The Official Journal of the European Union (OJ) is the main source of EUR-Lex content. It is published daily (from Monday to Friday regularly, on Saturdays, Sundays and public holidays only in urgent cases) in the **official EU languages**.

There are 2 series:

- **L** (legislation)
- **C** (information and notices).

**Subseries CA** (e.g. C019A), with the same number as the C series published on the same day, contains calls for expressions of interest, vacancy notices, etc. CA editions may appear in one, several or all official languages.

A **new subseries, LI and CI**, was introduced on 1 January 2016. This allows for greater flexibility in the event of a change in the planned content of the Official Journal. It was used for the first time on 16 January 2016 (L011I, C015I).

Since 1 January 2015, the numbering of EU legal acts has changed. Find out more about the **new method of numbering**.

**Formats**

This site contains **electronic** copies of all Official Journals since the first edition.

Effective 1 July 2013, the electronic edition of the OJ (e-OJ) is authentic and produces legal effects. Find out more about the **e-OJ**.

You still have the possibility to buy a non-authentic printed version of the Official Journal from the **EU Publications** website.

Structure of the Official Journal: **pdf**.
