Such measures should be taken for a period not exceeding three years and shall contain elements which would degressively lead to their elimination at the end of the set period, at the latest.

- (b) Where exceptional circumstances requiring immediate action make prior information or examination, as the case may be, impossible, the Community or South Africa, whichever is concerned, may, in the situations specified in Article 24, apply forthwith the precautionary measures necessary to deal with the situation and shall inform the other Party immediately thereof.

## REPUBLIC OF SOUTH AFRICA

**LIST OF AGREED DEROGATIONS TO STANDSTILL AND ROLLBACK****Introduction**

The Community and the Republic of South Africa agree that any increase of the applied most favoured nation (MFN) tariff or any other trade restrictive or distorting measures taken after 1 July 1996 will be eliminated vis-à-vis the other side at the latest the day of entry into force of the Agreement.

At the request of the South African side and bearing in mind the particular nature of the Republic of South Africa's economic transformation and the specific stage of adaptation of its tariff system within the framework of its WTO obligations, the Community has agreed to consider, on an exceptional basis, specific requests for derogations to rollback.

As a result of this process, both sides agree that for the purpose of implementation of Article 7 of this Agreement, the tariff levels listed below will replace the tariffs effectively applied as of 1 July 1996 as the standstill reference for the products mentioned in this Annex.

**EXCHANGE OF LETTERS IN RELATION TO THE WINES AND SPIRITS AGREEMENT BETWEEN THE EUROPEAN COMMUNITY AND THE REPUBLIC OF SOUTH AFRICA***A. Letter from the Community*

Sir,

I refer to the Agreement on Trade, Development and Cooperation signed today and confirm our agreement with the elements of a commitment between the European Community and the Republic of South Africa on port and sherry that you attached to this letter.

The commitments between the European Community and the Republic of South Africa on port and sherry will be worked out in further detail in the context of a Wines and Spirits Agreement which will be concluded as soon as possible and no later than September 1999.

I would be obliged if you could confirm the agreement of the Republic of South Africa with the content of this letter and its attachment.

Please accept, Sir, the assurance of my highest consideration.

*On behalf of the European Community*

---

*Attachment*

1. The Republic of South Africa reconfirms that the names 'port' and 'sherry' are not and will not be used for its exports to the European Community.
2. The Republic of South Africa will phase out the use of the 'port' and 'sherry' names on all export markets within 5 years, except in the case on non-SACU SADC countries, where an 8 year phase-out period would apply.
3. For the purpose of the Wines and Spirits Agreement, the South African domestic market is defined to cover SACU (South Africa, Botswana, Lesotho, Namibia and Swaziland).
4. South African products may be marketed as 'port' and 'sherry' on the South African domestic market during a 12 year transitional period. Beyond that period the new denominations of these products which shall be used on the South African domestic market will be jointly agreed between the Republic of South Africa and the European Community.
5. From entry into force of the Agreement, the European Community will provide a duty free quota for wines covering the current level of trade of 32 million litres of South African exports to the European Community, with allowance for the future growth of this quota.
6. As an additional effort to the main objectives agreed for the development programme for the Republic of South Africa to be funded by the European Community, the European Community will provide assistance of EUR 15 million for the restructuring of the South African wines and spirits sector and for the marketing and distribution of South African wines and spirits products. Such assistance will commence at the entry into force of the Wines and Spirits Agreement.
7. A Wines and Spirits Agreement between South Africa and the European Community will be concluded as soon as possible and no later than in September 1999, in order to ensure that the entry into force of the Wines and Spirits Agreement will take place before or in January 2000.
