PRÍLOHA I

PROTOCOL

against the Smuggling of Migrants by Land, Sea and Air, supplementing the United Nations Convention against Transnational Organised Crime

PREAMBLE

THE STATES PARTIES TO THIS PROTOCOL,

DECLARING that effective action to prevent and combat the smuggling of migrants by land, sea and air requires a comprehensive international approach, including cooperation, the exchange of information and other appropriate measures, including socio-economic measures, at the national, regional and international levels,

RECALLING General Assembly resolution 54/212 of 22 December 1999, in which the Assembly urged Member States and the United Nations system to strengthen international cooperation in the area of international migration and development in order to address the root causes of migration, especially those related to poverty, and to maximize the benefits of international migration to those concerned, and encouraged, where relevant, interregional, regional and subregional mechanisms to continue to address the question of migration and development,

CONVINCED of the need to provide migrants with humane treatment and full protection of their rights,

TAKING INTO ACCOUNT the fact that, despite work undertaken in other international forums, there is no universal instrument that addresses all aspects of smuggling of migrants and other related issues,

CONCERNED at the significant increase in the activities of organised criminal groups in smuggling of migrants and other related criminal activities set forth in this Protocol, which bring great harm to the States concerned,

ALSO CONCERNED that the smuggling of migrants can endanger the lives or security of the migrants involved,

RECALLING General Assembly resolution 53/111 of 9 December 1998, in which the Assembly decided to establish an open-ended intergovernmental ad hoc committee for the purpose of elaborating a comprehensive international convention against transnational organised crime and of discussing the elaboration of, *inter alia*, an international instrument addressing illegal trafficking in and transporting of migrants, including by sea,

CONVINCED that supplementing the United Nations Convention against Transnational Organised Crime with an international instrument against the smuggling of migrants by land, sea and air will be useful in preventing and combating that crime,

HAVE AGREED AS FOLLOWS:

I. GENERAL PROVISIONS

Migrants shall not become liable to criminal prosecution under this Protocol for the fact of having been the object of conduct set forth in article 6 of this Protocol.

Article 6

II. SMUGGLING OF MIGRANTS BY SEA

Article 7

Cooperation

States Parties shall cooperate to the fullest extent possible to prevent and suppress the smuggling of migrants by sea, in accordance with the international law of the sea.

Article 8

Measures against the smuggling of migrants by sea

1. A State Party that has reasonable grounds to suspect that a vessel that is flying its flag or claiming its registry, that is without nationality or that, though flying a foreign flag or refusing to show a flag, is in reality of the nationality of the State Party concerned is engaged in the smuggling of migrants by sea may request the assistance of other States Parties in suppressing the use of the vessel for that purpose. The States Parties so requested shall render such assistance to the extent possible within their means.

2. A State Party that has reasonable grounds to suspect that a vessel exercising freedom of navigation in accordance with international law and flying the flag or displaying the marks of registry of another State Party is engaged in the smuggling of migrants by sea may so notify the flag State, request confirmation of registry and, if confirmed, request authorisation from the flag State to take appropriate measures with regard to that vessel. The flag State may authorise the requesting State, *inter alia*:

- (a) to board the vessel;
- (b) to search the vessel; and
- (c) if evidence is found that the vessel is engaged in the smuggling of migrants by sea, to take appropriate measures with respect to the vessel and persons and cargo on board, as authorised by the flag State.

3. A State Party that has taken any measure in accordance with paragraph 2 of this article shall promptly inform the flag State concerned of the results of that measure.

4. A State Party shall respond expeditiously to a request from another State Party to determine whether a vessel that is claiming its registry or flying its flag is entitled to do so and to a request for authorisation made in accordance with paragraph 2 of this article.

5. A flag State may, consistent with article 7 of this Protocol, subject its authorisation to conditions to be agreed by it and the requesting State, including conditions relating to responsibility and the extent of effective measures to be taken. A State Party shall take no additional measures without the express authorisation of the flag State, except those necessary to relieve imminent danger to the lives of persons or those which derive from relevant bilateral or multilateral agreements.

6. Each State Party shall designate an authority or, where necessary, authorities to receive and respond to requests for assistance, for confirmation of registry or of the right of a vessel to fly its flag and for authorisation to take appropriate measures. Such designation shall be notified through the Secretary-General to all other States Parties within one month of the designation.

7. A State Party that has reasonable grounds to suspect that a vessel is engaged in the smuggling of migrants by sea and is without nationality or may be assimilated to a vessel without nationality may board and search the vessel. If evidence confirming the suspicion is found, that State Party shall take appropriate measures in accordance with relevant domestic and international law.

Article 9

Safeguard clauses

1. Where a State Party takes measures against a vessel in accordance with article 8 of this Protocol, it shall:

- (a) ensure the safety and humane treatment of the persons on board;
- (b) take due account of the need not to endanger the security of the vessel or its cargo;
- (c) take due account of the need not to prejudice the commercial or legal interests of the flag State or any other interested State;
- (d) ensure, within available means, that any measure taken with regard to the vessel is environmentally sound.

2. Where the grounds for measures taken pursuant to article 8 of this Protocol prove to be unfounded, the vessel shall be compensated for any loss or damage that may have been sustained, provided that the vessel has not committed any act justifying the measures taken.

3. Any measure taken, adopted or implemented in accordance with this chapter shall take due account of the need not to interfere with or to affect:

- (a) the rights and obligations and the exercise of jurisdiction of coastal States in accordance with the international law of the sea; or
- (b) the authority of the flag State to exercise jurisdiction and control in administrative, technical and social matters involving the vessel.

