## BESLUIT VAN DE RAAD

van 24 maart 1997<sup>(1)</sup>

betreffende afschaffing van de rechten op informatietechnologieproducten

(97/359/EG)

DE RAAD VAN DE EUROPESE UNIE,

Gelet op het Verdrag tot oprichting van de Europese Gemeenschap, inzonderheid op artikel 113, juncto artikel 228, lid 2, eerste zin,

Gezien het voorstel van de Commissie, \*

Overwegende dat in het kader van de nieuwe transatlantische agenda, die tijdens de EU/VS-top van 13 december 1995 in Madrid werd goedgekeurd, besloten werd te streven naar sluiting van een overeenkomst inzake informatietechnologie;

Overwegende dat de Raad, naar aanleiding van de rapportage van de Commissie over de verkennende besprekingen die zij met derde landen had gevoerd, op 16 november 1996 besloot onderhandelingen te openen met derde landen met het oog op sluiting van een overeenkomst inzake informatietechnologie;

Overwegende dat de Europese Gemeenschap op 13 december 1996 in Singapore haar goedkeuring hechtte aan de verklaring inzake de handel in informatietechnologieproducten; dat deze verklaring een aantal noodzakelijke voorwaarden stelt voor de tenuitvoerlegging van de afschaffing van de tarieven voor informatietechnologieproducten; dat aan deze voorwaarden thans is voldaan;

Overwegende dat de ministeriële verklaring inzake de handel in informatietechnologieproducten en de bijbehorende bijlagen en aanhangsels samen de overeenkomst inzake de handel in informatietechnologieproducten vormen;

Overwegende dat het EC-ITA Schedule CXL, houdende wijziging van de bestaande lijst van de Europese Gemeenschap, bij de Wereldhandelsorganisatie moet worden ingediend;

Overwegende dat de overeenkomst inzake informatietechnologieproducten en de mededeling betreffende de uitvoering daarvan namens de Gemeenschap dienen te worden goedgekeurd,

BESLUIT:

*Artikel 1*

De overeenkomst inzake de handel in informatietechnologieproducten en de mededeling betreffende de uitvoering daarvan worden namens de Gemeenschap goedgekeurd.

De tekst van de overeenkomst en van de mededeling zijn aan dit besluit gehecht.

*Artikel 2*

Overeenkomstig punt 4 van de bijlage bij de ministeriële verklaring inzake de handel in informatietechnologieproducten:

- i) neemt de Raad ervan nota dat deelnemers die gezamenlijk circa 90 % van de wereldhandel in informatietechnologieproducten voor hun rekening nemen van hun aanvaarding kennis hebben gegeven;
- ii) hecht de Raad namens de Gemeenschap zijn goedkeuring aan het verzoek om fasering dat door een aantal deelnemers aan de overeenkomst inzake informatietechnologie is ingediend.

<sup>(1)</sup> De geconsolideerde tekst van dit besluit bevat correcties die de Raad op 14 mei 1997 heeft goedgekeurd.

*Artikel 3*

De Raad machtigt de Commissie de wijzigingen van de lijst van de Europese Gemeenschap, zoals opgenomen in het EC-ITA Schedule CXL uit de aangehechte overeenkomst, bij de Wereldhandelsorganisatie in te dienen, teneinde de douanerechten overeenkomstig de Verklaring te consolideren en af te schaffen.

*Artikel 4*

De Voorzitter van de Raad verricht namens de Gemeenschap de in de ministeriële verklaring bedoelde kennisgeving.

*Artikel 5*

Dit besluit wordt bekendgemaakt in het *Publikatieblad van de Europese Gemeenschappen*.

