Directory of case law

Browse systematically through the collection of judgments and orders of the Court of Justice, General Court and Civil Service Tribunal. Following the changes brought by the Treaty of Lisbon, the classification scheme – as used to analyse case-law from 1954 to 2009 – was reworked. The new scheme has applied to case-law since 2010. Ticking the box “Show cases from both classification schemes” will display cases analysed both under the old and new classification schemes.
