EUROPEISKA GEMENSKAPERNAS OFFICIELLA TIDNING

Nr L 239/1

RÅDETS DIREKTIV

av den 3 augusti 1987

om anpassning till tekniska framsteg för åttonde gången av direktiv 67/548/EEG om tillnärmning av lagar och andra författningar om klassificering, förpackning och märkning av farliga ämnen

(87/432/EEG)

EUROPEISKA GEMENSKAPERNAS RÅD HAR
ANTAGIT DETTA DIREKTIV

HÄRIGENOM FÖRESKRIVS FÖLJANDE.

med beaktande av Fördraget om upprättandet av Europeiska ekonomiska gemenskapen,

Artikel 1

med beaktande av rådets direktiv 67/548/EEG av den 27 juni 1967 om tillnärmning av lagar och andra författningar om klassificering, förpackning och märkning av farliga ämnen⁽¹⁾, senast ändrat genom kommissionens direktiv 86/431/EEG⁽²⁾, särskilt artiklarna 19 och 21 i detta,

Bilaga 1 (förteckning över farliga ämnen) till direktiv 67/548/EEG ändras på följande sätt:

med beaktande av kommissionens förslag, och

- 1) Beteckningen, Cas-numret, klassificeringen och märkningen avseende följande ämnen skall ersättas enligt vad som anges i bilaga 1 till detta direktiv.

med beaktande av följande:

Det är viktigt att åtgärder vidtas för att stegvis upprätta den inre marknaden under tiden fram till den 31 december 1992. Den inre marknaden består av ett område utan inre gränser och med fri rörlighet för varor, personer, tjänster och kapital.

Bilaga 1 till direktiv 67/548/EEG innehåller en förteckning över farliga ämnen och detaljer om klassificerings- och märkningsförfaranden för vart och ett av dessa ämnen. En genomgång av förteckningen över farliga ämnen har visat att denna förteckning måste anpassas med hänsyn till nuvarande vetenskaplig och teknisk kunskap. Det är särskilt nödvändigt att ändra klassificeringen och märkningen av vissa ämnen för att klargöra vissa namn, att korrigera vissa Cas-nummer (Chemical Abstract Service) samt att föra in andra ämnen i förteckningen.

Kommittén för anpassning till teknisk utveckling av direktiven om avskaffande av tekniska handelshinder för farliga ämnen och preparat, som inrättats enligt artikel 20 i direktiv 67/548/EEG, lämnade ett negativt utlåtande om det utkast till bestämmelser som överlämnades till den av kommissionen.