OVEREENKOMST  
inzake de handel in informatietechnologieproducten

WERELDHANDELSORGANISATIE

13 december 1996

MINISTERIËLE CONFERENTIE

Singapore, 9—13 december 1996

MINISTERIËLE VERKLARING INZAKE DE HANDEL IN INFORMATIETECHNOLOGIEPRODUCTEN

Singapore, 13 december 1996

DE MINISTERS,

VERTEGENWOORDIGENDE de volgende leden van de Wereldhandelsorganisatie (hierna „WHO” genoemd) alsmede staten of afzonderlijke douanegebieden die de procedure voor toetreding tot de WHO doorlopen, welke in Singapore zijn overeengekomen de wereldwijde handel in informatietechnologieproducten uit te breiden en die ruim 80 % van de wereldhandel in deze producten voor hun rekening nemen (hierna „de partijen” genoemd):

Australië	Korea
Canada	Noorwegen
Europese Gemeenschappen	Singapore
Hongkong	Taiwan, Penghu, Kinmen en Matsu
IJsland	Turkije
Indonesië	Verenigde Staten
Japan	Zwitserland <sup>(1)</sup>

GELET OP de sleutelrol die informatietechnologieproducten spelen bij de ontwikkeling van de informatie-industrie en de dynamische expansie van de wereldeconomie,

ERKENNENDE dat dient te worden gestreefd naar verhoging van de levensstandaard en naar uitbreiding van de productie van en de handel in goederen,

WENSENDE de wereldwijde handel in informatietechnologieproducten maximaal te liberaliseren,

WENSENDE de permanente technologische ontwikkeling van de informatietechnologie-industrie te bevorderen,

GELET OP de positieve bijdrage van de informatietechnologie tot de wereldwijde economische groei en welvaart,

OVEREENGEKOMEN de resultaten van deze onderhandelingen ten uitvoer te leggen, wat bijkomende concessies inhoudt naast die welke zijn vervat in de lijsten die zijn gehecht aan het Protocol van Marrakesh bij de Algemene Overeenkomst betreffende tarieven en handel 1994, en

ERKENNENDE dat de resultaten van deze onderhandelingen tevens betrekking hebben op enkele concessies die zijn aangeboden in de onderhandelingen welke tot het opstellen van de aan het Protocol van Marrakesh gehechte lijsten geleid hebben,

VERKLAREN als volgt:

1. De handelsregeling van iedere partij dient zodanig te worden aangepast dat de mogelijkheden voor markttoegang voor informatietechnologieproducten worden uitgebreid.

<sup>(1)</sup> Namens de douane-unie Zwitserland en Liechtenstein.

2. Overeenkomstig de in de bijlage bij deze Verklaring vervatte modaliteiten worden de douanerechten en andere rechten en heffingen van welke aard dan ook, in de zin van artikel II, lid 1, onder b), van de Algemene Overeenkomst betreffende tarieven en handel 1994, door elke partij geconsolideerd en afgeschaft ten aanzien van het volgende:

- a) alle producten die zijn of kunnen worden ingedeeld onder de in aanhangsel A bij de bijlage bij deze Verklaring opgenomen artikelen van het Geharmoniseerd Systeem (1996) („GS”); en
- b) alle producten die in aanhangsel B bij de bijlage bij deze Verklaring zijn opgenomen, ongeacht of deze producten ook voorkomen in aanhangsel A,

door middel van gelijke verlagingen van de douanerechten, te beginnen in 1997 en te voltooien in 2000; hierbij wordt erkend dat het in een beperkt aantal gevallen noodzakelijk kan zijn de verlaging van de rechten over een groter aantal jaren te spreiden en het aantal producten waarop dit betrekking heeft vóór de tenuitvoerlegging uit te breiden.

3. De Ministers uiten hun voldoening over het grote aantal producten dat in de aanhangsels bij de bijlage bij deze Verklaring kon worden opgenomen. Zij dragen hun ambtenaren op al het mogelijke te doen om de plurilaterale technische besprekingen in Genève op basis van deze modaliteiten uiterlijk op 31 januari 1997 af te ronden, teneinde tenuitvoerlegging van deze Verklaring door een zo groot mogelijk aantal deelnemers te verzekeren.

4. De Ministers verzoeken de Ministers van andere lidstaten van de WHO en van staten of afzonderlijke douanegebieden die momenteel de procedure voor toetreding tot de WHO doorlopen, om aan hun ambtenaren eveneens dergelijke instructies uit te vaardigen, zodat zij kunnen deelnemen aan de onder punt 3 bedoelde technische besprekingen en ten volle deel kunnen hebben aan de uitbreiding van de wereldhandel in informatietechnologieproducten.