4. Any measure taken at sea pursuant to this chapter shall be carried out only by warships or military aircraft, or by other ships or aircraft clearly marked and identifiable as being on government service and authorised to that effect.

III. PREVENTION, COOPERATION AND OTHER MEASURES

Article 11

Border measures

1. Without prejudice to international commitments in relation to the free movement of people, States Parties shall strengthen, to the extent possible, such border controls as may be necessary to prevent and detect the smuggling of migrants.

2. Each State Party shall adopt legislative or other appropriate measures to prevent, to the extent possible, means of transport operated by commercial carriers from being used in the commission of the offence established in accordance with article 6, paragraph 1 (a), of this Protocol.

3. 4. Each State Party shall take the necessary measures, in accordance with its domestic law, to provide for sanctions in cases of violation of the obligation set forth in paragraph 3 of this article.

5. Each State Party shall consider taking measures that permit, in accordance with its domestic law, the denial of entry or revocation of visas of persons implicated in the commission of offences established in accordance with this Protocol.

6. Without prejudice to article 27 of the Convention, States Parties shall consider strengthening cooperation among border

control agencies by, inter alia, establishing and maintaining direct channels of communication.

States Parties shall cooperate with each other and with competent international organisations, non-governmental organisations, other relevant organisations and other elements of civil society as appropriate to ensure that there is adequate personnel training in their territories to prevent, combat and eradicate the conduct set forth in article 6 of this Protocol and to protect the rights of migrants who have been the object of such conduct. Article 15

Other prevention measures

3. Each State Party shall promote or strengthen, as appropriate, development programmes and cooperation at the national, regional and international levels, taking into account the socio-economic realities of migration and paying special attention to economically and socially depressed areas, in order to combat the root socio-economic causes of the smuggling of migrants, such as poverty and underdevelopment.

In implementing this Protocol, each State Party shall take, consistent with its obligations under international law, all appropriate measures, including legislation if necessary, to preserve and protect the rights of persons who have been the object of conduct set forth in article 6 of this Protocol as accorded under applicable international law, in particular the

Článok 21 ods. 3 protokolu stanovuje, že listina o pristúpení organizácie pre regionálnu hospodársku integráciu obsahuje vyhlásenie, ktoré určuje záležitosti upravené v protokole, v súvislosti s ktorým členské štáty organizácie, ktoré sú zmluvnými stranami protokolu, preniesli na túto organizáciu právomoc.

Vzhľadom na právomoci prenesené na Európske spoločenstvo sa Protokol proti pašovaniu migrantov po súši, po mori a letecky vzťahuje na územia, kde sa uplatňuje Zmluva o založení Európskeho spoločenstva, a za podmienok stanovených v danej zmluve, najmä v jej článku 299 a protokoloch k nej pripojených.

Toto vyhlásenie sa nedotýka postavenia Spojeného kráľovstva a Írska podľa protokolu, ktorým sa integruje schengenské *acquis* do rámca Európskej únie, a podľa protokolu o postavení Spojeného kráľovstva a Írska pripojeného k Zmluve o Európskej únii a Zmluve o založení Európskeho spoločenstva.

Na základe protokolu o postavení Dánska, ktorý je pripojený k Zmluve o Európskej únii a k Zmluve o založení Európskeho spoločenstva, nie je rovnako týmto vyhlásením dotknuté postavenie Dánska.

Podľa článku 299 sa toto vyhlásenie takisto nevzťahuje ani na územia členských štátov, kde sa neuplatňuje uvedená zmluva, a nie sú ním dotknuté tie právne akty alebo postavenia, ktoré môžu príslušné členské štáty prijať podľa protokolu v mene a záujme týchto území. V súlade s uvedeným ustanovením sa v tomto vyhlásení vymedzuje právomoc týkajúca sa záležitostí upravených protokolom, ktorú podľa zmlúv preniesli členské štáty na Spoločenstvo. Rozsah a výkon takejto právomoci Spoločenstva sú prirodzene predmetom neustáleho vývoja, keďže Spoločenstvo následne prijme príslušné pravidlá a právne predpisy a Spoločenstvo toto vyhlásenie podľa potreby doplní alebo zmení a doplní v súlade s článkom 21 ods. 3 protokolu.

Spoločenstvo poukazuje na to, že má právomoc s ohľadom na prekračovanie vonkajších hraníc členských štátov, stanovovanie noriem a postupov pri vykonávaní kontrol osôb na týchto hraniciach a pravidiel udeľovania víz na plánovaný pobyt nie dlhší ako tri mesiace. Spoločenstvo je takisto oprávnené prijímať opatrenia v oblasti prístahovaleckej politiky v súvislosti s podmienkami vstupu a pobytu a opatrenia zamerané na boj proti nelegálnemu prístahovalectvu a nelegálnemu pobytu vrátane repatriácie osôb, ktoré sa na území členského štátu zdržiavajú neoprávnene. Okrem toho môže Spoločenstvo prijať opatrenia na zaistenie spolupráce medzi príslušnými orgánmi členských štátov, ako aj medzi týmito orgánmi a Komisiou v uvedených oblastiach. V týchto oblastiach Spoločenstvo prijalo pravidlá a právne predpisy, z tohto dôvodu je výhradne na Spoločenstve, aby tam, kde tak urobilo, vstupovalo do externých záväzkov s tretími štátmi alebo príslušnými medzinárodnými organizáciami.

Politika Spoločenstva v oblasti rozvojovej spolupráce navyše dopĺňa politiky uskutočňované členskými štátmi a zahŕňa ustanovenia zamerané na prevenciu a boj proti pašovaniu migrantov.
