget. In fact, they cannot be considered as eligible costs.

Contributions in kind refer in particular to the provision of durable capital goods, raw materials and unpaid voluntary work by a private individual or corporate body.

The amount declared by the beneficiary as contributions in kind must be valued either on the basis of objective factors or on the basis of official scales laid down by an independent authority or by an outside independent professional.

The cost of private charity work must be valued in accordance with the national rules regarding the calculation of hourly, daily or weekly labour costs.

Contributions in kind will not be accounted for as eligible costs but rather as an increase in the grant in terms of value or as a percentage of the eligible costs.

The Community contribution is subject to a ceiling relating to the total eligible cost (70% maximum of the total eligible cost), excluding the value of contributions in kind.

Subcontracting and calls for tender

Where the implementation of subsidised actions requires a subcontract or the launch of a call for tender, the beneficiaries of the grant must award this contract to the tender offering the best value for money, respecting the principles of transparency and equal treatment of potential contractors and ensuring there is no conflict of interests. None of the basic activities of the project may be subcontracted, et subcontracting must account for only a limited part of the project.

For all contracts, beneficiaries must keep evidence that the selection of subcontractors was competitive, involving at least three offers, unless it can be shown that only one supplier exists in a given market. Grants may only be awarded after a project's start date (given in the application) upon prior written approval from the Commission.

4. MEETME KIRJELDUS

„Debate Europe“ pikendab D-kava aastateks 2008 ja 2009. See tagab, et komisjoni üldised jõupingutused Euroopa kodanikuaktiivsuse edendamisel saavad ELi institutsioonide poliitiliste ja teabevahetusprioriteetide valguses institutsioonidevahelisteks jõupingutusteks, mis on suunatud otsusetegijatele kõikidel valitsustasanditel.

On ette pandud rakendada kahetasandilist strateegiat, mida toetab 7,2 miljoni euro suurune eelarve:

- tsentraliseeritud konkursikutse üldise riikidevahelise projekti kaasrahastamiseks 2 miljoni euro suuruse eelarvega;
- detsentraliseeritud konkursikutsed ja meetmed, millega toetatakse kohalikke projekte, 5,2 miljoni euro suuruse eelarvega.

Üleeuroopalisel tasandil on konkursikutse tingimustes selgesti sätestatud, et võttes arvesse esimesest D-kava alusel kaasrahastatud riikidevahelise osalusdemokraatia projektiseeriast saadud kogemusi, toetab „Debate Europe“ kodanikuühiskonna algatust, milles korraldatakse kõikides liikmesriikides rahvakonsultatsioone, koostab Euroopa tasandil ühise järelduste/ettepanekute paketi ning sellest lähtudes ja partnerluses Euroopa poliitiliste sihtasutustega kutsub kodanikke pidama dialoogi valitud esindajate ja Euroopa poliitiliste organisatsioonidega.

Riigi tasandil: võttes arvesse kogemusi, mis on saadud mõnedes liikmesriikides komisjoni esinduste kaasrahastatud kodanikuühiskonnaprojektidest, kaasrahastab „Debate Europe“ konkreetsetele vajadustele kohandatud meetmeid (nt meetmed, mis on suunatud koolidele ja noortekeskustele, näitused, messid ja festivalid, konverentsid, seminarid, üritused valitsusväliste organisatsioonidega jne). Need meetmed hõlmavad kohalikke konkursikutseid ja muid „Debate Europe’i“ raamistikus määratletud meetmeid (nt internetiarutelud, volinike külaskäigud, Euroopa avaliku ruumi ja katseliste teabevõrkudega seotud tegevus, Europe Directi keskuste kaudu kohalikule tasandile tulek jne).

Selle summa üksikasjalik jaotus on esitatud komisjoni otsuses teabevahetuse valdkonna toetuste ja lepingute tööprogrammi kohta aastaks 2008, K/2008/0924, mille komisjon võttis vastu 12. märtsil 2008 (vt tabel 2.6.2).

5. KASUTATAV ARVUTUSMEETOD

„Debate Europe’ile“ eraldatud 7,2 miljoni eurone eelarve jaguneb järgmiselt:

- Nagu juba mainitud, käivitavad teabevahetuse peadirektoraadi esindused ühe konkursikutse hinnanguliselt 2 miljoni euro suuruses summas, et kaasrahastada üldist riikidevahelist projekti.

Lisaks avaldavad esindused detsentraliseeritud konkursikutsed hinnanguliselt 3,1 miljoni euro suurusele summale. Tõenäoliselt avaldatakse iga liikmesriigi kohta üks konkursikutse, mille keskmine eelarve jääb vahemikku 100 000–200 000 eurot.

Need arvud on antud hinnanguliselt varasemate kogemuste põhjal (2007. aasta D-kava konkursikutsed ulatusid 13 liikmesriigis 2,4 miljoni euroni).

- Ülejäänud 2,1 miljoni euro osas näevad esindused lisaks pooleliolevatele lepingutele ette umbes 136 pakkumismenetluse algatamise (neist 131 suuruses kuni 60 000 eurot ja 5 üle 60 000 euro).