## BIJLAGE

## MODALITEITEN EN PRODUCTEN

Elk lid van de Wereldhandelsorganisatie, of een staat of afzonderlijk douanegebied die de procedure voor toetreding tot de WHO doorloopt, kan aan de uitbreiding van de wereldhandel in informatietechnologie-producten deelnemen overeenkomstig de volgende modaliteiten:

1. Elke deelnemer brengt de maatregelen die in punt 2 van de Verklaring zijn omschreven onder in zijn lijsten van concessies bij de Algemene Overeenkomst betreffende tarieven en handel 1994, en bovendien (ofwel onder de eigen tariefpost ofwel onder de 6-cijferige post van het Geharmoniseerde Systeem (GS) 1996) in het officiële tarief of eventuele andere gepubliceerde versies van het tarief, afhankelijk van de versie die doorgaans door importeurs en exporteurs wordt gebruikt. Elke deelnemer die geen lid is van de WHO legt deze maatregelen autonoom ten uitvoer en brengt deze onder in de WHO-lijst inzake markttoegang voor goederen.
  2. Hiertoe doet elke deelnemer zo spoedig mogelijk, doch uiterlijk op 1 maart 1997, aan alle andere deelnemers een document toekomen met a) de details betreffende de wijze waarop de passende tariefbehandeling in de WHO-lijst van concessies wordt ingebracht, en b) een overzicht van de GS-posten voor de in aanhangsel B vermelde producten. Deze documenten zullen uiterlijk op 1 april 1997 op basis van consensus worden geëvalueerd en goedgekeurd. Zodra de evaluatie van een dergelijk document is voltooid, wordt het aangemeld als wijziging op de lijst van de desbetreffende deelnemer, overeenkomstig het besluit van 26 maart 1980 betreffende procedures voor wijziging en rectificatie van de lijsten van tariefconcessies (BISD 27S/25).
    - a) De concessies die een deelnemer tot wijziging van zijn lijst van concessies voorstelt dienen tot consolidering en afschaffing van alle douanerechten en andere rechten of heffingen, van welke aard ook, op informatietechnologieproducten. Een en ander geschiedt op de volgende wijze:
      - i) indien door de deelnemers niet anders wordt overeengekomen, worden de douanerechten afgeschaft door middel van verlaging van het recht in gelijke stappen. Tenzij de deelnemers anders overeenkomen, consolideert elke deelnemer uiterlijk op 1 juli 1997 alle tarieven voor de in de aanhangsels genoemde producten. De eerste verlaging van het tarief treedt uiterlijk op 1 juli 1997 in werking, de tweede uiterlijk op 1 januari 1998 en de derde uiterlijk op 1 januari 1999; de afschaffing van de douanerechten dient uiterlijk op 1 januari 2000 te zijn voltooid. De deelnemers komen overeen te bevorderen dat de douanerechten vóór deze tijdstippen autonoom worden afgeschaft. Het verlaagde recht wordt in elke fase afgerond op de eerste decimaal;
      - ii) de afschaffing van alle andere rechten en heffingen in de zin van artikel II, lid 1, onder b), van de Algemene Overeenkomst dient uiterlijk op 1 juli 1997 te zijn afgerond; uitzonderingen hierop zijn mogelijk indien deze zijn vermeld in het document van de deelnemer dat ter evaluatie aan de andere deelnemers wordt voorgelegd.
    - b) De wijzigingen in de lijst die door een deelnemer worden voorgesteld ter uitvoering van de consolidatie en afschaffing van de douanerechten op informatietechnologieproducten dienen op de volgende wijze te worden verricht:
      - i) met betrekking tot de GS-posten in aanhangsel A worden waar nodig subposten gecreëerd in het nationale tarief zoals dat in de lijst is opgenomen;
      - ii) met betrekking tot de producten in aanhangsel B wordt bij de lijst een bijlage verstrekt waarin alle producten in aanhangsel B zijn opgenomen; in de bijlage worden de volledige GS-posten voor deze producten vermeld, ofwel in de vorm van het nationale tarief ofwel in de vorm van de 6-cijferige GS-code.
- Elke deelnemer brengt de wijzigingen die hij heeft voorgesteld, zodra deze in werking zijn getreden, aan in zijn eigen nationale tariefstelsel.
3. De deelnemers komen periodiek bijeen, onder auspiciën van de Raad voor de Handel in Goederen, ter beoordeling van het overzicht van producten in de aanhangsels. Beoordeeld wordt of de technologische ontwikkelingen, de ervaring met de toepassing van de tariefconcessies of wijzigingen van de GS-nomenclatuur aanleiding geven tot het opnemen van nieuwe producten in de aanhangsels. Overleg wordt gepleegd over niet-tarifaire handelsbelemmeringen met betrekking tot informatietechnologieproducten. Dit overleg laat de rechten en plichten uit hoofde van de WHO-overeenkomst onverlet.
4. De deelnemers komen bijeen zodra dit praktisch mogelijk is, echter uiterlijk op 1 april 1997, om te bekijken hoeveel aanvaardingen zijn binnengekomen en te beoordelen welke conclusies daaruit moeten

