## ODLUKE

## Odluka Komisije (EU) 2019/701

od 5. travnja 2019.

o uspostavi glosara uobičajenih naziva sastojaka za uporabu pri označivanju kozmetičkih proizvoda

(Tekst značajan za EGP)

EUROPSKA KOMISIJA,

uzimajući u obzir Ugovor o funkcioniranju Europske unije,

uzimajući u obzir Uredbu (EZ) br. 1223/2009 Europskog parlamenta i Vijeća od 30. studenoga 2009. o kozmetičkim proizvodima <sup>(1)</sup>, a posebno njezin članak 33.,

budući da:

- (1) Člankom 19. stavkom 1. točkom (g) Uredbe (EZ) br. 1223/2009 propisuje se da informacije na oznakama kozmetičkih proizvoda uključuju popis sastojaka. Sastojci se navode upotrebom uobičajenog naziva sastojka utvrđenog glosarom koji izrađuje i ažurira Komisija u skladu s člankom 33. te uredbe. U glosaru se mora uzimati u obzir međunarodno priznata nazivlja, poput Međunarodnog nazivlja kozmetičkih sastojaka (INCI).
- (2) Uredbom (EZ) br. 1223/2009 stavljena je izvan snage i zamijenjena Direktiva Vijeća 76/768/EEZ <sup>(2)</sup>. Popis i zajednička nomenklatura sastojaka koji se rabe u kozmetičkim proizvodima iz članka 5.a i članka 7. stavka 2. te direktive utvrđeni su Odlukom Komisije 96/335/EZ <sup>(3)</sup> te su 2006. ažurirani Odlukom Komisije 2006/257/EZ <sup>(4)</sup>. U međuvremenu su popis i nomenklatura zastarjeli jer se svake godine na tržište stavi mnogo novih sastojaka. Nadalje, zahtjevi utvrđeni člankom 5.a Direktive 76/768/EEZ u pogledu sadržaja popisa prelaze okvir zahtjeva utvrđenih člankom 33. Uredbe (EZ) br. 1223/2009 u pogledu sadržaja glosara uobičajenih naziva sastojaka. Stoga bi popis sastojaka iz Odluke 96/335/EZ trebalo zamijeniti i prilagoditi tako da se njime obuhvate novi sastojci stavljeni na tržište te kako bi se njegov sadržaj ograničio na zahtjeve članka 33. Uredbe (EZ) br. 1223/2009.
- (3) Člankom 19. stavkom 1. Uredbe (EZ) br. 1223/2009 propisuje se da za bojila koja nisu namijenjena bojenju kose po potrebi treba upotrijebiti nazivlje CI (*Colour Index*) za označivanje kozmetičkih proizvoda. CI broj trebalo bi stoga navesti kao uobičajeni naziv sastojka za bojila koja nisu namijenjena bojenju kose.
- (4) Neki sastojci koji se upotrebljavaju u parfemima i aromatičnim smjesama nemaju INCI naziv. Za označivanje kozmetičkih proizvoda koji sadržavaju te sastojke u Uniji se upotrebljavaju takozvani „nazivi parfema”. Stoga bi za te sastojke u glosaru trebalo navesti nazive parfema koji su se za njih prethodno upotrebljavali u Uniji.

<sup>(1)</sup> SL L 342, 22.12.2009., str. 59.

<sup>(2)</sup> Direktiva Vijeća 76/768/EEZ od 27. srpnja 1976. o usklađivanju zakonodavstava država članica u odnosu na kozmetičke proizvode (SL L 262, 27.9.1976., str. 169.).

<sup>(3)</sup> Odluka Komisije 96/335/EZ od 8. svibnja 1996. o utvrđivanju popisa i zajedničke nomenklature sastojaka koji se rabe u kozmetičkim proizvodima (SL L 132, 1.6.1996., str. 1.).

<sup>(4)</sup> Odluka Komisije 2006/257/EZ od 9. veljače 2006. o izmjeni Odluke 96/335/EZ o utvrđivanju popisa i zajedničke nomenklature sastojaka koji se rabe u kozmetičkim proizvodima (SL L 97, 5.4.2006., str. 1.).

- (5) U članku 33. drugom podstavku Uredbe (EZ) br. 1223/2009 propisuje se da uobičajene nazive proizvoda navedene u glosaru treba početi koristiti za označivanje kozmetičkih proizvoda stavljenih na tržište najkasnije dvanaest mjeseci od objave glosara u *Službenom listu Europske unije*.
- (6) U interesu jasnoće i pravne sigurnosti Odluku 96/335/EZ trebalo bi staviti izvan snage,

DONIJELA JE OVU ODLUKU:

*Članak 1.*

Glosar uobičajenih naziva sastojaka koji se propisuje u skladu s člankom 33. Uredbe (EZ) br. 1223/2009 naveden je u Prilogu ovoj Odluci.

*Članak 2.*

Odluka 96/335/EZ stavlja se izvan snage s učinkom od 8. svibnja 2020.

*Članak 3.*

Ova Odluka stupa na snagu dvadesetog dana od dana objave u *Službenom listu Europske unije*.

Sastavljeno u Bruxellesu 5. travnja 2019.

Za Komisiju  
Predsjednik  
Jean-Claude JUNCKER

## PRILOG

## GLOSAR UOBIČAJENIH NAZIVA SASTOJAKA

## Uvod

Uobičajeni nazivi sastojaka navedeni su abecednim redoslijedom i numerirani radi lakšeg snalaženja.
