

REGULATION (EEC) No 1005/68 OF THE COMMISSION
of 19 July 1968

amending Regulation No 164/67/EEC fixing the factor for calculating levies and sluice-gate prices for derived egg products

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community;

Having regard to Council Regulation No 122/67/EEC¹ of 13 June 1967 on the common organisation of the market in eggs, and in particular Articles 5 (2) and 7 (4) thereof;

Whereas the coefficients provided for in Article 5 of Regulation No 122/67/EEC and the standard amounts provided for in Article 7 (4) of that Regulation in respect of the products listed in Article 1 (1) (b) of that Regulation were fixed by Commission Regulation No 164/67/EEC² of 26 June 1967 fixing the factors for calculating levies and sluice-gate prices for derived egg products;

Whereas these coefficients must be reviewed at least once a year; whereas this review has shown that it is not necessary to alter the coefficients fixed by Regulation No 164/67/EEC;

This Regulation shall be binding in its entirety and directly applicable in all Member States.

Done at Brussels, 19 July 1968.

Whereas analysis of the standard amounts has led to an amendment of the estimated overhead costs of production and marketing used as a basis for fixing standard amounts in respect of products falling within headings Nos 04.05 B I (a) 2 and 04.05 B I (b) 2 of the Common Customs Tariff and for reducing the standard amounts for those products;

Whereas the Management Committee for Poultry-meat and Eggs has not issued an Opinion within the time limit set by its Chairman;

HAS ADOPTED THIS REGULATION:

Article 1

The Annex to this Regulation shall be substituted for the Annex to Regulation No 164/67/EEC.

Article 2

This Regulation shall enter into force on 1 August 1968.

For the Commission

The President

Jean REY

¹ OJ No 117, 19.6.1967, p. 2293/67.

² OJ No 129, 28.6.1967, p. 2578/67.