worden getrokken. De deelnemers leggen de maatregelen waarin de Verklaring voorziet ten uitvoer, mits een aantal deelnemers dat ca. 90% van de wereldhandel<sup>(1)</sup> in informatietechnologieproducten vertegenwoordigt tot dat moment kennis heeft gegeven van aanvaarding, en mits door de deelnemers overeenstemming is bereikt over de fasering. Bij de beoordeling van de vraag of de maatregelen waarin de Verklaring voorziet moeten worden uitgevoerd, kunnen de deelnemers, indien het aandeel in de wereldhandel van de deelnemers enigszins lager is dan 90%, in aanmerking nemen in welke mate wordt deelgenomen door de staten of afzonderlijke douanegebieden waarmee zij in deze producten het meest intensief handel drijven. Op de bijeenkomst wordt door de deelnemers vastgesteld of aan deze criteria is voldaan.

5. De deelnemers komen zo vaak als nodig bijeen, doch uiterlijk op 30 september 1997, om eventuele onderlinge afwijkingen ten aanzien van de indeling van informatietechnologieproducten te onderzoeken; prioriteit hebben daarbij de producten in aanhangsel B. De deelnemers komen overeen, dat zij er gezamenlijk naar zullen streven om waar dit nuttig is tot een gemeenschappelijke indeling voor deze producten te komen binnen de bestaande GS-nomenclatuur; daarbij wordt rekening gehouden met de interpretaties en uitspraken van de Internationale Douaneraad (ook bekend als Werelddouaneorganisatie of WDO). In gevallen dat er een afwijkende indeling blijft bestaan, overwegen de deelnemers bij de WDO een gezamenlijk voorstel in te dienen om de bestaande GS-nomenclatuur aan te passen, ook als deze maatregel in strijd is met de Algemene Overeenkomst.
6. De deelnemers zijn zich ervan bewust dat artikel XXIII van de Algemene Overeenkomst hierop van toepassing is, in die gevallen dat voordelen voor een deelnemer die WHO-lid is direct of indirect worden uitgehold of tenietgedaan door tenuitvoerlegging van deze Verklaring, als gevolg van de toepassing van een maatregel door een andere deelnemer die WHO-lid is, ongeacht of deze maatregel in strijd is met de bepalingen van de Algemene Overeenkomst.
7. Wanneer een deelnemer verzoekt om overleg over de bovengenoemde verbintenissen, wordt dit verzoek door elke deelnemer in welwillende overweging genomen. Dit overleg laat de rechten en verplichtingen uit hoofde van de WHO-overeenkomst onverlet.
8. Deelnemers die optreden onder auspiciën van de Raad voor de Handel in Goederen stellen andere leden van de WHO alsmede staten of afzonderlijke douanegebieden die de procedure voor toetreding tot de WHO doorlopen in kennis van deze modaliteiten, en plegen overleg om de deelname van de laatstgenoemden aan de uitbreiding van de handel in informatietechnologieproducten op basis van deze Verklaring te bevorderen.
9. Voor de toepassing van deze modaliteiten wordt verstaan onder „deelnemer”: de leden van de WHO dan wel staten of afzonderlijke douanegebieden die de procedure voor toetreding tot de WHO doorlopen, die het in lid 2 genoemde document uiterlijk op 1 maart 1997 hebben overgelegd.
10. Deze bijlage staat open voor aanvaarding door alle leden van de WHO en alle staten of afzonderlijke douanegebieden die de procedure voor toetreding tot de WHO doorlopen. Van de aanvaarding wordt de directeur-generaal schriftelijk in kennis gesteld; deze stelt alle deelnemers hiervan in kennis.

