### LEGENDA

1. Questo dodicesimo complemento alla ventunesima edizione integrale del catalogo comune delle varietà delle specie di ortaggi <sup>(1)</sup> raggruppa le modifiche che si sono rese necessarie per tenere in considerazione le informazioni che la Commissione ha ricevuto da parte degli Stati membri.
2. Questo complemento segue la suddivisione che fu adottata nella ventunesima edizione integrale. È dunque necessario riferirsi alla legenda di questa edizione.
3. Il complemento concerne il periodo fino al 16 aprile 2002.
- 4.

Le modifiche della ventunesima edizione integrale sono indicate nel modo seguente nella colonna 4:

— (add.): indica una nuova posizione inserita nel catalogo comune,— (mod.): indica una modifica a una posizione esistente. Le indicazioni relative a questa posizione nel presente complemento sostituiscono quelle della ventunesima edizione integrale,— (del.): indica che la posizione indicata, come pure tutte le indicazioni che vi si riferiscono, sono soppresse dal catalogo comune.

5. Nel caso in cui il codice del responsabile della selezione conservatrice della varietà non compaia nella ventunesima edizione integrale, tale nome e il suo indirizzo possono essere ottenuti dall'autorità indicata nella lista del paese membro o del paese EFTA interessato.
