amending Annex II (Technical regulations, standards, testing and certification) to the EEA Agreement

THE EEA JOINT COMMITTEE,

Having regard to the Agreement on the European Economic Area (“the EEA Agreement”), and in particular Article 98 thereof,

Whereas:

- (1) Directive 2014/40/EU of the European Parliament and of the Council of 3 April 2014 on the approximation of the laws, regulations and administrative provisions of the Member States concerning the manufacture, presentation and sale of tobacco and related products and repealing Directive 2001/37/EC¹, as corrected by OJ L 150, 17.6.2015, p. 24, is to be incorporated into the EEA Agreement.
- (2) Commission Delegated Directive 2014/109/EU of 10 October 2014 amending Annex II to Directive 2014/40/EU of the European Parliament and of the Council by establishing the library of picture warnings to be used on tobacco products² is to be incorporated into the EEA Agreement.
- (3) Directive 2014/40/EU repeals Directive 2001/37/EC of the European Parliament and of the Council³, which is incorporated into the EEA Agreement and which is consequently to be repealed under the EEA Agreement.
- (4) Norway should maintain its adaptation to Directive 2001/37/EC with regard to the product defined in Article 2(8) of Directive 2014/40/EU ‘tobacco for oral use’.
- (5) Given the adaptation with regard to the product defined in Article 2(8) of Directive 2014/40/EU and on the basis of specific national circumstances supported by statistics regarding the health risks related to the use of oral tobacco and its use patterns, Norway should be free to allow the alternative additional health warning for tobacco for oral use as indicated in Article 1, letter c) of this Decision.
- (6) Annex II to the EEA Agreement should therefore be amended accordingly,