There are two Attachments to the Annex.

Attachment A lists the HS headings or parts thereof to be covered.

Positive list of specific products to be covered by this agreement wherever they are classified in the HS.

Where parts are specified, they are to be covered in accordance with HS Notes 2 (b) to Section XVI and Chapter 90, respectively.

- Computers: automatic data processing machines capable of (1) storing the processing program or programs and at least the data immediately necessary for the execution of the program; (2) being freely programmed in accordance with the requirements of the user; (3) performing arithmetical computations specified by the user; and (4) executing, without human intervention, a processing program which requires them to modify their execution, by logical decision during the processing run.

The agreement covers such automatic data processing machines whether or not they are able to receive and process with the assistance of central processing unit telephony signals, television signals, or other analogue or digitally processed audio or video signals. Machines performing a specific function other than data processing, or incorporating or working in conjunction with an automatic data processing machine, and not otherwise specified under Attachment A or B, are not covered by this agreement,

- Electric amplifiers when used as repeaters in line telephony products falling within this agreement, and parts thereof,
- Flat panel displays (including LCD, electro luminescence, plasma and other technologies) for products falling within this agreement, and parts thereof,
- Network equipment: local area network (LAN) and wide area network (WAN) apparatus, including those products dedicated for use solely or principally to permit the interconnection of automatic data processing machines and units thereof for a network that is used primarily for the sharing of resources such as central processor units, data storage devices and input or output — including adapters, hubs, in-line repeaters, converters, concentrators, bridges and routers and printed circuit assemblies for physical incorporation into automatic data processing machines and units thereof,
- Monitors: display units of automatic data processing machines with a cathode ray tube with a dot screen pitch smaller than 0,4 mm not capable of receiving and processing television signals or other analogue or digitally processed audio or video signals without assistance of a central processing unit of a computer as defined in this agreement. The agreement does not, therefore, cover televisions, including high definition televisions<sup>(1)</sup>,

**Agreement on actions foreseen in the Declaration**

1. The participants accepted<sup>(5)</sup> the results of the review process described in paragraph 2 of the Annex to the Declaration, as reflected in the documents attached hereto, which were submitted by participants and have been reviewed and approved on a consensus basis.
2. The participants agreed that the criteria established in paragraph 4 of the Annex to the Declaration have been met, and therefore, that participants shall implement<sup>(5)</sup> the actions foreseen in the Declaration.

<sup>(1)</sup> On behalf of the customs union Switzerland and Liechtenstein.

<sup>(2)</sup> Participants took note that Panama and Poland submitted documents after 1 March 1997 that could not be reviewed by 26 March 1997 and that others may submit documents on or before 1 April 1997. Participants agreed to meet again during the week of 14 April 1997 to complete the review process with respect to these documents. It was understood that, upon approval of these documents, the procedures set forth in the Annex to the Declaration would apply as if the documents had been approved at the meeting of 26 March 1997, and the States or separate customs territories referred to above would thenceforth be considered to be 'participants' for purposes of the further implementation of the Declaration.

<sup>(3)</sup> WT/MIN(96)/16, 13 December 1996 (attached).

<sup>(4)</sup> The WTO Secretariat shall maintain a set of the informal documents exchanged by participants in consultations that led to the decisions taken at that meeting. These documents shall be made available to participants for consultation upon request.

<sup>(5)</sup> Subject to the completion of domestic procedural requirements.

### Establishment of the Committee of Participants

3. In order to carry out the provisions of paragraphs 3, 5, 6 and 7 of the Annex to the Declaration, the participants established a Committee of Participants on the Expansion of Trade in Information Technology Products (hereinafter referred to as 'Committee'). The Committee shall oversee the functioning of these elements and shall serve as the forum for meetings required under its procedures and collective consultations among the participants. All decisions of the Committee shall be taken by consensus.

4. Membership in the Committee shall be open to representatives of all participants. The Committee shall elect a chairperson from among the representatives of the participants or as otherwise decided. The Committee may decide to invite, as appropriate, representatives of WTO Members and of observers to the Council for Trade in Goods that are not participants as of 26 March 1997 to attend meetings of the Committee as observers.

