THE EUROPEAN COMMUNITY,

of the one part, and

THE GOVERNMENT OF AUSTRALIA,

hereinafter referred to as 'the Contracting Parties',

NOTING that the European Court of Justice has found that certain provisions of bilateral agreements entered into by several Member States with third countries are incompatible with European Community law,

NOTING that provisions of the bilateral air services agreements between Member States of the European Community and Australia, which are not inconsistent with European Community law, do not need to be amended or replaced,

NOTING that it is not a purpose of the European Community in this Agreement to increase the total volume of air traffic between the European Community and Australia, to affect the balance between Community air carriers and air carriers of Australia, or to prevail over the interpretation of the provisions of existing bilateral air service agreements concerning traffic rights,