5. The participants agreed that any WTO Member, or State or separate customs territory in the process of acceding to the WTO, that is not a participant as of 26 March 1997, and that notifies the Committee of its interest in binding and eliminating customs duties, and other duties and charges, on the importation of information technology products into its territory pursuant to these elements, may become a participant on terms to be agreed between it and the participants at that time. Unless otherwise agreed, such WTO Member, or separate customs territory in the process of acceding to the WTO, shall, on the date that it becomes a participant, make effective all rate reductions it would have undertaken had it been a participant as of 26 March 1997.

6. The participants agreed that the Committee shall hold regular meetings to review developments related to the implementation of the Declaration, and shall hold special meetings at the request of any participant or as otherwise necessary by invitation of the chairperson. The first regular meeting of the Committee shall be held no later than 30 September 1997. The Committee shall consider at that meeting the schedule of future regular meetings, taking account of the meetings provided for in paragraph 7 below.

### Process for monitoring implementation and consultations on and review of product coverage

7. The participants agreed that, in conducting the consultations and review described in paragraph 3 of the Annex to the Declaration<sup>(1)</sup>, the Committee may also take into account changes in patterns in trade in information technology products. The participants expressed their intent to conduct the initial review and any consultations pursuant to paragraph 3 of the Annex to the Declaration according to the procedures attached hereto.

8. The participants also agreed that, in conducting the consultations described in paragraph 5 of the Annex to the Declaration<sup>(2)</sup>, the Committee may consider product classification divergences with a view to ensuring that the actions foreseen in the Declaration are implemented in a coherent fashion by all participants.

<sup>(1)</sup> The text of paragraph 3 is as follows: 'Participants shall meet periodically under the auspices of the Council on Trade in Goods to review the product coverage specified in the Attachments, with a view to agreeing, by consensus, whether in the light of technological developments, experience in applying the tariff concessions, or changes to the HS nomenclature, the Attachments should be modified to incorporate additional products, and to consult on non-tariff barriers to trade in information technology products. Such consultations shall be without prejudice to rights and obligations under the WTO Agreement.'

<sup>(2)</sup> The text of paragraph 5 is as follows: 'Participants shall meet as often as necessary and no later than 30 September 1997 to consider any divergence among them in classifying information technology products, beginning with the products specified in Attachment B. Participants agree on the common objective of achieving, where appropriate, a common classification for these products within existing HS nomenclature, giving consideration to interpretations and rulings of the Customs Cooperation Council (also known as the World Customs Organization or 'WCO'). In any instance in which a divergence in classification remains, participants will consider whether a joint suggestion could be made to the WCO with regard to updating existing HS nomenclature or resolving divergence in interpretation of the HS nomenclature.'

**GATT 1994 Article XXVIII**

9. The participants agreed that any participant that is a WTO Member having recourse to the provisions of Article XXVIII of the GATT 1994 with respect to the possible modification or withdrawal of a concession included in its WTO schedule of tariff concessions, as modified pursuant to these procedures, shall so notify the other participants at the time that it notifies the Director-General of the WTO. Upon the request of any participant, the Committee shall convene a meeting within 30 days of the circulation of the notification to consider the potential impact of the proposed modification or withdrawal of the concession on the trade of other participants in information technology products. Such deliberations shall be without prejudice to rights and obligations under the WTO Agreement.

10. The participants agreed that, in light of the technical specificity of information technology products, participants may wish to consider, in the course of the review provided for in paragraph 3 of the Annex to the Declaration, additional procedures to address the concerns of small- and medium-sized exporting participants regarding their rights under Article XXVIII, bearing in mind that a review will be conducted by the Council for Trade in Goods five years from the date of entry into force of the WTO Agreement pursuant to paragraph 1 of the Understanding on the Interpretation of Article XXVIII of the General Agreement on Tariffs and Trade 1994.

**Incorporation of the Annex to the Declaration**

11. The participants agreed that the modalities set forth in the Annex to the Declaration, including the Attachments to that Annex, are an integral part of these elements.

**Attachments:**

- A. Ministerial Declaration on Trade in Information Technology Products, WT/MIN(96)/16, 13 December 1996.
- B. Approved Schedules of Participants<sup>(1)</sup>.

<sup>(1)</sup> Available for consultation by participants and WTO Members in the WTO Secretariat (Market Access Division).

## PROCEDURES FOR CONSULTATIONS ON AND REVIEW OF PRODUCT COVERAGE

Pursuant to paragraph 7 above, it is the intention of the participants to conduct the initial review and any consultations pursuant to paragraph 3 of the Annex to the Declaration according to the following schedule:

- (a) Beginning 1 October 1997 and no later than 31 December 1997, participants may submit to the Committee lists of additional information technology products for possible additional tariff concessions, including supporting technical documentation to facilitate consideration by the Committee, taking into account paragraph 5 of the Annex to the Declaration regarding classification issues. Such lists shall be circulated to all participants.
- (b) Beginning 1 January 1998 and no later than 31 March 1998, participants that have submitted the documentation described in paragraph (a) above shall consult upon request with interested participants to clarify information and exchange views on the documentation submitted, including technical specifications of the products covered in such documentation.
- (c) No later than 30 June 1998, the Committee shall meet to decide whether to revise Attachment A or B to the Annex to the Declaration, and if so, to establish a revised list of products with respect to which participants would bind and eliminate customs duties and other duties and charges. Such list would replace Attachment A or B.
- (d) If the Committee decides to establish a revised list pursuant to paragraph (c), then each participant shall submit no later than 1 September 1998 a document similar to that required under paragraph 2 of the Annex to the Declaration.
- (e) The Committee shall meet no later than 15 September 1998 to conduct a review of these documents in a manner similar to that conducted pursuant to paragraph 2 of the Annex to the Declaration, and shall conclude its review no later than 30 September 1998. At that meeting participants shall also consider the possibility and procedures for further reviews.
- (f) Upon successful completion of the Committee review, the participants shall submit to the Secretariat the documents incorporating the results of the review as proposed modifications to their WTO schedules of tariff concessions, pursuant to the Decision of 26 March 1980 on Procedures for Modification and Rectification of Schedules of Tariff Concessions (BISD, 27S/25), with a view to the entry into force of the revised schedules, and incorporation in their domestic tariff schedules, no later than 1 January 1999 bearing in mind the need of each participant to fulfil its domestic procedural requirements. Each participant that is not a Member of the WTO shall implement these measures on an autonomous basis, pending completion of its WTO accession, and shall incorporate these measures into its WTO schedule on goods.

## OVEREENKOMST

## MEMORANDUM VAN OVEREENSTEMMING

ex 2208: gedistilleerde dranken, likeuren en andere dranken die gedistilleerde alcohol bevatten

Zoals in Singapore overeengekomen, hebben wij gedetailleerde onderhandelingen gevoerd over de afschaffing van de rechten op bepaalde gedistilleerde dranken.

Zodra onze respectieve interne procedures zijn afgerond, zullen de EG en de VS, behalve voor rum (2208 40), waarop de speciale bepalingen in de bijlage van toepassing zijn, hun rechten voor onderstaande GS 96-posten zoals die op 1 juli 1997 van toepassing zullen zijn, in vier gelijke fasen afschaffen, te beginnen op 1 juli 1997, gevolgd door verdere verlagingen op 1 januari 1998, 1 januari 1999 en 1 januari 2000.

## GS 96

De EG-rechten op rum en tafia, andere dan in punt 1 gespecificeerd, met een waarde als in onderstaande tabel vermeld, worden binnen de aangegeven tariefcontingenten verlaagd tot de in die tabel vermelde niveaus, totdat op 1 januari 2003 het nulrecht is bereikt. De hoeveelheden van de tariefcontingenten hebben betrekking op rum in alle verpakkingen.

4. De Europese Gemeenschap stelt de Verenigde Staten onverwijld in kennis van alle wijzigingen die zij tussen 1 januari 2000 en 1 januari 2003 aanbrengt in de preferentiële behandeling voor de invoer van rum. Op verzoek zal de Europese Gemeenschap met de Verenigde Staten overleg plegen over elke kwestie met betrekking tot de uitvoer uit de VS van de onder punt 2 vallende rum naar de Gemeenschap, om op alle punten een voor beide partijen aanvaardbare oplossing te vinden.
